Monty Python Speaks, Revised and Updated Edition David Morgan,2019-01-08 With a Foreword by John Oliver, host of Last Week Tonight In celebration of the 50th anniversary of its BBC debut, a revised and updated edition of the complete oral history of Monty Python—an insightful, in-depth portrait of the brilliant and hysterically funny show that transformed modern comedy. Broadcast by the BBC between 1969 and 1974, Monty Python's Flying Circus introduced something completely different: a new brand of surrealistic, stream-of-consciousness comedy that pushed the traditional boundaries of format, style, and content. Blending brilliant satire with slapstick silliness, The Pythons—Graham Chapman, John Cleese, Terry Gilliam, Eric Idle, Terry Jones and Michael Palin—spoke to a generation eager to break free of the conventional. Making their way across the Atlantic and the world, the Pythons' zany approach to comedy would have a monumental influence on modern popular culture, paving the way for farcical entertainment from Saturday Night Live to The Simpsons to Austin Powers. In Monty Python Speaks, David Morgan has collected interviews with Monty Python's founding members, actors, producers, and other collaborators to produce a no-holds-barred look at the Pythons' legendary sketches and films, including Monty Python's Life of Brian, Monty Python and the Holy Grail (the inspiration for the hit Broadway musical Spamalot), and The

Meaning of Life. Featuring four new chapters that focus on the group's oeuvre since the first edition's publication twenty years ago, as well as a new foreword and updated resources, Monty Python Speaks offers a fascinating peek behind the scenes of the Pythons' creative process—including the friendships and feuds—that catapulted a comedy revolution.

<u>Monty Python</u> Richard Topping,2014-03-03 Have you ever wanted to be a lumberjack? Had trouble with a dead parrot? Or gone for a silly walk? The Pythons' Autobiography By The Pythons Graham Chapman (Estate),John Cleese,Terry Gilliam,Eric Idle,Terry Jones,Michael Palin,Bob McCabe,2014-07-17 This is the definitive, the official, the most lavish, the completely-different-to-anything-done-before Pythons' autobiography, reissued to coincide with the eagerly-anticipated live shows. Over forty years ago, a group of five Englishmen - and one wayward American - rewrote the rules of comedy. MONTY PYTHON'S FLYING CIRCUS, an unheralded, previously unseen half-hour show of sketches, hilarities, inanities and animations, first appeared on the BBC late one night in 1969. Its impact has been felt on the world ever since. From its humble beginnings, it blossomed into the most influential movement in modern comedy. THE PYTHONS' AUTOBIOGRAPHY BY THE PYTHONS is a unique look at arguably the most important comic team of the modern age, with 64 pages of photographs, many culled from the team's own personal

collections, many more seen for the first time. This is the definitive word on all things Pythonesque.

Monty Python's Big Red Book Graham Chapman,2019-07-25 October 2019 marks the fiftieth anniversary of the first broadcast of Monty Python's Flying Circus on BBC Television. This humorous book contains zany writing and illustrations used by Monty Python. Graham Chapman's education and vocational training occurred variously in such places as the Midlands, Eton, the University of Cambridge, St Swithin's Hospital, on tour in a revue with John Cleese in New Zealand and on the island of Ibiza with David Frost. He was the author of A Liar's Autobiography and he also wrote for Monty Python's Flying Circus and the TV show Doctor in the House. Graham Chapman died in 1989. John Cleese was educated at the University of Cambridge where he performed in Footlights and then went to work in London as a performer and as a comedy writer for the BBC. Besides his work with Python he is best known for his TV series Fawlty Towers (co-written with Connie Booth), the books he has written with psychologist Robin Skinner and films such as Clockwise, A Fish Called Wanda and Fierce Creatures. Eric Idle was educated at the University of Cambridge where he joined the Footlights Club becoming president of the club in 1965. He created and acted in The Rutles and has appeared in numerous films including The Adventures of Baron Munchausen and wrote the book, and co-wrote the lyrics, for the award-winning musical Spamalot (based on Monty Python & The Holy Grail). Educated at the University of Oxford, Terry Jones worked in theatre, and wrote revues and scripts for the BBC before becoming one of the creators of Monty Python. He has written many books for children and is

also the author (with other scholars) of Who Murdered Chaucer? and a study of Chaucer's Knight. He has directed such films as Personal Services, Erik the Viking and The Wind in the Willows, along with all the Python films. Michael Palin was born in Sheffield in 1943 and lives with his wife Helen in North London. His adventures around the world have been huge bestsellers. His books (all of which have accompanied his documentaries for the BBC) include Around the World in 80 Days, Pole to Pole, Full Circle, Sahara and Himalaya. His films have included The Missionary and A Private Function. As part of the Monty Python team, Terry Gilliam produced the series' bizarre animations as well as performing. His subsequent career has encompassed animation and film-making, and he has directed films including The Adventures of Baron Munchausen, Brazil, Twelve Monkeys and Fear and Loathing in Las Vegas.

Monty Python's Flying Circus Darl Larsen,2008 In 1969, the BBC aired the first episode of a new comedy series titled Monty Python's Flying Circus, and the rest, as they say, is history. An instant success, the show ran until 1974, producing a total of 45 episodes. Despite the show's very English humor and allusions to many things British, the series developed a cult following outside the U.K., particularly in the United States. Known for its outrageous humor, occasionally controversial content, and often silly spirit, Monty Python's Flying Circus poked fun at nearly all institutions--domestic or foreign, grand or intimate, sacred or not. Indeed, many of the allusions and references in the program were uniquely British and routinely obscure, and therefore, not always understood or even noticed outside the British Isles. This exhaustive reference identifies and explains the plethora of cultural, historical, and topical allusions of this landmark series. In this resource, virtually every allusion and

reference that appeared in an episode--whether stated by a character, depicted in the mise-en-scene, or mentioned in the printed scripts--is identified and explained. Organized chronologically by episode, each entry is listed alphabetically, indicates what sketch it appeared in, and is cross-referenced between episodes. Entries cover literary and metaphoric allusions, symbolisms, names, peoples, and places; as well as the myriad social, cultural, and historical elements (photos, songs, slogans, caricatures) that populate and inform these episodes. Entries Include: -Arabella Plunkett -Group of famous characters from famous paintings -Hell's Grannies -HRH The Dummy Princess Margaret -Kandinsky -On the Dad's Liver Bachelors at Large -Raymond Baxter type -Scun -Spanish Inquisition -Third Parachute Brigade Amateur Dramatic Society -total cashectomy -Two-Sheds -Umbonga's hostile opening -Vicar sitting thin and unhappy in a pot -What's all this then?
