Mimmy and Dimmy Jerilyn Champion,2016-08-02 This is a heartwarming yet gut-wrenching (at times) account of a young woman leaving an interracial marriage with her young son in the late 70s. This book will take you from laughter to tears. It is deep! Deep faith, deep love, deep hope! The experiences in this book validate the existence of a supernatural God who is alive and well and available to those who diligently seek him! (Hebrews 11:6) An ordained account of The Life of Jerilyn Champion which she had written in the 80s, and thought it was complete. As life progressed and continued to provide additional prophetic clues, she realized that there was much more to come. Along the way, it became clear and validating the way God predestines each of us for His Divine purpose. This book will alter your life.

Major Cultural Essays Bernard Shaw, David Kornhaber, 2021 George Bernard Shaw's public career began in arts journalism - as an art critic, a music critic, and, most famously, a drama critic - and he continued writing on cultural and artistic matters throughout his life. His total output of essays and reviews numbers in the hundreds, dwarfing even his prolific playwriting career. This volume of Shaw's Major Cultural Essays introduces readers to the wealth and diversity of Shaw's cultural writings from across the breadth of his professional life, beginning around 1890 and ending in 1950. Topics covered include the theatre, of course, but also music, opera, poetry, the novel, the visual arts, philosophy, censorship, and education. Major figures discussed at length in these works include Ibsen, Wagner, Nietzsche, Shakespeare, Wilde, Mozart, Beethoven, Keats, Rodin, Zola, Ruskin, Dickens, Tolstoy, and Poe, among many others. Coursing with Shavian flair and vigor, these essays showcase the author's broad aesthetic sensibilities, trace the intersection of culture and politics in Shaw's worldview, and provide a fascinating window into the vibrant cultural moment of the late nineteenth and early twentieth centuries.
