Full Exposure Amy Jo Cousins,2015-08-04 There's more than one way to be a rock star. Evan Pak is a card-carrying geek (he even has the IT job to prove it), but when his photographer brother invites him to tag along on a photo shoot with rock star Riley Flood, he figures it will be two days of ogling and eye-rolling and nothing more. But the reckless bad boy is nothing like he expected, and Evan is mesmerized by the mix of cocky and sweet he sees in Riley. When a spontaneous idea ends with Evan stripping down under the hot lights for an intimate portrait for Riley's next album cover, Evan is absolutely sure their connection won't end when the lights are turned off. Especially since Riley can't seem to keep his hands off the tattoos Evan hides under his clothes. Even a spoiled rock star wants to give up control sometimes, if only for a weekend. The world is full of people who want things from Riley and the demands on him never stop. Evan knows exactly how to turn off the noise in Riley's head and it starts by putting him on his knees. Together, they will push each other higher and farther than either one of them have ever gone before. It's easy to take risks when there's a time limit on the game. But when their time is up, what comes next if they don't want the game to end? **This second edition of FULL EXPOSURE contains a new, bonus short story available for free to newsletter subscribers. Love Blind C. Desir, Jolene Perry, 2016-05-10 Shy high schooler Kyle Jamieson and Hailey Bosler, a musician with degenerative blindness, team up to tackle a bucket list of greatest fears in this compelling novel that explores what it means to take risks. It starts with a list of fears. Stupid things really. Things that Hailey shouldn't worry about, wouldn't worry about if she didn't wake up every morning with the world a little more blurry. Unable to see her two moms clearly. Unable to read the music for her guitar. One step closer to losing the things she cares about the most. For a while, the only thing that keeps Hailey moving forward is the feeling she gets when she crosses something off the list. Then she meets Kyle. He mumbles—when he talks at all—and listens to music to drown out his thoughts. He's loaded down with fears, too. So Hailey talks him into making his own list. Together, they stumble into an odd friendship, helping each other tackle one after another of their biggest fears. But fate and timing can change everything. And sometimes facing your worst fear makes you realize you had nothing to lose after all.

One Penny M. Sembera, 2016-01-22 Foolish is the heart that leaves itself open to falling in love. Reckless is the person who steps away from tradition to claim a life of their own. Irreplaceable is the moment one takes the risk. Penny Caffrey seems to make all the wrong choices in life. From the men she dates to her career path; most of what she does is either hidden from or frowned upon by her large Irish family. Seth Chevalier has been labeled a disappointment by his entire family. He has a good job at a large accounting firm that he devotes the majority of his time to. He is used to and

comfortable living a solitary life. When her latest boyfriend, the drummer for a local band dumps her, Penny takes a step back to do some self-evaluation and decides to lay off of dating for a while. Even with an overbearing father, Seth is determined to be his own man and moves into an upscale apartment complex in an effort to prove he is successful. Seth's solitary life is thrown completely off track when he moves in next door to Penny and she decides they are going to be friends, whether he likes it or not. ****Includes Bonus C&A Novella**** He was all the things she really wanted and never bothered to look for in a man. He was also the most stubborn jackass she had ever met. She was an infuriating pain in the ass, and he'd be damned straight to hell if he had to spend even one day without her by his side. Charlotte and Auggie never thought they would fall in love, and certainly not with each other. Looking beyond themselves to see the worth in each other, they found a love that is worth holding onto. But for two stubborn strong willed people like C&A, falling in love is only half the battle. And their road to matrimony is an uphill fight that will test them all the way to the altar. **C&A picks up after Charlotte's epilogue and takes you through One Penny from Charlotte and Auggie's POV. While there are events that parallel Penny's book, a lot was left out simply because One Penny is Penny and Seth's story and I wanted to focus on them. That being said, it is not One Penny all over again, C&A is its own story, it is Charlotte and Auggie's novella.**
