The Mermaid's Quest J. D. Manders,2015-11-13 When their father comes back from war, Sarah and Lily visit the beach on vacation with their family. Soon they find themselves in a new magical adventure. Following a mermaid past the tide, they enter the beautiful ocean realm of the merpeople. There they learn that a Sand Wizard has moved into the sandcastle they built! Enlisted to help the mermaids fight this new evil, Sarah and Lily go on an underwater adventure that takes them through the Bermuda Triangle, across Atlantis, and down the great Abyss to the bottom of the sea. As a hurricane threatens to wash them away, Sarah and Lily must navigate the sandcastle and finally face the terrible Sand Wizard before they fall asleep. Written by a deployed U.S. Soldier to connect with his children, the story is a sequel to *The Fairy Child*.

Mermaid Carolyn Turgeon,2011-03-01 A surprising take on Hans Christian Anderson's classic tale,

Mermaid is the story of two women with everything to lose. Princess Margrethe has been hidden away while her kingdom is at war. One gloomy, windswept morning as she stands in a convent garden overlooking the icy sea, she witnesses a miracle: a glittering mermaid emerging from the waves, a nearly drowned man in her arms. By the time Margrethe reaches the shore, the mermaid has disappeared into the sea. As Margrethe nurses the handsome stranger back to health, she learns that not only is he a prince, he is also the son of her father's greatest rival. Sure that the mermaid brought this man to her for a reason, Margrethe devises a plan to bring peace to her kingdom. Meanwhile, the mermaid princess Lenia longs to return to the human man she carried to safety. She is willing to trade her home, her voice, and even her health for legs and the chance to win his heart.... Beautifully written and compulsively readable, Mermaid will make you think twice about the fairytale you heard as a child, keeping you in suspense until the very last page.

To Catch a Mermaid Suzanne Selfors, 2009-02-01 Boom Broom doesn't think his life could get any worse. Ever since his mother was swept away by a twister, his family has gone crazy. They refuse to

leave the house and Boom and his sister Mertyle are looked after by Halvor, the Viking descendant who rents the room over their garage. When Boom finds a baby mermaid who seems to grant unlimited wishes, he thinks his luck has turned around. That is, until his sister is hit by the curse of the merfolk. Now Boom and his best friend Winger must find a way to return the merbaby to its mother and save Mertyle before it is too late.

Scaled for Success Philip Hayward, 2018-07-26 “This wonderful book asks us to consider the mermaid . . . across regions, nations, diasporas, and contemporary socio-cultural configurations.”
—Paige West, Claire Tow Professor of Anthropology, Barnard College, Columbia University Emerging from the confluence of Greco-Roman mythology and regional folklore, the mermaid has been an enduring motif in Western culture since the medieval period. It has also been disseminated more widely, initially through Western trade and colonization and, more recently, through the increasing globalization of media products and outlets. *Scaled for Success* offers the first detailed overview of the mermaid’s dispersal outside Europe. Complementing previous studies of the interrelationship between

the mermaid and Mami Wata spirit in West Africa, this volume addresses the mermaid's presence in a range of Middle Eastern, Asian, Australian, Latin American and North American contexts. Individual chapters identify the manner in which the mermaid has been variously syncretized and/or resignified in contexts as diverse as Indian public statuary, Thai cinema and Coney Islands annual Mermaid Parade. Rather than lingering as a relic of a bygone age, the mermaid emerges as a versatile, dynamic and, above all, polyvalent figure. Her prominence exemplifies the manner in which contemporary media-lore has extended the currency of established folkloric figures in new and often surprising ways. Analyzing aspects of religious symbolism, visual art, literature and contemporary popular culture, this copiously illustrated volume profiles an intriguing and highly diverse phenomenon. "No matter the reader's background (literature, folklore, media or cultural studies, and beyond), there is no denying that this work will be a valuable addition to the library of anyone fascinated with mermaids." —Western Folklore

The Little Mermaid Enid C. King, Hans Christian Andersen, 1981-01-06 The classic tale of The Little Mermaid.

The Mermaid's Mirror L. K. Madigan, 2017-01-18 Lena has lived her whole life near the beach – walking for miles up and down the shore and breathing the salty air, swimming in the cold water, and watching the surfers rule the waves – the problem is, she's spent her whole life just watching. As her sixteenth birthday approaches, Lena vows she will no longer watch from the sand: she will learn to surf. But her father – a former surfer himself – refuses to allow her to take lessons. After a near drowning in his past, he can't bear to let Lena take up the risky sport. Yet something lures Lena to the water ... an ancient, powerful magic. One morning Lena catches sight of this magic: a beautiful woman – with a silvery tail. Nothing will keep Lena from seeking the mermaid, not even the dangerous waves at Magic Crescent Cove. And soon ... what she sees in the mermaid's mirror will change her life ...

The Mermaid's Tale D.G. Valdron, 2016 THE MERMAID'S TALE In a city of majesty and brutality, of warring races and fragile alliances, a sacred Mermaid has been brutally murdered. An abomination, a soulless Orc is summoned to hunt the killer. As the world around the Orc drifts into war and madness, her search for justice leads her on a journey to discover redemption and even beauty in the

midst of chaos. He said the Arukh only had one word. It was their word for rage and for pain, for fighting and dying. It was a word spoken in sorrow and anger. It was the word they said to a world that didn't want them, that had no place for them. It was loneliness and defiance and in the end it was sorrow and surrender. 'Arrah' he told me, it was all the words the Arukh needed. “This book is violent and brutal and haunting and beautiful. If I could give this a sixth star, I would - Michael R. Fletcher, Author of Beyond Redemption D.G. Valdron is an utterly fearless writer. Frankly, I think he's one of the most original writers available today. -- Amazing Stories Online “The Mermaid=s Tale is a fable of personhood wrapped in a murder mystery framed by a fantasy setting, peopled by familiar races that are presented in subtly original ways.” – Melanie Martila “I absolutely loved this book; it's already one I know I'll remember for a long time. I would never have thought a book about an orc would be one of the best existential works I've ever read.” - - Julia Pike-kelly

The Little Mermaid Eric Braun,2020 A choose-your-own-adventure in which the reader can proceed as a singer with a band, a gardener for the rich and famous, or a friend to a mermaid in a

modern version of the classic fairy tale. Includes a history of The Little Mermaid.

Mermaid Carolyn Turgeon, 2010-05-27 Two sheltered princesses, one wounded warrior; who will live happily ever after? Princess Margrethe has been hidden away while her kingdom is at war. The Magical Mermaid and the Moon Angiah Harris,2020-10-27 No matter how dark it may seem, light finds a way to shine through, the mermaid king tells his daughter, and as she explores his undersea kingdom, she never doubts his words. In the days before the moon and tides exist, the kingdom is at peace. Singing fills the streets, and the subjects thrive under the reign of their king, queen, and princess. Then a shocking betrayal robs the kingdom of light, silences all singing, and plunges the mermaid princess into grief and despair. As her world falls apart, she faces questions she never expected to ask. Can she alone sing loudly enough to defeat fear? What light could shine brightly enough to overcome the darkness? Two unexpected encounters teach her surprising lessons about love, hope, and forgiveness. Along her journey toward freedom for herself and her people the truth becomes clear: if her kingdom will ever be restored to its former glory, the entire world will have to change.

The Little Mermaid Hans Christian Andersen,2019-12-27 At the bottom of the ocean lived the sea king, his old mother and his six daughters. They lived in a beautiful castle, surrounded by a big

garden, of which each daughter took care of a small corner. The little mermaid, the youngest and most beautiful of the princesses, liked nothing more than stories of men and in her garden she had a marble statue of a handsome youth, which had sunk below down after a shipwreck. On the day of their fifteenth birthday, the young mermaids had the right to swim to the surface to see the world above and the little mermaid listened with pleasure to the stories her sisters told when they came back from these visits. She waited impatiently for her turn to come. Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include The Emperor's New Clothes, The Little Mermaid, The Nightingale, The Steadfast Tin Soldier, The Snow Queen, The Ugly Duckling and The Little Match Girl. His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films The Little Mermaid in 1989 and Frozen, which is loosely based on The Snow Queen, in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as

International Children's Book Day.

A Mermaid Tale Ashley Rodriguez, 2010-09-11 A Mermaid Tale This book is about two twins girls named Hailey and Natalie Pitchman. Their 16th birthday is coming up, and they want to have a sweet sixteenth birthday party. But, the most popular girl in school, Brittany Coleman's 16th birthday is coming up also, so she wants to have her sweet sixteenth birthday party on the same day. But all of a sudden, Hailey and Natalie found out they were mermaids! They try to keep a secret so that no one will find out!

Julián Is a Mermaid Jessica Love, 2019-06-18 In an exuberant picture book, a glimpse of costumed mermaids leaves one boy flooded with wonder and ready to dazzle the world. While riding the subway home from the pool with his abuela one day, Julián notices three women spectacularly dressed up. Their hair billows in brilliant hues, their dresses end in fishtails, and their joy fills the train car. When Julián gets home, daydreaming of the magic he's seen, all he can think about is dressing up just like the ladies in his own fabulous mermaid costume: a butter-yellow curtain for his tail, the

fronds of a potted fern for his headdress. But what will Abuela think about the mess he makes — and even more importantly, what will she think about how Julián sees himself? Mesmerizing and full of heart, Jessica Love's author-illustrator debut is a jubilant picture of self-love and a radiant celebration of individuality.

The Little Mermaid's Voice Shonna Slayton, 2021-04-10 Would you trade your world for a soul? Ever since the fateful day when the little mermaid risked everything for a human soul, merpeople have been under lockdown—absolutely no surfacing. Sea princess Mairin bristles under the restriction and blames humans for her confinement. But when the kingdom comes under attack, the merqueen surprises Mairin by sending her to watch over a human they've secretly been protecting, the descendant of the little mermaid's prince. Feeling betrayed by her family, Mairin is all too ready to listen to the sea witch's offer to redeem the little mermaid's mistake and free her people. Using the sea-witch's potion to gain legs and follow the human male aboard the Titanic, Mairin sets out to complete the circle of unrequited love. If she can make the descendant fall in love with her, she will

win back the freedom of her people. But as she gets to know the humans, her heart changes toward them. Mairin realizes she has made a bigger mistake than the little mermaid ever did. Can she save the humans and her kingdom? Based on the original telling of *The Little Mermaid* by Hans Christian Andersen What is the reading order? The *Cinderella* books go together, but the other Fairy-tale Inheritance Series books can be read in any order as stand-alone novels. If you'd like a reading order, you can follow this one: · *Cinderella's Dress* · *Cinderella's Shoes* · *Cinderella's Legacy* (prequel novella) · *Snow White's Mirror* · *Beauty's Rose* · *Sleeping Beauty's Spindle* · *The Little Mermaid's Voice*

Lucy and the Magic Crystal Gillian Shields,2012-09-20 Lucy and her mermaid friends are almost home, the six Magic Crystals safe and ready to be delivered to Queen Neptuna. But Neptuna's horrible sister Mantora is staging one final obstacle for the Sisters of the Sea. It's up to Lucy to overcome her shyness and gather all the creatures of the sea to come together and defeat Mantora for good.
