The Frenchman Jack Beaumont,2023-02-28 Based on the experiences of a real French spy, Jack Beaumont's first-hand knowledge and experiences make this thriller plausible and

frightening as you're plunged into the very real world of terror, espionage, and danger. Alec de Payns is an undercover operative in the ultra-elusive French Y Division of the DGSE, a foreign intelligence service equivalent to the CIA or MI6. Code named Aguilar, de Payns is one of the division's most accomplished agents working to neutralize international threats on a daily basis while simultaneously trying to balance his home life as a husband and father. When a routine mission to infiltrate a dangerous terrorist group unexpectedly goes belly up, Alec is faced with the unthinkable: that he may have been betrayed by someone in his close-knit team—and they may be trying to pin the blame on Alec himself. Back in Paris, Alec is assigned to investigate a secretive biological weapons facility in Pakistan which the DGSE believes to be producing a newly weaponized strain of bacteria, intended for release in France. As Alec works to uncover the facility's secrets, he must also fight to clear his name and discover who the mole is before it's too late. It's not just his reputation that's at stake—it's the lives of his wife, two young children, and the entire population of Paris.

Redemption Adair Hart, 2020-03-18 Sometimes a situation needs Earthborn. With over half of the Fredorian Senate missing, Blake and the Exceltion crew are called to duty. Tasked with

finding the senators, they will need every advantage they can get. It doesn't help that Fredorian leaders Andia Kiggs and Rakar Ho Jador are among those who disappeared. To make matters worse, the Saskarins have incited a Fredorian civil war. Fighting Saskarins is one thing, but fighting Saskarin-controlled Fredorians on Fredoria is another. The crew will be pushed to their limits to find the missing people while dealing with the Saskarins at every turn. The situation requires unorthodox thinking—something Earthborn excel at. Although Earthborn are often looked down upon, redemption is at hand.
