Pokemon Go Isabel Jones,2016-10-20 Discover Pokemon Go: Diary of a Mewtwo(Unofficial Pokemon Book) Are You Ready To Get into the Adventure of Pokemon Go Here is the Prologue Day

1: They call me The Great Uncatchable Mewtwo. Everywhere I go, Pokemon Trainers try to catch me, and they fail. It's not because I'm fast -- it's because I'm so powerful. People pelt me with Poke Balls, Great Balls, and Ultra Balls, and they all bounce off my cold, smooth, muscular skin. I'm practically immune to Incense and Lures. There aren't enough Razz Berries in the world to slow me down. There aren't very many Mewtwos in this world that I know of, but for the most part, Mewtwos like to hide out in caves or deep, dark forests, far away from everything and everyone. Not me! I proudly strut through cities and towns, without a care in the world. I'm uncatchable. I cause a stir everywhere I go as Pokemon Trainers trample each other trying to capture me in their Poke Balls. It's never going to happen. I'll never be caught. You might be thinking that I sound a little prideful. I am proud! I haven't met a Pokemon Trainer yet who could capture me! They say that pride comes before the fall. I guess that means that, if you're prideful, something bad will happen to you, like a fall. I'm not worried about being prideful, because I'm never going to have a fall. I'm going to walk tall forever... Download to know all this exciting story NOW! Mewtwo Savage Writer,Khali Raymond,2019-04 You cannot stop someone who knows where they're going. You cannot change someone who is passionate about what they do. Writing has given me the opportunity to reshape myself. I don't know where I would be in life if it wasn't for any of this. I want to keep pushing my limits. I want to continue putting my truths onto paper. I guess using my creativity to enlighten the world is now my destiny. It's been written. I've had my ups and downs. Guess what else... I'm more up than ever...
