Straying Molly McCloskey,2018-02-20 “A memoir-vivid portrait of a vertiginous affair” (Vogue) for readers of Jenny Offill, Garth Greenwell, and Anne Enright, an unforgettable novel about a young American expat who settles in Ireland, marries, and lives through the consequences of an affair—by “an extravagantly gifted writer” (Rachel Cusk). In this “humane and lucid novel” (The New York Times), Alice, a young American, arrives in the West of Ireland with no plans and no strong attachments. She meets and falls in love with an Irishman, quickly marries him, and settles down in a place whose customs are unfamiliar. And then, in the course of a single hot summer, she embarks on an affair that breaks her marriage and sets her life on a new course. Years later, in the immediate aftermath of her beloved mother's death, Alice, having worked in war zones around the world, finds herself back in Ireland, contemplating the forces that led her to put down roots and then tear them up again. What drew her to her husband, and what pulled her away? Was her husband strangely complicit in the affair? Was she always under surveillance by friends and neighbors who knew more than they let on? “Short, intense, and emotionally precise” (Star Tribune, Minneapolis), *Straying* is at once a “ferociously well written” (The Guardian) account of passion and ambivalence and an exquisite rumination on the things that matter most.

The McAvoy Sisters Book of Secrets Molly Fader,2019-07-16 “The talented Molly Fader will keep you turning the pages right down to the oh-so-satisfying final twist.” —Susan Wiggs, New York Times bestselling author What drove their family apart just might bring them back together... It's been seventeen years since the tragic summer the McAvoy sisters fell apart. Lindy, the wild one, left home, carved out a new life in the city and never looked back. Delia, the sister who stayed, became a mother herself, raising her daughters and running the family shop in their small Ohio hometown on the shores of Lake Erie. But now, with their mother's ailing health and a rebellious teenager to rein in, Delia has no choice but to welcome Lindy home. As the two sisters try to put their family back in order, they finally have the chance to reclaim what's been lost over the years: for Delia, professional dreams and a happy marriage, and for Lindy, a sense of home and an old flame—and best of all, each other. But when one turbulent night leads to a shocking revelation, the women must face the past they've avoided for a decade. And there's nothing like an old secret to bring the McAvoy women back together and stronger than ever. With warm affection and wry wit, Molly Fader's *The McAvoy Sisters Book of Secrets* is about the ties that bind family and the power of secrets to hold us back or set us free.

The Late, Lamented Molly Marx Sally Koslow,2010-06-08 The circumstances of Molly Marx's death may be suspicious, but she hasn't lost her joie de vivre. The Melting of Molly Maria Thompson Daviess,2015-03-26 [...]for the emptiness of not having a baby of my own. And he's very congenial, too, for he's slim and flowery, pink and dimply, and as mannish as his father, in funny little flashes. Git a stick to punch it, Molly, he was murmuring in his sleep. Then I heard the doctor call me and I had to kiss him, put him back in his bed, and go across the hall. Time After Time Molly Keane,2013-05-23 Durraghglass is a beautiful mansion in Southern Ireland, now crumbling in neglect. The time is the present - a present that churns with the bizarre passions of its owners' past. The Swifts - three sisters of marked eccentricity, defiantly christened April, May and Baby June, and their only brother, one-eyed Jasper - have little in common, save vivid memories of darling Mummy, and a long lost youth peculiarly prone to acts of treachery. Into their world comes Cousin Leda from Vienna, a visitor from the past, blind but beguiling - a thrilling guest. But within days, the lifestyle of the Swifts has been dramatically overturned - and desires, dormant for so long, flame fierce and bright as ever.

Ten Beautiful Things Molly Beth Griffin,2021-01-12 A heartfelt story of changing perspectives, set in the Midwest. *Ten Beautiful Things* gently explores loss, a new home, and finding beauty wherever you are. Lily and her grandmother search for ten beautiful things as they take a long car ride to Iowa and Lily's new home with Gran. At first, Lily sees nothing beautiful in the April slush and cloudy sky. Soon though, Lily can see beauty in unexpected places, from the smell of spring mud to a cloud shaped like a swan to a dilapidated barn. A furious rainstorm mirrors Lily's anxiety, but as it clears Lily discovers the tenth beautiful thing: Lily and Gran and their love for each other. *Ten Beautiful Things* leaves the exact cause of Lily's move ambiguous, making it perfect for anyone helping a child navigate change, whether it be the loss of a parent, entering or leaving a foster home, or moving.

Peachy Flippin' Keen Molly Harper,2018-04-09 A prank war erupts in Lake Sackett, Georgia and coroner Frankie McCready has to turn to the gorgeous but surly new sheriff for help in Molly Harper's newest Southern Eclectic novella, perfect for fans of Kristan Higgins and Amy E. Reichert. The McCready Family Funeral Home and Bait Shop has crickets running rampant in the store and hot sauce in the Snack Shack's ketchup bottles. But as the county coroner, Frankie has enough on her plate without worrying about the increasingly mean pranks being played at her family's business. And the arrival of Sheriff Eric Linden, both devastatingly attractive and

painfully taciturn, is enough to push her over the edge. Linden, who didn't seem to get the memo about men in uniform and Southern charm, is condescending and cold, revealing absolutely nothing about his past as an Atlanta police officer, while also making Frankie's job as coroner as difficult as possible. And with the town's Fourth of July celebration coming up, it's essential for McCready's to be cricket-free and in good working order. Strangling the sheriff will make her job even harder. Can Frankie hold off the threats to preserve her own sanity? With her trademark "clever humor, snark, silliness, and endearing protagonists" (Booklist), Molly Harper invites fans to return to the family they first met in Sweet Tea and Sympathy. Y'all sit down and stay a while, won't you?

Wonder Woman Joan Ormrod,2020-02-20 Wonder Woman was created in the early 1940s as a paragon of female empowerment and beauty and her near eighty-year history has included seismic socio-cultural changes. In this book, Joan Ormrod analyses key moments in the superheroine's career and views them through the prism of the female body. This book explores how Wonder Woman's body has changed over the years as her mission has shifted from being an ambassador for peace and love to the greatest warrior in the DC transmedia universe, as she's reflected increasing technological sophistication, globalisation and women's changing roles and ambitions. Wonder Woman's physical form, Ormrod argues, is both an articulation of female potential and attempts to constrain it. Her body has always been an amalgamation of the feminine ideal in popular culture and wider socio-cultural debate, from Betty Grable to the 1960s 'mod' girl, to the Iron Maiden of the 1980s.
