Kasher in the Rye Moshe Kasher, 2012-03-28 “The finest, most moving and powerful memoir I have ever read.”—MAYIM BIALIK

Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But *Kasher in the Rye* is not an eye opener to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland, California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control-his mother walked him around on a leash, which he chewed through and ran away. Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.

Subculture Vulture Moshe Kasher, 2024-01-30 A “hilarious” (Dax Shepard), “surprisingly emotional trip” (The Chainsmokers) through deep American subcultures ranging from Burning Man to Alcoholics Anonymous, by the writer and comedian Moshe Kasher “Moshe Kasher has the rare gift to simultaneously celebrate a community while also making fun of it. His writing succinctly captures the insanity, the joy, the ridiculousness, and the radical act of fully embracing these worlds.”—Nick Kroll After bottoming out, being institutionalized, and getting sober all by the tender age of fifteen, Moshe Kasher found himself asking: “What’s next?” Over the ensuing decades, he discovered the answer: a lot. There was his time as a boy-king of Alcoholics Anonymous, a kind of pubescent proselytizer for other teens getting and staying sober. He was a rave promoter turned DJ turned sober ecstasy dealer in San Francisco’s techno warehouse party scene of the 1990s. For

fifteen years he worked as a psychedelic security guard at Burning Man, fishing hippies out of hidden chambers they'd constructed to try to sneak into the event. As a child of deaf parents, Kasher became deeply immersed in deaf culture and sign language interpretation, translating everything from end-of-life care to horny deaf clients' attempts to hire sex workers. He reconnects and tries to make peace with his ultra-Hasidic Jewish upbringing after the death of his father before finally settling into the comedy scene where he now makes his living. Each of these scenes gets a gonzo historiographical rundown before Kasher enters the narrative and tells the story of the lives he has spent careening from one to the next. A razor-sharp, gut-wrenchingly funny, and surprisingly moving tour of some of the most wildly distinct subcultures a person can experience, *Subculture Vulture* deftly weaves together memoir and propulsive cultural history. It's a story of finding your people, over and over again, in different settings, and of knowing without a doubt that wherever you are is where you're supposed to be.

How to Be an Adult in Love David Richo, 2014-01-07 We were made to love and be loved. Loving ourselves and others is in

our genetic code. It's nothing other than the purpose of our lives—but knowing that doesn't make it easy to do. We may find it a challenge to love ourselves. We may have a hard time letting love in from others. We're often afraid of getting hurt. It is also sometimes scary for us to share love with those around us—and love that isn't shared leaves us feeling flat and unfulfilled. David Richo provides the tools here for learning how to love in evolved adult ways—beginning with getting past the barriers that keep us from loving ourselves, then showing how we can learn to open to love others. He provides wisdom from Buddhism, psychology, and a range of spiritual traditions, along with a wealth of practices both for avoiding the pitfalls that can occur in love relationships and for enhancing the way love shows up in our lives. He then leads us on to love's inevitable outcome: developing a heart that loves universally and indiscriminately. This transcendent and unconditional love isn't just for a heroic few, Dave shows, it's everyone's magnificent calling.

Oy! Oy! Oy! The Teacher Is a Goy Henry

Saltzman, 2020-11-12 The year is 1953 and Henry Saltzman, an Americanized Jew looking for his first job as a high school English teacher, unexpectedly finds himself confronting a roomful of intense, hyperactive ten-year-old boys in a Hasidic Brooklyn yeshiva. The assimilated Saltzman is profoundly challenged by their prejudices and fears about the world outside their close-knit religious community and vows to help them become not just good Jews, but good Americans. In the process, like any good teacher, he learns from them as well. Based on the author's own experience, this charming novel takes us inside the alien world of Hasidic Judaism with humor, warmth, and deep affection.

Grand Sara Schaefer, 2021-05-25 When Sara Schaefer is in first grade, her father warns to always tell the truth because one lie leads to another and soon you will find yourself in a hole you can't escape. A few years later, the Schaefer family is completely upended when it's revealed that their grand life is based on a lie. Her parents become pariahs in their upper middle class community and go from non-religious people to devout church members. The idea of good and evil as binary, opposed forces is drilled into Sara and it becomes the perfect framework on which

to build her anxiety and increasingly-obsessive thoughts. The year she turns forty, Sara decides to take each member of her family on a one-on-one vacation culminating with a whitewater rafting journey through the Grand Canyon with her younger sister. The only problem: Sara is she's terrified of rafting. As they embark on this once-in-a-lifetime adventure, Sara tows her grief, impostor syndrome, and gallon-size bottle of sunscreen through the Colorado River, resulting in an unlikely epiphany at the ends of the earth.--Back cover.

Inferno Catherine Cho,2020-08-04 A New York Times Book Review Editors' Choice Inferno is a disturbing and masterfully told memoir, but it's also an important one that pushes back against powerful taboos. . . --The New York Times Book Review Explosive --Good Morning America Sublime --Bookpage (starred review) When Catherine Cho and her husband set off from London to introduce their newborn son to family scattered across the United States, she could not have imagined what lay in store. Before the trip's end, she develops psychosis, a complete break from reality, which causes her to lose all sense of time and place,

including what is real and not real. In desperation, her husband admits her to a nearby psychiatric hospital, where she begins the hard work of rebuilding her identity. In this unwaveringly honest, insightful, and often shocking memoir Catherine reconstructs her sense of self, starting with her childhood as the daughter of Korean immigrants, moving through a traumatic past relationship, and on to the early years of her courtship with and marriage to her husband, James. She masterfully interweaves these parts of her past with a vivid, immediate recounting of the days she spent in the ward. The result is a powerful exploration of psychosis and motherhood, at once intensely personal, yet holding within it a universal experience – of how we love, live and understand ourselves in relation to each other.

Life of the Party Bert Kreischer, 2014-05-27 A collection of outrageous stories by the standup comic, TV host, and inspiration for the movie National Lampoon's Van Wilder Bert Kreischer doesn't know how to say no. If he did, he wouldn't have gotten himself mixed up with a group of Russian mobsters on a class trip to Moscow, earning him his nickname: The Machine. He wouldn't have wrestled with a bear or swum with sharks on national television. He wouldn't have (possibly) smoked PCP with a star of Saturday Night Live. And he wouldn't have been named the Number One Partier in the Nation by Rolling Stone, inspired the movie National Lampoon's Van Wilder, or performed standup to sellout crowds across the country. The stories Kreischer shares in *Life of the Party* are a guidebook on how not to grow up. From his fraternity days at Florida State University, to his rise as a standup, to his marriage and first brushes with fatherhood, Kreischer shows you a path that may not lead you to maturity or personal growth. But it will lead you to a shitload of fun.

Conversations Steve Reich, 2022-03-08 A surprising, enlightening series of conversations that shed new light on the music and career of “our greatest living composer” (New York Times) Steve Reich is a living legend in the world of

contemporary classical music. As a leader of the minimalist movement in the 1960s, his works have become central to the musical landscape worldwide, influencing generations of younger musicians, choreographers and visual artists. He has explored non-Western music and American vernacular music from jazz to rock, as well as groundbreaking music and video pieces. He toured the world with his own ensemble and his compositions are performed internationally by major orchestras and ensembles. Now Reich speaks with collaborators, fellow composers and musicians as well as visual artists influenced by his work to reflect on his prolific career as a composer as well as the music that inspired him and that has been inspired by him, including: David Lang Brian Eno Richard Serra Michael Gordon Michael Tilson Thomas Russell Hartenberger Robert Hurwitz Stephen Sondheim Jonny Greenwood David Harrington Elizabeth Lim-Dutton David Robertson Micaela Haslam Anne Teresa de Keersmaeker Julia Wolfe Nico Muhly Beryl Korot Colin Currie Brad Lubman Through this series of insightful, wide-ranging conversations starting from his student days to the present pandemic, we gain a compelling glimpse into the mind of “the most original musical thinker of our time” (The New Yorker).

As Needed for Pain Dan Peres, 2020-02-11 In the vein of Mary Karr’s *Lit*, Augusten Burroughs’ *Dry* and Sarah Hepola’s *Blackout*, *As Needed for Pain* is a raw and riveting—and often wryly funny—addiction memoir from one of New York media’s most accomplished editors which explores his never-before-told story of opioid addiction and the drastic impact it had on his life and career. Dan Peres wasn’t born to be a media insider. As an awkward, magic-obsessed adolescent, nothing was further from his reality than the catwalks of Paris or the hallways of glossy magazine publishers. A gifted writer and shrewd cultural observer, Peres eventually took the leap—even when it meant he had to fake a sense of belonging in a new world of famed fashion designers, celebrities, and some of media’s biggest names. But he

had a secret: opiates. Peres's career as an editor at *W* magazine and *Details* is well known, but little is known about his private life as a high-functioning drug addict. In *As Needed for Pain*, Peres lays bare for the first time the extent of his drug use—at one point a 60-pill-a-day habit. By turns humorous and gripping, Peres's story is a cautionary coming-of-age tale filled with unforgettable characters and breathtaking brushes with disaster. But the heart of the book is his journey from outsider to insecure insider, what it took to get him there, and how he found his way back from a killing addiction. *As Needed for Pain* offers a rare glimpse into New York media's past—a time when print magazines mattered—and a rarefied world of wealth, power, and influence. It is also a brilliant, shocking dissection of a life teetering on the edge of destruction, and what it took to pull back from the brink.

Joshua Andrew Kane, 2015-02-26 Joshua Eubanks and Paul Sims moved to Crown Heights, Brooklyn, for very different reasons. Joshua, a young black man, came with his single mother to escape the crime and despair of Bedford-Stuyvesant. Paul left his life of privilege in Long Island to study Judaism with the Hasidic Lubavitch movement. They live in two different worlds separated by a few city blocks, but their hearts both yearn for Rachel Weissman, the daughter of a respected rabbi, who is torn between her aspiration to become a doctor and her obligation to obey the insular restrictions of her religion. As they establish lives in their respective communities, they are increasingly expected to take sides in growing tensions that would explode into the 1991 Crown Heights riots. *Joshua: A Brooklyn Tale* views four decades through three lives. Andrew Kane's novel is a love story about loneliness, a reflection on the value of community that acknowledges that it takes a village to raise a mob, a tale of public dysfunction and personal demons, and an image of the frail beauty of humanity that somehow survives.

God, If You're Not Up There, I'm F*cked Darrell Hammond, 2011-11-08 As seen in Netflix's *Cracked Up*: The

Darrell Hammond Story, this groundbreaking memoir is a raw look inside the troubled life and mind of an American comic genius. By turns poignant and hilarious, Hammond takes readers from the set of Saturday Night Live, where he was the show's longest-tenured cast member, to the drug-ridden streets of Harlem and into the twisting corridors of his own unflinchingly humorous consciousness. Mingling behind-the-scenes stories from television's best-loved comedy series with a dark look inside a world-class funnyman, *God If You're Not Up There, I'm F*cked* is a book sure to resonate with anyone who shares a talent for performance, a love of comedy, or a desire to know how an artist can climb from the deepest despair to the very top of his profession.

In My Mind's Eye: A Thought Diary Jan Morris, 2019-01-01 Riffing on cats and Brexit, the Royals and the annoyances of aging, the nonagenarian Jan Morris delights with her wickedly hilarious first-ever diary collection. Celebrated as the "greatest descriptive writer of her time" (Rebecca West), Jan Morris has been dazzling readers since she burst on the scene with her on-the-spot reportage of the first ascent of Everest in 1953. Now, the beloved ninety-two-year-old, author of classics such as *Venice* and *Trieste*, embarks on an entirely new literary enterprise—a collection of daily diaries, penned over the course of a single year. Ranging widely from the idyllic confines of her North Wales home, Morris offers diverse sallies on her preferred form of exercises (walking briskly), her frustration at not recognizing a certain melody humming in her head (Beethoven's *Pathétique*, incidentally), her nostalgia for small-town America, as well as intimate glimpses into her home life. With insightful quips on world issues, including Britain's "special relationship" with the United States and the #MeToo movement, *In My Mind's Eye* will charm old and new Jan Morris fans alike.

Swimming Back to Trout River Linda Rui Feng, 2021-05-11 A "beautifully written, poignant exploration of family, art, culture,

immigration...and love" (Jean Kwok, author of *Searching for Sylvie Lee* and *Girl in Translation*) set against the backdrop of China's Cultural Revolution that follows a father's quest to reunite his family before his precocious daughter's momentous birthday, which Garth Greenwell calls "one of the most beautiful debuts I've read in years." How many times in life can we start over without losing ourselves? In the summer of 1986, in a small Chinese village, ten-year-old Junie receives a momentous letter from her parents, who had left for America years ago: her father promises to return home and collect her by her twelfth birthday. But Junie's growing determination to stay put in the idyllic countryside with her beloved grandparents threatens to derail her family's shared future. Junie doesn't know that her parents, Momo and Cassia, are newly estranged from one another in their adopted country, each holding close private tragedies and histories from the tumultuous years of their youth during China's Cultural Revolution. While Momo grapples anew with his deferred musical ambitions and dreams for Junie's future in America, Cassia finally begins to wrestle with a shocking act of brutality from years ago. For Momo to fulfill his promise, he must make one last desperate attempt to reunite all three family members before Junie's birthday—even if it means bringing painful family secrets to light. *Swimming Back to Trout River* is a "symphony of a novel" (BookPage) that weaves together the stories of Junie, Momo, Cassia, and Dawn—a talented violinist from Momo's past—while depicting their heartbreak and resilience, tenderly revealing the hope, compromises, and abiding ingenuity that make up the lives of immigrants. Feng's debut is "filled with tragedy yet touched with life-affirming passion" (Kirkus Reviews, starred review), and "Feng weaves a plot both surprising and inevitable, with not a word to spare" (Booklist, starred review).

The Comedians Kliph Nesteroff, 2015-11-03 "Funny [and] fascinating . . . If you're a comedy nerd you'll love this book."
—Pittsburgh Post-Gazette Named a Best Book of the Year by

Kirkus Reviews, National Post, and Splitsider Based on over two hundred original interviews and extensive archival research, this groundbreaking work is a narrative exploration of the way comedians have reflected, shaped, and changed American culture over the past one hundred years. Starting with the vaudeville circuit at the turn of the last century, the book introduces the first stand-up comedian—an emcee who abandoned physical shtick for straight jokes. After the repeal of Prohibition, Mafia-run supper clubs replaced speakeasies, and mobsters replaced vaudeville impresarios as the comedian's primary employer. In the 1950s, the late-night talk show brought stand-up to a wide public, while Lenny Bruce, Mort Sahl, and Jonathan Winters attacked conformity and staged a comedy rebellion in coffeehouses. From comedy's part in the civil rights movement and the social upheaval of the late 1960s, to the first comedy clubs of the 1970s and the cocaine-fueled comedy boom of the 1980s, *The Comedians* culminates with a new era of media-driven celebrity in the twenty-first century. "Entertaining and carefully documented . . . jaw-dropping anecdotes . . . This book is a real treat." —Merrill Markoe, *TheWall Street Journal*

Little Miss Little Compton Arden Myrin, 2020-09-29 Comedian and actress Arden Myrin delivers a hilarious and heartfelt memoir about navigating adulthood and her rise on the comedy scene despite an unconventional upbringing. Arden Myrin is the product of not one, but two hasty decisions. Her paternal grandparents ran off and got married twenty-four hours after they met. Arden's parents did one better -- they married on a dare. Growing up in Arden's family, her dad ate nothing but sheet cake, while her mom was busy teaching a Cub Scout troop how to put on a Broadway musical. Oh, and she grew up in a small farm town called Little Compton, Rhode Island. Human population: 3,518. Cow population: 278. General Store: One. Stop Lights: Zero. At nineteen, Arden packed her bags with stars in her eyes and landed at ImprovOlympic in Chicago, where for the first time in

her life she felt like she finally made sense. After drinking in as much comedy experience (and Sea Breezes) as she could, Arden got her big break when she was cast on an NBC sitcom. She moved to Los Angeles, knowing no one, and quickly realized she had no clue how to be a fully-grown human adult on her own. How do you date someone and not ruin it? How do you interact with people if you have a teeny bit of social anxiety? How do you stand up for yourself if you're a people pleaser? And most of all, how do you start to believe that you are enough? From small town Rhode Island to accidentally kicking Courteney Cox in the face on a soundstage in Hollywood, Arden's hilarious, inspiring, and honest story shows readers how one totally unconventional upbringing might be the very thing one needs to thrive, all while showing up as your most outrageous, authentic self. Shout out to Little Compton!! Woot Woot!!!
