Thanking the Moon: Celebrating the Mid-Autumn Moon Festival Grace Lin, 2022-07-05 This simple, young, and satisfying story follows a Chinese American family as they celebrate the Mid-Autumn Moon Festival. Each member of the family lends a hand as they prepare a moonlit picnic with mooncakes, pomelos, cups of tea, and colorful lanterns. And everyone sends thanks and a secret wish up to the moon. Grace Lin's luminous and gloriously patterned artwork is perfect for this holiday tale. Her story is simple—tailor-made for reading aloud to young children. And she includes an informative author's note with further details on the customs and traditions of the Moon Festival for parents and teachers. The Moon Festival is one of the most important holidays of the year along with the Lunar New Year, so this book makes an excellent companion to Grace Lin's *Bringing In the New Year*, which features the same family.

The Shadow in the Moon Christina Matula, 2018-07-17 A unique blend of traditional folklore and contemporary customs brings the Chinese Mid-Autumn Festival to life. Two sisters and their grandmother celebrate a popular Chinese holiday with family. Their favorite part? Mooncakes, of course--along with Ah-ma's story of the ancient Chinese tale of Hou Yi, a brave young archer, and his wife, Chang'E. A long, long time ago, Hou Yi rescued the earth from the heat of ten suns. The Immortals rewarded him with a magic potion that could let him live in the sky with them forever. But when a thief tries to steal the potion, what will Chang'E do to keep it out of dangerous hands? The sisters are mesmerized by Ah-ma's retelling and the fact that the very mooncakes they enjoy each holiday are a symbol of this legend's bravest soul.
