Mila Kunis: A Biography Andrew Soler, 2012-03-02 ABOUT THE BOOK Sex symbol, pop cultural icon, celebrated actress on the rise -- Mila Kunis does it all. As an American actress, she has appeared on television sitcoms, done voice acting in an iconic animated series and successfully taken on the film world. Impressively, Kunis has earned accolades and critical acclaim in all three ventures, demonstrating a remarkable, versatile acting talent. Her story is an exercise in the hope and glamour of the American Dream. It reads like a modern fairytale or rags-to-riches movie script: an unknown girl from the Ukraine escapes persecution and moves to the city of angels to eventually become a Hollywood star. With her career already established by the time she was cast in *Black Swan*, Darren Arronofsky's 2010 box office sensation, Mila Kunis experienced international superstardom once the film hit theaters, wowing audiences with her darkly sensual portrayal of a ballet dancer. The film showcased her acting abilities and put her in the public spotlight. MEET THE AUTHOR Andrew Soler has published poetry and short stories while working as a newspaper journalist. After selling gas masks and chopping wood in an industrial lumberyard, he quit his job to finish college and earned a BA, Political Science. Andrew then spent five years teaching English, History and creative writing in the bay area. He is interested in provocative music, muscle cars, gritty movies and beatnik literature. EXCERPT FROM THE BOOK A true story: amazingly, Kunis got the role on *That 70s Show* despite being just 14 years old. It was supposed to be for an actress older than 18 but Kunis kept telling producers she would turn 18 on her birthday, never specifying what year. Once they found out her real age, they nevertheless decided to keep her on the show, believing her to be the best actress for the part. Playing the role of Ashton Kutcher's girlfriend, Mila Kunis stayed on the show for eight years, growing up in front of the nation's watchful eyes. In 1999,

displaying her trademark versatility as an actress, Kunis replaced Lacey Chabert as the voice of Meg Griffin on the popular animated show Family Guy. In 2007, her efforts were finally recognized when she was nominated for an Annie Award in the category of Voice Acting in an Animated Television Production... Buy a copy to keep reading!

Kunis' performance won her the Marcello Mastroianni Award for Best Young Actor or Actress at the 67th Venice International Film Festival, and earned her Golden Globe Award

and Screen Actors Guild Award nominations for Best Supporting Actress. ...FHM magazine ranked her number 9 on their 2012 Hot 100 list but Kunis has kept this type of media attention in perspective, saying, You've got to base your career on something other than being FHM's top 100 number one girl. Inside Out Demi Moore, 2019-09-24 INSTANT #1 NEW YORK TIMES BESTSELLER A Best Book of the Year: The New Yorker, The Guardian, The Sunday Times, The Daily Mail, Good Morning America, She Reads Famed American actress Demi Moore at last tells her own story in a surprisingly intimate and emotionally charged memoir. For decades, Demi Moore has been synonymous with celebrity. From iconic film roles to high-profile relationships, Moore has never been far from the spotlight—or the headlines. Even as Demi was becoming the highest paid actress in Hollywood, however, she was always outrunning her past, just one step ahead of the doubts and insecurities that defined her childhood. Throughout her rise to fame and during some of the most pivotal moments of her life, Demi battled addiction, body image issues, and childhood trauma that would follow her for years—all while juggling a skyrocketing career and at times negative public perception. As her success grew, Demi found herself questioning if she belonged in Hollywood, if she was a good

mother, a good actress—and, always, if she was simply good enough. As much as her story is about adversity, it is also about tremendous resilience. In this deeply candid and reflective memoir, Demi pulls back the curtain and opens up about her career and personal life—laying bare her tumultuous relationship with her mother, her marriages, her struggles balancing stardom with raising a family, and her journey toward open heartedness. *Inside Out* is a story of survival, success, and surrender—a wrenchingly honest portrayal of one woman's at once ordinary and iconic life.
