Julie Hines Mabus

Mississippi Queen Adeline Blondieau, Eric Summer, Serge Fino, 2006-06-21 - TU vas rater le rendez-vous avec ta fille, Juliet Nash... - Il faut que je sois demain à Dallas! Et rien ne m'en empêchera ! - Tu vas me tuer ?... - Je n'ai pas de raison de le faire... - Et Frank Suys, le garagiste du Queens, tu avais une bonne raison ?... - Je ne l'ai pas tué. Et c'était de la légitime défense. - Bien sûr ! Tu lui as juste coupé les couilles et l'as laissé se vider de son sang. Il te faudra l'avocat d'OJ Simpson pour la plaider, ta légitime défense . - Allez, on avance ! Dépêche ! - D'ici peu, tout le coin va grouiller de flics. Comment tu espères t'en sortir ?...

Mississippi Queen and More Stanley Laine, 2015-06-02 THIS IS A SMALL COLLECTION OF SHORT STORIES AND POETRY. When we are born we are brought into this world as perfection, and it is only with time and age that we move further and further away from it. Ordinarily Stanley Laine is very structured and organized in his writing, typically applying the same techniques and practices that have worked well for him in completing his larger projects, but during the writing for his novel 'The End of the Line' he found he was spending a lot of time engaged in intense reflection and material was coming forward that was not related to his novel, so in addition to the composing he was doing for the larger work, he also began doing some free-writing to try to capture these ideas swirling around in his mind. As Laine states, A few of the pieces included here were written for a specific purpose but I was getting overwhelmed with other things I wanted to say while still keeping focused on the material for my last novel which I was thoroughly enjoying, so rather than following the same tried and true ways of writing for me, I just let myself go on these pieces and penned them freely, without trying to overthink things. It felt odd, organic, almost careless, but I was pleased with the results in the end, and rather than obsessing over the details like I might normally do, after I finished these stories I decided to step back and just let them go. The pieces I wrote that were included in 'Compendium' were much more thought out, so these stories might feel a little different to my readers, but hopefully just as enjoyable. Included in this collection are THE BOY WITH THE GOLDEN HEART, THE WITCH, MISSISSIPPI QUEEN, SILK GREENHOUSE, THE CURSE, & A CHRISTMAS LULLABY.

A Real Good Woman Sheba the Mississippi Queen, 2017-09-25 *A Real Good Woman* is the autobiography of Sheba Makeda, The Mississippi Queen of the blues. Born in 1953, her life began in the cotton fields of Mississippi; the book takes the reader on a journey from there and then to her current life as a performing and recording artist and spiritual teacher. Sheba's rich story covers black history and culture in the South, her life onstage and in the studio singing the blues, and her time in Atlanta and New York City as a working girl. Truth. Seldom do we receive the whole truth when we read bios; they seem to leave out the parts that created the writers' hearts. If you want the truth on how the blues enters a soul, read 'A Real Good Woman,' the story of the birth of the blues in the heart and soul of a real good woman. - Rev. Prentiss John Davis, Unity of Ocala Raw, honest, heart-breaking. Here is an open and honest account of the struggles of an African-American woman and what she went through to escape the cotton fields of Sunflower, Mississippi in the '60s to become the spiritual woman she is today. The book is to inspire others to overcome and know they too can survive and find peace and happiness if they look within to the I AM of self. -Shirley Long, Unity of Ocala, Administrative Assistant to Senior Minister

Nago Theodora Taylor, 2017-06-24 I'm still not exactly sure how a nobody like me managed to catch the eye of a billionaire alpha prince. But Nago Nightwolf was the sweetest, gentlest, most wonderful boyfriend a poor she-wolf from a mange state pack could ever ask for...until I needed him most. Then he disappeared from my life without so much as an apology. I thought it was true love. But all he truly wanted was to get in my pants before ghosting out. Can you blame me for never wanting to fall again? And yeah, participating in a Chivaree--a barbaric ritual during which I give my hand in marriage, and a baby, to whoever catches me first--isn't the most civilized way to declare I'm over the one who ran away. But hey, it's not like I believe in true love anymore, so why not help secure the future of my state pack with the money a Chivaree auction will bring in? But then Nago Nightwolf shows up on the eve of my Chivaree, determined to win me. No matter what anyone else says...including me. I'm exasperated. I'm furious. But most of all, I'm scared he'll get what he wants...only to destroy me all over again. Are you ready to give love a second chance? Mississippi Current Cookbook Regina Charboneau, Harriet Bell, 2014-05-20
Discover the diverse food and culinary traditions from the ten states that border America's most important river--and the heart of American cuisine--with 200 contemporary recipes for 30 meals and celebrations, and more than 150 stunning photographs. Starting at the river's source in Minnesota, renowned chef/restaurateur Regina Charboneau introduces readers to a Native American wild rice harvest dinner, a Scandinavian summer's end crayfish party, and a Hmong Southeast Asian New Year's Eve buffet. Next the book moves to the river's middle region, from Hannibal to New Madrid, featuring a dinner to honor the man most associated with the Mississippi--Mark Twain. Recipes are supplied for imaginative menus for such occasions as a St. Louis Italian spread featuring the city's famous toasted ravioli, a farmer's market lunch, and an Arkansas farm supper influenced by the vast farmlands on both sides of the Mississippi. The lower region, from Beale Street to the Bayous of the Gulf of Mexico, gives an insight into the author's river roots in Natchez. Included are biscuits, shrimp, smoked tomatoes over creamy grits, a New Orleans-style Reveillon dinner, and a blessing of the fleet dinner inspired by the Vietnamese fisherman who shrimp at the mouth of the river. Scattered throughout are intriguing sidebars on such topics as how the paddlewheel steamboat came to ply the waters of the Mississippi, the traditional canoe method of harvesting Minnesota wild rice, and the 3,000 mile River Road lining the waterway. Throughout are stunning photographs of local scenery, dishes, and ingredients taken by renowned photographer Ben Fink on the magnificent American Queen riverboat and at farms, historic homes, and towns along the length of the river.

Confessions of a Southern Beauty Queen Julie Hines Mabus, 2022-05-16 In the late 1960s, Patsy Channing, a stunningly beautiful young woman, was suspended from the venerable Mississippi State College for Women for breach of conduct. The resulting scandal reached all the way to the Columbus courthouse, and the press ate it up. But Patsy's story starts long before that, living with a preoccupied and troubled mother in Memphis, Tennessee. As Patsy grows up, she buries the memories of her unspeakable childhood trauma and is determined to have a normal life. Music becomes her ticket out and a vehicle for the one thing she covets most--a chance to be crowned Miss America. In *Confessions of a Southern Beauty Queen*, Julie Hines Mabus provides a peek into that world--a world struggling through the civil rights movement, reeling from the death of JFK, and cutting loose with the musical innovations from Memphis and Detroit. Patsy develops a close friendship with a guitarist at Stax Recording Studio, giving her firsthand exposure to the early Memphis Soul Sound created by such greats as Otis Redding, Isaac Hayes, and Sam & Dave. *Confessions of a*

The River Queen Mary Morris,2013-05-03 This story of a middle-aged woman's odyssey down the Mississippi River is a funny, beautifully written, and poignant tale of a journey that transforms a life In fall 2005 acclaimed travel writer Mary Morris set off down the Mississippi in a battered old houseboat called the River Queen, with two river rats named Tom and Jerry—and a rat terrier, named Samantha Jean, who hated her. It was a time of emotional turmoil for Morris. Her father had just died; her daughter was leaving home; life was changing all around her. It was then she decided to return to the Midwest where she was from, to the river she remembered, where her father had played jazz piano in tiny towns. Morris describes living like a pirate and surviving a tornado. Because of Katrina, oil prices, and drought, the river was often empty—a ghost river—and Morris experienced it as Joliet and Marquette had four hundred years earlier. As she learned to pilot her beloved River Queen without running aground and made peace with Samantha Jean, Morris got her groove back, reconnecting to her past. More important, she came away with her best book, a bittersweet travel tale told in the very real voice of a smart, sad, funny, gutsy, and absolutely appealing woman.
