**A Giacometti Portrait** James Lord, 1980-07 When we look at a painting hanging on an art gallery wall, we see only what the artist has chosen to disclose--the finished work of art. What remains mysterious is the process of creation itself--the making of the work of art. Everyone who has looked at paintings has wondered about this, and numerous efforts have been made to discover and depict the creative method of important artists. A Giacometti Portrait is a picture of one of the century's greatest artists at work. James Lord sat for eighteen days while his friend Alberto Giacometti did his portrait in oil. The artist painted, and the model recorded the sittings and took photographs of the work in its various stages. What emerged was an illumination of what it is to be an artist and what it was to be Giacometti--a portrait in prose of the man and his art. A work of great literary distinction, A Giacometti Portrait is, above all, a subtle and important evocation of a great artist.

**Her Next Chapter** Lori Day, Charlotte Kugler, 2014-05-01 Mother-daughter book clubs are a great way to encourage reading, bonding, and socializing among mothers, daughters, and their friends. But these clubs can do more than that, suggests educational psychologist and parenting coach Lori Day. They can create a safe and empowering haven where girls can freely discuss and navigate issues surrounding girlhood. In *Her Next Chapter*, Day draws from experiences in her own club and her expertise as an educator to offer a timely and inspiring take on mother-daughter book clubs. She provides overviews of eight of the biggest challenges facing girls today, such as negative body image, bullying, gender stereotypes, media sexualization, unhealthy relationships, and more, while weaving in carefully chosen book, movie, and media recommendations; thoughtful discussion questions; and group activities and outings that extend and enrich conversations and make clubs fun. *Her Next Chapter* outlines how mothers can use the magic of books to build girls' confidence and sense of possibility as leaders, allies, and agents of change. A list of further resources and reflections and observations from Day's now-adult daughter, Charlotte, round out this indispensable resource for anyone who cares about, teaches, or works with girls.
