Miss Belief Aubrey Bondurant, 2020-10-09 Reid Maxwell is the man I've spent the last year crushing on - and he's my new boss. I should be over the moon about his recent breakup, but he's gone from miserable to cold. It's time to give post-breakup Reid a serious intervention. Only our chat doesn't go as expected. Now he's proposing the one thing I'm not sure I can pull off. Teagan Larson is feisty and fearless. She's also my new assistant. She isn't afraid to kick me out of my post-break up funk, nor does she sugar coat the truth. Now that she's agreed to be my fake girlfriend for an upcoming wedding, a weight has been lifted. But the more time we spend together, the lines between fiction and fantasy start to blur. Pretending has never felt more real. Reality has never been more complicated. Full Length Standalone book with no cliffhanger. Third book of the Miss Series. ***Miss Belief is for mature audiences due to steamy bedroom scenes that are in no way contained to just the bedroom.***

Miss Understanding Aubrey Bondurant, 2019-12-17 Liam Davenport is the most infuriating man I've ever known - and he's my boss. Worse, he's undeniably sexy. At least until I'm subject to one of his trademark sighs of disapproval. I'm counting the days

until I can walk away from this job. But first, I need to survive the trip from hell he's dragged me on. One entire week with his arrogant smile and my unexpected naughty thoughts. I might get fired. He just might be worth it. Kendall Tate is the most distracting woman I've ever met - and she's my assistant. She's irritatingly clever, and much too nice for the likes of me. I need to remain professional, even if the smell of her strawberry lip gloss is my kryptonite. No matter how much I want her, Kendall is off limits. Growing closer to her might be a mistake. I might just take the risk. Full Length Standalone book with no cliffhanger. First book of the Miss Series. ***Miss Understanding is for mature audiences due to steamy bedroom scenes that are in no way contained to just the bedroom.***

The Vampyre John William Polidori, 2017-02-21 This classic vampire story has inspired generations of authors, from Bram Stoker to Charlaine Harris. A young English gentleman of means, Aubrey is immediately intrigued by Lord Ruthven, the mysterious newcomer among society's elite. His unknown origin and curious behavior tantalizes Aubrey's imagination. But the young man soon discovers a sinister character hidden behind his new friend's glamorous facade. When the two are set upon by bandits while

traveling together in Europe, Ruthven is fatally injured. Before drawing his last breath, he makes the odd request that Aubrey keep his death and crimes secret for a year and a day. But when Ruthven resurfaces in London—making overtures toward Aubrey’s sister—Aubrey realizes this immortal fiend is a vampyre. John William Polidori’s *The Vampyre* is both a classic tale of gothic horror and the progenitor of the modern romantic vampire myth that has been fodder for artists ranging from Anne Rice to Alan Ball to Francis Ford Coppola. Originally published in 1819, many decades before Bram Stoker’s *Dracula*, and misattributed to Polidori’s friend Lord Byron, *The Vampyre* has kept readers up at night for nearly two hundred years. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

Miss Typed Aubrey Bondurant, 2020-03-29 Aiden Samuels is the most mysterious and sexy man I've ever met - and he's my new boss. He's given me a second chance and now it's up to me not to blow it. No matter how much I may want to trust him with my

secrets, I can't afford to let him in. He can't discover the truth. No matter what the cost. Chloe Mattson is the most disarming and intriguing woman I've ever met - and she's my new assistant. She's brought light into my dark life, but she's much too innocent for me. I need discipline and control to keep her at arms-length, but I can't resist helping her, even when she insists she doesn't need it. No matter how much I desire her, Chloe is off-limits. Growing closer may prove complicated. Staying away may prove impossible. Full Length Standalone book with no cliffhanger. Second book of the Miss Series. ***Miss Typed is for mature audiences due to steamy bedroom scenes that are in no way contained to just the bedroom. ***

The Vampyre John Polidori, 2022-06-13 Not dissimilar to modern day stories, **The Vampyre** offers an interesting mix of fangs and romance, and Polidori's tale of Lord Ruthven is a spooky love story that will leave you hiding under your duvet. The young Aubrey is captivated by the mysterious Lord Ruthven, who takes her to Rome. A disagreement between the two, leads Ruthven to travel onward to Greece on his own where he falls in love with Ianthe. She tells him about the tales and myths of vampires but is found killed shortly after. Without connecting the two incidents,

Aubrey reunites with Ruthven once more and she rejoins him on his travels, which leads to her eventual heartbreak. Fans of [Twilight], [Dracula], and [Buffy the Vampire Slayer] will enjoy this short story, which is regarded as the first vampire novel to be published. Known by some as the creator of vampire fiction, John William Polidori was an English writer and physician. [The Vampyre] is his most successful piece of writing and the first published modern vampire story. A friend to Lord Byron, Polidori also brainstormed with Percy Bysshe Shelley and a soon-to-be Mary Shelley. Mary later worked on a tale with her husband which would become 'Frankenstein'. Polidori died at his father's London house aged 25, weighed down by depression and gambling debts.

Readin', Writin' & Hecklin' Carol Castor, 2020-06-21 Readin', Writin' & Hecklin' is the third book in the Aubrey Burke History Adventure series. Now Aubrey is transported back in time to 1901. She finds herself attending a one-room schoolhouse and has to deal with a nasty bully.

Miss Trust Aubrey Bondurant, 2021-02-17 Chance Maxwell is the most arrogant man I've ever known - and he's my boss. Worse, he's incredibly sexy. At least until he opens his condescending

mouth. I hate being indebted to him for this job, but I have more important priorities to worry about. My attraction to him is growing despite my better judgment. But I sure as hell won't ever reveal it to him. Tory Larson is the most stubborn woman I've ever met - and I've hired her as my new assistant. She's different from my usual women, and my plan to leave her alone is failing miserably. Maybe the best way to rid her from my system is to address this inexplicable spark between us. Only, I'm in over my head. I'm a man who always gets what I want. She may be the exception. Full Length Standalone book with no cliffhanger. Fourth book of the Miss Series. ***Miss Trust is for mature audiences due to steamy bedroom scenes that are in no way contained to just the bedroom.***

The second volume of Aubrey Robert Charles Dallas, 1813

Bernoulli's Fallacy Aubrey Clayton, 2021-08-03 There is a logical flaw in the statistical methods used across experimental science. This fault is not a minor academic quibble: it underlies a reproducibility crisis now threatening entire disciplines. In an increasingly statistics-reliant society, this same deeply rooted error shapes decisions in medicine, law, and public policy with profound consequences. The foundation of the problem is a

misunderstanding of probability and its role in making inferences from observations. Aubrey Clayton traces the history of how statistics went astray, beginning with the groundbreaking work of the seventeenth-century mathematician Jacob Bernoulli and winding through gambling, astronomy, and genetics. Clayton recounts the feuds among rival schools of statistics, exploring the surprisingly human problems that gave rise to the discipline and the all-too-human shortcomings that derailed it. He highlights how influential nineteenth- and twentieth-century figures developed a statistical methodology they claimed was purely objective in order to silence critics of their political agendas, including eugenics. Clayton provides a clear account of the mathematics and logic of probability, conveying complex concepts accessibly for readers interested in the statistical methods that frame our understanding of the world. He contends that we need to take a Bayesian approach—that is, to incorporate prior knowledge when reasoning with incomplete information—in order to resolve the crisis. Ranging across math, philosophy, and culture, Bernoulli's Fallacy explains why something has gone wrong with how we use data—and how to fix it.

The Legend of the Christmas Witch Aubrey Plaza,Dan

Murphy,2021-11-16 From Parks and Recreation star Aubrey Plaza and creative partner Dan Murphy comes the long lost tale of the Christmas Witch, Santa Claus's much misunderstood twin sister. The perfect gift for the holiday season and beyond! Gather 'round the fire to hear a Christmas legend that has never been told before...until now. Each year a mysterious figure sweeps into town, leaving behind strange gifts in the night. No, not Santa Claus, but his sister... The Christmas Witch. Her story begins many, many years ago when her brother was torn away from her as a child. Raised alone by a witch of the woods, Kristtörn's powers of magic grew, as did her temper. Determined to find her long lost twin, she set out on a perilous journey across oceans to find him. But what she found instead was a deep-seated fear of her powers and a confrontation that would leave the fate of Christmas hanging in the
