Hairbag Nation Robert L Bryan,2020-10-29 When I get home, I say, thank God I made it. Anonymous subway rider - Bronx, New York, 1979. In the early 1980s crime was rampant in New York City, especially in the dirty, dark, grimy subway. New Yorkers forced to ride the trains to work spent as little time as possible in the underground world, and said prayers of thanks every day when they made it home safely. Imagine having to ride in those subterranean metal containers for eight or more hours every day. The second installment in the series tells the story of five young New Yorkers who became police officers. They came from diverse backgrounds with diverse reasons for choosing a police career. They wanted to make a difference. They wanted to serve the people - they wanted to solve crimes - they wanted to make the subway safe. They ended up hanging on tightly to a handrail as they rode subway trains back and forth for eight hours every night. In other words, they ended up right in the middle of Hairbag Nation!

Redemption of the Irish Rabbi Junkie Detective: A Novel of Cops and Brothers Brian F. Ellis III,2019-01-17 Metro Police Detective Lieutenant Tom Spenser is a third-generation Pittsburgh cop whose world is rife with addiction, violence, loss and grief; it's just another day for this cop.Tommy Spenser has a penchant for tough cases, good Scotch, opiate painkillers, and failed marriages. A champion boxer in his youth, Tommy carries the scars and beatings of his soul most visibly. He is highly revered and near-Machiavellian in his dealings as a police officer, but has a soft spot for protecting those who cannot fight for themselves. One night, while conducting a drug raid two doors down, Tommy is called to a domestic disturbance involving the introverted, yet extraordinarily gifted and lovely Claire.Clarissa 'Claire' Hewitt, formerly a musician with the Pittsburgh Symphony, is trying to escape the prison of her marriage with a volatile, abusive narcissist. Before he knows it, Tommy takes Claire into his world and his home as they begin to entwine themselves in each other's lives, tenderly sharing their stories as survivors, and slowly letting go of the years of abuse they both have endured.Meanwhile, in Pittsburgh, two heroin kingpins have fallen in less than a week and free enterprise means quick money for anyone daring to take the toppled throne, no matter how many bodies stack up in the Metro morgue. Police Headquarters has become the new Fort Apache. When given a high visibility case and leadership in a newly formed task force by his eldest brother, Tommy is thrown into a maelstrom of betrayal and deceit, at the same time battling his own addictions and demons. After a visit to an oncologist and realizing he is in Stage II of Hodgkin's' Lymphoma, Tommy sets out to take back the reins of his life. What starts out as him seeking to save Claire ends up with Tommy realizing that he still has time to save himself, and right a lifelong of wrongs for those he loves most.

Hairbag Nation Robert L Bryan,2020-09-18 Being a cop in New York City can be challenging. Being a cop in the NYC subway can be disheartening. The daily environment of the transit cop - the dirt, grime, urine, graffiti, homeless, crowds, noise, and crime is enough to stifle anyone's spirit. Throw in a hefty helping of inept leadership, ridiculous summons and arrest quotas, problems at home, and an unappreciative public and it's no wonder that some cops fall prey to cynicism, apathy and indifference. Police in New York City have a term for these burnt-out cops - hairbags.This is the story of an oddball group of misfits who patrolled New York City's subterranean underworld during the 1980s. The CityCenter Caper George H. Stollwerck,2012-03-08 “It was 0310 hours, 3:10 a.m. civilian time, when the Colonel heard someone beginning to stage a pre-dawn assault on their hideout. He had heard them and god damn it, the sorry-ass excuses for sentries that were stationed in the derelict metal sheds around the missile launch silo, should have damn-well heard them too. Instead of the sounds of scorpions and rattle snakes that he was disturbing, scurrying around in the cool sand of the abandoned shed, over his shoulders and into the pockets of his fatigues, he should be hearing the sounds of the stolen Humvees being started up. After his men finished loading them with the military small arms weapons they had been stashing in some of the larger tin sheds that still had insulation on their inner walls and doors. The men had orders to only start the Humvee’s engines after first checking to ensure that they were muffled down as much as possible, so it was possible that the NCO’s in-charge were just being overly cautious. He imagined that the authority’s SWAT teams would head west on a more-or-less straight line toward the gang’s hideout. A determination of how the authorities had zeroed-in on the location of their hideout would be evaluated and dealt with later. He figured the cops would react as most infantry units would, Plan-A, backed-up by a team or so from the GCB, and the way the colonel’s luck was running, probably one or more FBI HRT teams. However, his team would be following Plan-B, to escape and evade, fleeing due south until they hit Highway 159 and following it until they hit Highway 160. There they would split up, the Green team; in their two-wheel capable vehicles, heading northwest as fast as they could go on the road until they got to Pahrump, Nevada, and Blue team; their four-wheelers would double back and ambush the cop’s Zebra team on its right flank, following which they would break off contact and retreat into the inhospitable badlands of the Red Rock Recreation Area.”

Street Cop David Spell,2010-06-01 Street Cop is the exciting story of one man's career in Law Enforcement. David Spell joined the Gwinnett County Police Department in 1984 at the tender age of twenty-one. This fast moving narrative takes the reader inside the squad car with David as he patrols some of the most dangerous areas and neighborhoods in Metro Atlanta. If you like the TV show Cops, you will love Street Cop. Get ready for your tour of duty. Strap into the passenger seat of David's squad car and enjoy the car chases, foot chases, fights, murder investigations, and other assorted crazy calls. You are about to see first-hand what it is really like on America's mean streets!

PHYSICAL EVIDENCE Gary Metro,2024-02-11 Detective Ida Mae Rollins searches for the identity of a homicide victim who was dismembered and dumped along a road in southeastern Wisconsin. Her subsequent search for the killer leads the diminutive, spiky-haired blonde investigator on a body strewn trail that stretches from Wisconsin into Iowa and ultimately into southern Illinois, Arkansas and Missouri. Ida, as she prefers to be called, gets a lucky break while grocery shopping during a visit to her mother’s farm. She spots a man she had believed to be murdered and follows him across the state line. What follows is a fast-paced discovery of drug dealing involving the man and his partner, a strikingly pretty pathological liar of a woman who detests men and her own mother. But is there anything linking the woman to men who were murdered in Wisconsin, Iowa and Missouri? Ida digs deep for physical evidence even as her own boss, Sheriff Peter Clark, wants action taken against the man who reported what he believed to be mere littering.

Policing Las Vegas Dennis N. Griffin,2005-04-30 After being established in 1905 as a railroad town, most of Las Vegas' population was made up of tough railroaders, ranchers, and miners who worked, drank, and fought hard. Sam Gay, the first police chief, as well as the first elected county sheriff, broke up the numerous scuffles by grabbing the combatants by the scruff of their necks and banging their heads together--it was the beginning of a long legacy of law and order in America's most explosive boomtown. Over the years, Las Vegas left behind its rough and tumble beginnings to become the gambling and entertainment capital of the world. Naturally, the influx of residents and visitors--and their money--brought crime. From prostitutes to street gangs, mobsters to drug dealers, robbers to cheats, Sin City has seen it all. And law-enforcement efforts have

had to adapt accordingly. Policing Las Vegas follows the evolution of law enforcement in Las Vegas and Clark County from the days of night watchmen and cops who carted drunks to jail on horseback to today's acclaimed Metropolitan Police Department. The transition wasn't always smooth. There were plenty of power struggles, political battles, and rogue cops. But there were also many acts of valor and heroism, and a number of officers made the ultimate sacrifice. This book is filled with stories about the colorful characters and events on both sides of Las Vegas law enforcement: cops and criminals, deeds and misdeeds. They're drawn from history, legend, and the personal accounts of many people who policed Las Vegas. Policing Las Vegas also contains more than 100 photographs, some of which are being made public for the first time.

The K Street Killer Joseph Flynn, 2011-11-08 Somebody in Washington is updating Shakespeare. The first thing he wants to do is kill all the lobbyists. Knocking off three of them in consecutive weeks, he's off to a fast start. On the lapel of each victim, the killer leaves a pin that, arguably, resembles Porky Pig. The Metro police are on the case when Putnam Shady steps forward and identifies the third victim as a friend. Authority averse, Putnam gives the cops only bare bones information -- but he tells Margaret Sweetie Sweeney that he thinks he will be the next victim. The reason, he explains, is quite simple. There are two plans afoot to seize control of the federal government. At the center of one plan is the speaker of the House of Representatives. The group behind the other plan consisted of Putnam and his three dead colleagues. Sweetie vows to protect Putnam. She enlists Jim McGill, the president's henchman, to find out who is behind the murders. But then McGill's whole world is turned upside down. His son, Kenny, is diagnosed with leukemia. President Patricia Grant's life is only slightly less tumultuous. Her enemies force her to leave the Republican Party. Erna Godfrey implicates her husband, Reverend Burke Godfrey, in the killing of Patti's first husband, Andrew Hudson Grant. But Reverend Godfrey refuses to go down without a fight. Amidst the turmoil, Welborn Yates and Kira Fahey schedule their marriage -- and inevitably have to deal with wedding crashers.

The Thinner Blue Line Sophie A. Matthews, 2014-12 I didn't always want to be a police officer, but what a life so far. This short story is a true, and sometimes shocking account of Matthew's past decade as a female officer in London's Metropolitan Police Service. Matthews describes the ups and downs, obstacles and challenges faced on the frontline of the streets of London, and also later on in her career as a detective in the hectic and often harsh world of crime.

College Cops Gone Bad J. Frederick Wehrmann, 2018-06-26 College Cops Gone Bad By: J. Frederick Wehrmann College Cops Gone Bad is about the illegal and criminal behavior the author witnessed from his fellow police officers, both academy class #36, but also from older police officers. These true stories will shock you and surprise you by some of the lurid and extreme criminal behavior of trusted fellow officers. Most stories were hushed-up and never appeared in the Fort Worth Star-Telegram. The main crime committed made national headlines and cast deep doubts about which officers could be trusted to protect the citizens from harm's way.

Eclipse of the Blue D. E. Gray, 2012-10 For the Retired Blues Crew, a small group of retired LAPD police officers that meet once a month to share old war stories and enjoy each other's company, accepting retirement was a hard pill to swallow. Once considered savvy street warriors who risked life and limb protecting the good citizens of Los Angeles, they were now the forgotten hero's whose past heroic deeds were now only remembrances visited through their colorful story telling during their once a month get-togethers. Like all things in life, they were all expendable and the guys in the Retired Blues Crew had been replaced by a new generation of street warriors. To the old dogs who were put out to pasture, the new centurions were taking their places with new technology and a confidence that bordered on disrespect for those who had paved the way before them. The argument that the old days of crushing crime without the benefit of all the new-fangled gadgets was more rewarding than the technology of the future was a misconception of the new breed that were now in charge of protecting the citizens of Los Angeles. For the select group of old story tellers, they needed to add one more chapter in their lives, something for the street warriors of the present to remember them by when their time finally came and they were reduced to second class citizens too old to do the job anymore. This small tight knit group of old street warriors had enough and it was time to prove beyond a shadow of a doubt that they weren't too old to out-smart and out-wit the high tech rouges who have now taken their places. Proving that computers and gadgets could never replace the wisdom and experience that the old dogs were blessed with wouldn't be an easy task, but they were determined to challenge the new breed and beat them at their own game. They knew whatever it was they were going to do couldn't replicate anything like the violent movies you see where people die, get hurt or cars get wrecked and buildings are blown up, after all they were cops or at least they were once. That being said, the old dogs had to pull off the perfect caper and they had to do it without claiming any of the bragging rights they so much yearned for. It would have to be for no other reason than For Greater Glory. In that one of their own had been diagnosed with cancer with less than six months to live, they only had a small window of opportunity to get it done. Since he was the architect behind the perfect crime referred to as Operation Blue Eclipse, their success would depend on how well the plan was executed with no room for error. If all went as planned and after all was said and done, the Retired Blues Crew would truly know who the best of the best was.

12 Seconds in the Dark John Mattingly, 2022-03-15 You might think you know what happened in the tragic shooting of Breonna Taylor, but no one knows that better than the lead officer on the scene, Sergeant John Mattingly. However, with the full support of the mainstream media, Black Lives Matter activists and other leftist groups immediately pounced on the tragedy, exploiting Breonna's death and twisting the story—in some cases, telling outright lies—to bolster a shameful “All Cops Are Bastards” narrative and radical “Defund the Police” agenda. In *12 Seconds in the Dark: A Police Officer's Firsthand Account of the Breonna Taylor Raid*, Sgt. Mattingly tells what really happened that horrible night. A twenty-year police veteran with an impeccable record, Mattingly takes readers inside the Louisville Metro Police Department's response to suspected criminal activity that night, debunking lie after lie about what happened, including: The officers followed standard forced-entry protocol—and even gave the suspect more time than usual to respond before entering. Taylor's boyfriend inside the apartment most certainly knew it was the police who were at his door, despite falsely claiming the police did not announce or identify themselves. Breonna should not have died that night, but her death did not happen the way the media told you. In this gritty and suspenseful true story, Mattingly sets the record straight on this shocking story that gripped the nation.

Murder Corporation Victor Methos, 2012-08-16 EVEN GOOD COPS CAN GO BAD...Rookie cop Tommy Boyd learns the hard way that those that wear badges can be as ruthless as those they hunt when he is taken under the wing of Captain Ty Reeves, a self-proclaimed destroyer among destroyers. A THIN LINE BETWEEN HEROES AND MONSTERS...Ty is eager to teach his new rookie that the rules don't apply to his division; the coveted SIS: Special Investigation Section. The section of the Las Vegas Metro Police with the most arrests, the most convictions, and the most officer involved shootings in the history of the city. A CHOICE IS ALL THAT'S LEFT...Tommy sees that Reeves uses his badge with fearlessness and fury to destroy those he's deemed a threat. SIS is well protected and lucrative for those that play along. For those that don't, they're seen as no better than the criminals they chase. Stuck in the middle between duty and the corruption and violence of SIS, Tommy must choose which side of the line he's on. But if he makes the wrong choice, he may not be around long enough to regret it. ABOUT THE AUTHOR Victor Methos' fiction has appeared in magazines and literary journals across the United States and United Kingdom. He is the author of several bestsellers including THE WHITE ANGEL MURDER, the #1 mystery-thriller in the U.S. and U.K. for over eight weeks. He has been a prosecutor specializing in violent crime and is currently a criminal defense attorney in the United States, where he has defended everyone from murderers and the mafia to the homeless and disabled. His crime fiction is based on cases he has either worked as an attorney, or studied.

Trigger David Swinson (Author), 2019 In the latest novel from David Swinson, one of the best dialogue hounds in the business (New York Times Book Review Frank Marr was a good cop, until his burgeoning addictions to alcohol and cocaine forced him into retirement from the D.C. Metro police. Now, he's barely eking out a living as a private investigator for a defense attorney--also Frank's ex-girlfriend. Ostracized by his family after a botched case that led to the death of his baby cousin, Jeffrey, Frank was on a collision course with rock bottom. Now clean and clinging hard to sobriety, Frank passes the time--and tests himself--by robbing the houses of local dealers, taking their cash and flushing their drugs down the toilet. When an old friend from his police days needs Frank's help to prove he didn't shoot an unarmed civilian, Frank is drawn

back into the world of dirty cops and suspicious drug busts, running in the same circles that enabled his addiction those years ago. Never one to play by the rules, Frank recruits a young man he nearly executed years before. Together--a good man trying not to go bad and a bad man trying to do good--detective and criminal charge headfirst into the D.C. drug wars. Neither may make it out.
