Mother's Day Dennis McDougal,2015-07-01 The true story of Theresa Knorr, the twisted child abuser who murdered her daughters—with the help of her sons—told by a former New York Times reporter. In June 1985, Theresa Cross Knorr dumped her daughter Sheila's body in California's desolate High Sierra. She had beaten Sheila unconscious in their Sacramento apartment days earlier, then locked her in a closet to die. But this wasn't the first horrific crime she'd committed against her own children. The previous summer, Knorr had shot Sheila's sister Suesan, then ordered her son to dig the bullet out of the girl's back with a knife to hide the evidence. The infection that resulted led to delirium—at which point Knorr and her two sons drove Suesan into the mountains, doused her with gasoline, and set her on fire. It would be almost a decade before her youngest daughter, Terry Knorr Graves, revealed her mother's history of unfathomable violence. At first, she was met with disbelief by law enforcement and even her own therapist. But eventually, the truth about her monstrous abuse emerged—and here, an award-winning journalist details the jealousy, rage, and domineering behavior that escalated into homicide and shattered a family. A former reporter for the New York Times and Los AngelesTimes and the author of true-crime classics including *Angel of Darkness*, about serial killer Randy Kroft, and *Blood Cold*, about Robert Blake and Bonny Lee Bakley, Dennis McDougal reveals the shocking depths of depravity behind a case that made headlines across the nation.

Every Day Is Mother's Day Hilary Mantel,2010-08-31 Stephen King meets Muriel Spark in Hilary Mantel's first novel. Evelyn Axon - a medium by trade - and her half-wit daughter Muriel have become a social problem. Barricaded in their once-respectable house, they live amid festering rubbish, unhealthy smells - and secrets. They completely baffle Isabel Field, the social worker assigned to help them. But Isabel is only the most recent in a long line of people that find the Axons impossible. Meanwhile, Isabel has her own problems: a married lover, Colin. He is a history teacher to unresponsive children and father to a passel of his own horrible kids. With all this to worry about, how can Isabel even begin to understand what is going on in the Axon household? When Evelyn finally moves to defend Muriel, and Muriel, in turn, acts to protect herself, the results are by turns hilarious and terrifying.

Mother's Day Robert Haven Schauffler,1915

The Mother's Day Mice Eve Bunting,1986 With such seminal movies as *The Exorcist* and *The French Connection*, Academy Award-winning director William Friedkin secured his place as a great filmmaker. A maverick from the start, Friedkin joined other young directors who ushered in Hollywood's second Golden Age during the 1970s. Now, in his long-awaited memoir, Friedkin provides a candid portrait of an extraordinary life and career. His own success story has the makings of classic American film. He was born in Chicago, the son of Russian immigrants. Immediately after high school, he found work in the mailroom of a local television station, and patiently worked his way into the directing booth during the heyday of live TV. An award-winning documentary brought him attention as a talented new filmmaker, as well as an advocate for justice, and it caught the eye of producer David L. Wolper, who brought Friedkin to Los Angeles. There he moved from television (one of the last episodes of *The Alfred Hitchcock Hour*) to film (*The Birthday Party*, *The Boys in the Band*), displaying a versatile stylistic range. Released in 1971, *The French Connection* won five

Academy Awards, including Best Picture and Best Director, and two years later, *The Exorcist* received ten Oscar nominations and catapulted Friedkin's career to stardom. Penned by the director himself, *The Friedkin Connection* takes listeners on a journey through the numerous chance encounters and unplanned occurrences that led a young man from a poor urban neighborhood to success in one of the most competitive industries and art forms in the world. Written with the narrative drive of one of his finest films, *The Friedkin Connection* is a wonderfully engaging look at an artist and an industry that has transformed who we are ? and how we see ourselves.

What if she could try out a new mom who doesn't make her brush her teeth or comb her hair? Enlisting Mom to help her with the search, Maxine interviews various prospects to be her new mother at the park, the toy store, and the zoo. Unfortunately, these other mothers present a host of new problems and concerns. Maybe her "old mother" was the best mother of all? For every child who's ever wondered if the grass is greener, *The Best Mother* affirms that there's nothing better than your own mother's love.
