Invisible Stalker: My Targeting and Involvement in a United States Military Conspiracy to Kill the First Black President of the United States David Huber, 2018-09 Invisible Stalker a Novel by David Huber. Invisible Stalker, a novel about conspiracy, cover up, targeted individuals and mass shootings. It is a story that happened but cannot be published as truth. Invisible Stalker must be published as Fiction. The military control and transformation of a 40-year-old Silicon Valley executive into an assassin manipulated to target the First Black President is too scary to be believed. Huber was instructed under duress to kill Barack Obama and given the tools to do so. Invisible Stalker documents a conspiracy story wrapped in a happening that is sweeping the internet like an epidemic. This conspiracy contains a narrative and research into the Targeting of individuals. The eBook is interactive. Links included throughout contain supporting information from reputable sources. It reads like science fiction that is based on real testimony and technologies. These military technologies cause every day individuals to become insurgents and to execute our countries deadliest mass shootings. Invisible stalker reveals a conspiracy of how a targeted individual named David Huber was assaulted by a technology and had the crime of sedition worked upon him. Technology was used against David Huber in an effort to convince him to KILL the first BLACK PRESIDENT of the United States: Barack Obama. It tells his story and his struggle. A struggle to make the US Military, The FBI, The US Secret Service and the White House aware of what happened to him. There have been other

**Army Night Stalkers** Nick Gordon, 2008-01-01 A special operations force of the U.S. military, the Night Stalkers are called on to complete covert missions under the cover of night. They helicopter to targets on the spot. See if you have the stealth and speed to fly with the Night Stalkers!

Stalkers and Shooters Kevin Dockery, 2007-07-03 Now in paperback! From the author of the Navy SEALs Oral History series-an intimate look at the world's most efficient and deadly warriors. Snipers have a rich history. This fascinating book follows their tasks and techniques from the Revolutionary and Civil Wars through both World Wars, to the Korean War and Vietnam-the genesis of modern sniping-to the current conflicts in the Middle East. Also, readers will see how sniping has evolved on the civilian side in law enforcement. Readers will learn about the tools of the trade, but most importantly, they will hear from the experts themselves: military snipers, as well as civilian police and SWAT snipers. Capturing the suspense and action of the hunt, the words of these men draw readers into the close-knit, little-known world of men who need only one bullet to get the job done.

**The Night Stalkers** Michael J. Durant, Steven Hartov, Robert L. Johnson, 2006-12-28 From the New York Times bestselling authors of In the Company of Heroes comes a thrilling account of military aviation for history buffs and "for those who love vivid tales of battlefield heroics" (Publishers Weekly). In the world of covert warfare, Special Operations pilots are notoriously close-lipped about what they do. They don't talk about their missions to anyone outside their small community. But now, Michael J. Durant and Steven Hartov shed fascinating light on the mysterious elite commandos known as SOAR (Special Operations Aviation Regiment) and take readers into a shadowy world of combat they have only imagined.

*U. S. Army Special Operations Command* Andrea L. Weiser,1999-09 Provides an introduction to the special force of the United States Army known as the Night Stalkers including their history, training, and equipment.

**Night Stalkers: 160th Special Operations Aviation Regiment (Airborne)** Fred J. Pushies, The 160th Special Operations Aviations Regiment specializes in carrying out its life-and-death operations under the cover of darkness, hence their nickname: Night Stalkers. They are renowned for being swift, sure, and particularly deadly with their accuracy in using state-of-the-art aircraft and equipment to assist special ops from the air. Their specialty is covert insertion, re-supply, and extraction of Special Ops teams. They also take part in armed escort, reconnaissance, surveillance, and electronic warfare in support of missions.

Take Over at Midnight M. L. Buchman,2022-01-11 They both came from the streets, now they must save a nation. "Best 5 romance of 2013!" – Eloisa James, Barnes & Noble Her father said Lola LaRue would grow up to be a stripper and a whore. Instead she became a top helicopter pilot for the Army's secret Night Stalker regiment. Tim Maloney ran from his family to work in a chop shop, parting out stolen cars. Both their lives changed the day the planes flew into the World Trade Center. Little did they know that they'd have to come together to save their country from the next great attack. "Buchman proves his military romance prowess." – RT Book Reviews "Buchman takes the military romance to a new standard of excellence." – Booklist [Can be read stand-alone or in series. A complete happy-ever-after with no cliffhangers. Originally published in 2013. Re-edited 2021 for improved reader experience but still the same great story.] Buy now to join the military romance adventure.

**Survive Until the Final Scene** M. L. Buchman,2020 -a Night Stalkers CSAR romance story- The most dangerous mission of all: CSAR--Combat Search and Rescue. Captain Kandace Eversmann's plane goes down hard in the Somali desert. With her life expectancy falling by the minute, she uses tricks from her favorite movies in order to survive. Army Medic Bob Redford has run out of reasons to stay in the Army. Until he must use his own love of movies to find the wounded pilot--fast. The race is on to beat an attacking militia that wants to take them both down before the final credits.

*Night Stalkers* Fred Pushies,2005-07-28 The 160th Special Operations Aviations Regiment specializes in carrying out its life-and-death operations under the cover of darkness, hence their nickname: Night Stalkers. They are renowned for being swift, sure, and particularly deadly with their accuracy in using state-of-the-art aircraft and equipment to assist special ops from the air. Their specialty is covert insertion, re-supply, and extraction of Special Ops teams. They also take part in armed escort, reconnaissance, surveillance, and electronic warfare in support of missions.

**Target of Mine** M. L. Buchman,2017-01-09 a Night Stalkers / Titan World romance! Even the deadliest country in the world can't stop the first female Navy SEAL and the Night Stalkers. "Wow! An action packed, rollercoaster of a read." She may be the first woman to make SEAL Team 6, but Nikita Hayward's drive lies deep in a disastrous mercenary past. Drake Roman, the master of living life in cruise mode, loves his seat at the ramp gun of a massive Night Stalkers Chinook helicopter. When a crisis in Honduras throws them undercover together into the field, can

they find a common gear before the heat kills them both? “High octane in the romance department and fascinating (as always) in the action, adventure and suspense arena as well. It's yet another outstanding piece of writing from one of my all time fave authors.” [Can be read stand-alone or in series. A complete happy-ever-after with no cliffhangers. Originally published in “The Night Stalkers 5E” series in 2017. Re-edited 2021 for improved reader experience but still the same great story.] Buy now to join the military romance adventure.

**Target of the Heart** M. L. Buchman, 2015-03-29 A first mission by a new team should not risk everything—except this time it must. “I can’t wait for the next one to come out.” Launching a new Special Operations helicopter company may be the hardest assignment a commander could draw. Forming it with a team of rookie pilots, then slamming them into a Black Ops crisis mission to infiltrate China—well that’s just uncalled for. And what is Major Pete Napier to do with the soft-spoken woman who can outfly him on his best day? Maybe China isn’t his biggest challenge. “Buchman’s research is amazing and his attention to detail is astounding.” [Can be read stand-alone or in series. A complete happy-ever-after with no cliffhangers. Originally published in “The Night Stalkers 5E” series in 2015. Re-edited 2021 for improved reader experience but still the same great story.] Buy now to join the military romance adventure.

**I Own the Dawn** M. L. Buchman, 2021-12-14 She learned to trust no one—the hard way! Now she must. “Top 5 Romance of the Year!” – NPR Kee Smith qualified as a helicopter crew chief, a top sniper, and the second woman to ever make the Army’s secret Night Stalkers. When she chooses her copilot as her next target, he doesn’t stand a chance. His role as helo copilot and top team strategist always fit Archie Stevenson. Until a pint-sized shooter kicked his world sideways. When a mission gone wrong threatens to start a new war, they must solve it together—if they don’t kill each other first. “At the very top rank (of romance).” – Eloise James, B&N Book Reviews “One of the best military romantic suspense novels this year.” – Romancing the Book [Can be read stand-alone or in series. A complete happy-ever-after with no cliffhangers. Originally published in 2012. Re-edited 2021 for improved reader experience but still the same great story.] Buy now to join the military romance adventure.

**Bring On the Dusk** M. L. Buchman, 2022-02-08 The best warrior in the US military and the mission he can’t lead. “A tender romance set against heart-stopping action – this is a not-to-be missed read.” – RT Book Reviews Delta Force’s top warrior since the day he joined, Colonel Michael Gibson never cares that each mission could well be his last. Captain Claudia Jean Casperson extracts Michael on her first day as a Night Stalkers helicopter pilot, not knowing that her life has just changed. When Russia tries to start a new war, they’re the only ones who can stop it. And the outcome will either cost their lives or their hearts. “Amazing story. I am in love. Now I want to go out and buy the entire series.” – Booklikes “A heartwarming...non-stop adventure.” – Reading Reality [Can be read stand-alone or in series. A complete happy-ever-after with no cliffhangers. Originally published in 2015. **Making a Night Stalker** David Burnett, 2018-12-12 David Burnett takes readers into a unique world of the 160th

Special Operations Aviation regiment. His journey starts in a conventional Army unit where he doesn't feel fulfilled in his duties and obligations. This lack of responsibility drives David to pursue the dream of becoming an MH-47G Chinook helicopter crew chief in the most secretive and elite aviation unit in the world. David is met with constant hurdles and set backs trying to achieve his ultimate goal but he is more determined than ever. After graduating from the units five week selection process he is thrown into school after school and non stop training before being able to step foot on the aircraft he so desperately dreams of crewing on. After almost a year in the Special Operations unit he is trained and ready to deploy with 160th, and it is nothing short of intense. He learns quickly that his new units mission op tempo is exactly what he had hoped. He is eager to prove himself among the ranks and continues to hone his craft over the next four years. After five deployments with the unit as a crew chief he is discharged from the military. After leaving the fast paced world of the SOF community he falls into a deep depression. Alcohol becomes the new most important thing, and he finds himself in a new and reckless battlefield. He never saw this coming.

Primitive War Dispatches Ethan Pettus,2019-01-24 At the height of the Vietnam War, a search and rescue squadron known as 'Vulture Squad' discovered dinosaurs existing within the confines of an isolated jungle valley north of the DMZ. A year has passed since the American Forces quarantined the primeval valley, and a new Special Forces team known as Stalker Force has been created to track the most dangerous dinosaurs of all time - the utahraptors - and destroy them. The mission proves to be more than the fledgling team can handle when they come face to face with mysterious new predators, clandestine para-military operatives, and a cunning alpha male utahraptor known as Sobek; the nihil river god. The Hunting of Stalker Force is the first volume of Primitive War Dispatches, a series of serialized short-story anthologies meant to link the flagship novels of the Primitive War series. The Hunting of Stalker Force takes place between Primitive War I and Primitive War II - Animus Infernal.

The Handy Armed Forces Answer Book Richard Estep,2022-04-12 The story of the United States military is the story of the country itself. Both have grown and changed over time. Learn about the unique histories, traditions, weapons, leaders, stats, and fun facts of the Army, Navy, Marine Corps, Coast Guard, Air Force, and Space Force, and their roles within the military in this fun and fascinating guide! From the few hundred soldiers in its ranks when it was first established, to the over one million service members today, the U.S. military has grown in power and size over its 250-year history. Its organization and branches have changed to adapt to new technologies and national needs. The Handy Armed Forces Answer Book: Your Guide to the Whats and Whys of the U.S. Military looks at each branch of the U.S. military. It answers more than 500 of the most intriguing questions, including ... How is the U.S. military organized? How do the branches work together? When did the Army Air Corps become the U.S. Army Air Force? What is the selection process like for Special Forces? Who was the Continental Army's first Commander in Chief? How does the military rank structure function? How does somebody become an Air Force officer? What was the "Brown Water Navy"? What is the motto of the Coast Guard? How many bases does the military have? What is the Marine Corps Hymn? Did any Coast Guard vessels serve in combat? What type of aircraft is Air Force One? Who said

"Retreat? Hell! We just got here!" Who were the Buffalo Soldiers? What are the Blue Angels? What is the most challenging USAF plane to fly? What is the origin of the Coast Guard "racing stripe"? Does the Space Force have any operational bases? How did a mutiny help establish the United States Naval Academy? What is the longest-serving personal weapon used by the American soldier? What is the difference between a UAV and a drone? What attack submarines does the Navy deploy? Who defends the United States against cyberattacks and other digital threats? The Army, Navy, Air Force, Marines, Coast Guard, and Space Force are uniquely American, each in their own way. Learn what makes each branch special in The Handy Armed Forces Answer Book! With more than 140 photos and graphics, this fascinating to me is richly illustrated. Its helpful bibliography and extensive index add to its usefulness.
