Mikoto and the Reaver Village Forthright,2020-08-22 This summer is his last chance to win his first love. Wardenclave has always been a place of secrets and sway. For most of the year, the remote mountain village is closed off from the rest of the world, but each spring, they issue invitations to the most promising young reavers all over the world. Summer skill camps provide opportunities for the elite to train with the best. And by longstanding tradition, for teens of the In-between to evaluate the compatibility of their peers. Glint Starmark's reputation as a matchmaker has been holding true for millennia. At seventeen, Mikoto Reaver is the youngest headman in Wardenclave's history. He's had very little time to adjust to his new role before their close-knit community opens its doors to children of pedigree, the specialists who will mentor them, an allotment of battlers, and a celebrity or two. Glint means well, but Mikoto won't commit until he can speak to the only girl he's ever loved. There's just something about her.

*Clans and Genealogy in Ancient Japan* Masanobu Suzuki,2017-02-03 In recent years, there has been a noticeable and enthusiastic increase of interest in Buddhist temples and Shintō shrines in Japan. The legends of these temples and shrines are recorded in many historical manuscripts and these genealogies have such great significance that some of them have been registered as national treasures of Japan. They are indispensable to elucidate the history of these temples and shrines, in addition to the formation process of the ancient Japanese nation. This book provides a comprehensive examination of the genealogies and legends of ancient Japanese clans. It advances the study of ancient Japanese history by utilizing new analytical perspective from not only the well-known historical manuscripts relied upon by previous researchers, but also valuable genealogies and legends that previous researchers largely neglected.

**Les documents Takenouchi** Wadō Kōsaka,2014-05-05 Et si une chronique de l'histoire des hommes avait été tenue depuis l'aube de l'humanité, et transmise de génération en génération par une lignée ininterrompue de prêtres et de souverains ? Apparue au grand jour au début du XX<sup>e</sup> s., une somme énorme de

documents conserves par la famille Takenouchi, une des plus anciennes du Japon, nous revelent l'existence d'une civilisation repandue mondialement aux temps prehistoriques, eclairant d'un jour nouveau les mysteres de l'architecture megalithique et des pyramides, de l'Atlantide et de Mu, du deluge et des mythologies, remontant jusqu'aux origines meme de l'humanite, aussi fantastique soient elles. Avec une approche humaniste et prosaïque, l'auteur s'est efforce de demontrer l'authenticite de ces documents controverses dans un ouvrage richement illustre. Loin de l'instrumentalisation dont ils ont pu faire l'objet aux temps troubles du siecle dernier, ils sont porteurs de profondes valeurs spirituelles de nature a redonner espoir en l'avenir de l'humanite.

**Scumbag Loser** Mikoto Yamaguti, 2016-11-29 High-schooler Masahiko Murai has exactly one thing going for him: a keen sense of smell. Not exactly the sort of defining trait that helps someone become one of the popular kids, especially given the malodorous scents he finds particularly appealing. But that's okay. He's set the bar pretty low in terms of his expectations. He doesn't have to be cool or popular -- or even liked. Just as long as he isn't the biggest loser, he can get by. As luck would have it, there's always been one rung lower on his class's social ladder, but when the biggest loser gets a girlfriend, a panicked Masahiko pulls a name out of his past -- Haruka Mizusawa -- playing the long-distance relationship card in a desperate attempt to keep his worst nightmare from becoming reality. Naturally everyone's skeptical, but when Haruka shows up at school the next day and backs up Masahiko's story, their skepticism is quickly laid to rest. You'd think that Masahiko was off the hook... But what he failed to share with his classmates was that Haruka actually died years earlier...so who's turned up wearing her face, and why is she playing along with him at all...? Masahiko's about to learn that there are far more horrifying fates than being the biggest loser in school...

**Shinto** Jean Herbert, 2010-10-18 Shinto, the national indigenous religion of Japan has supplied Japan with the basic structure of its mentality and behaviour. Although its classical texts have been translated into English this volume was the first major study of this important religion. The book is a complete picture of Shinto, its history and internal organization, its gods and mythology, its temples and priests, its moral and worship. The volume also describes the metaphysics, mystic and spiritual disciplines and overall is one of the most authentic and authoritative surveys of Shinto of the twentieth century.

*Trust and Deception* Hannah K, 2016-02-21 The day when Supreme Commander Douglas MacArthur met the Emperor Showa, Hirohito, was the day when the trust between MacArthur and the Emperor Showa, Hirohito, was established and the day when Japan started to recover from the disastrous situation after the Pacific War. Until then, under the name of the Japanese Empire, Japanese people suffered unreasonable orders from the military regime. Thanks to MacArthur's effort, Japan was able to make an outstanding recovery. You would be interested in what MacArthur knew about Japan. This book will tell the readers that Japan had democratic elements dating back to ancient times. In addition to the above story, the readers could know the rough history of transition of the regimes in Japan. The Imperial system actually had the basis of democracy. In spite of a number of Samurai Regimes' rise and fall, the Imperial system, Tenno System, has been maintained. Who built such a long sustainable political system? The key person was a female Emperor Jitoh (690-697), who had an unbelievably practical power of uniting competing tribal clans in Japan and call the country Nihon. You may think Shinto priest would be a peace-loving person. However, Shinobu Origuchi is believed to be a folklore of Shintoist and priest. Actually, this person triggered the Japanese Empire to wage war against the United States. Seemingly, trustful person deceived ignorant people easily. There have been a lot of wars and conflicts, which were caused by evil people. The author sincerely hopes this book could serve as a tip to recover a peaceful world.
