A Mighty Boy Sarah Pullen,2017-08-17 Silas is ten years old when the headaches start. When the diagnosis arrives, his parents are told they have until Christmas... maybe. And so begins Sarah Pullen's battle to save her son, against doubting doctors and insurmountable odds. This story about love and loss traces her family's journey from that first day at the hospital, battling a tumour they named 'Bob', through Silas's death and beyond. This profoundly moving and honest account shows that it is possible to find the strength for a journey that no mother should ever go on; that it is possible to find a new way to live, even when death is knocking on the door. It is about confronting grief – raw, ugly, incomprehensible grief. It is a book about wrapping a small boy in love, but still letting him get grubby knees. It is about learning to savour every moment of the here and now, yet also learning to let go. At its heart, *A Mighty Boy* is a story of the love between a mother and a son. It is a book about seizing the moment and somehow managing to survive the death of a child. But most of all it is a book about a small, mighty, smiling boy.

During his fall, Blackie sees a boy named Leo, who comes to his aid, as the bird lies injured at the foot of a tall pine. Leo and Blackie instantly bond, sharing the gift of telepathy, which enables them to communicate effortlessly without spoken words. Blackie eventually learns to fly with Leo's assistance. Blackie migrates to Florida with all the other crows each winter, though he and Leo share their adventures telepathically. In the third year of his migration, Blackie returns with a mate. Leo also grows up, goes to Dartmouth College and falls in love. Blackie shares with Leo the stories he hears of crow killings in a small college town named Faithful, New Hampshire. The president of Right College hates crows and attempts to eradicate them. Besides killing crows, the president is also secretly training a militia for bigger kills. Leo and Blackie travel to Hofstadter's Militia Training Center, in Freedom, N. H., where they meet other telepaths. Blackie's wise leadership creates a telephathic force ready to take on the militia.
