Kate Trant

At Your Own Pace Bernice Beard, 2003 Hailed by recreational vehicle industry leaders as a demystifying, real-life account, *At Your Own Pace: Traveling Your Way in Your Motorhome*, 2nd Edition, details motorhome travel from the wheels up--the questions, conflicts, and adjustments as well as the joys, excitement, and discoveries. More than a travelogue, this book (with an updated and expanded appendix) is the perfect introduction to motorhoming.

Home Away from Home Kate Trant, 2005 Using a rich wealth of visual material and stories from owners around the world, *Home Away from Home* looks at the world of camper vans and motorhomes from Airstream to Winnebago, via the ubiquitous VW bus. Lars Eriksen and Kate Trant outline the cultural and social history of the camper van and motorhome in the USA, UK and Europe, looking at a range of phenomena from surf and hippy culture, to family holidays and travel in retirement years. A range of vehicles from recent decades is presented in detail, within the context of their technical development as well as the design strategies that dictated their appearances. Whether about a pioneering spirit, large horizons and wide open spaces, economic travel or a comfortable change of scenery, what is common to camper vans and motorhomes is the need to create a 'home away from home.' This book illustrates the culture of camper van and motorhome travel by looking at the owners and their clubs, telling stories of road trips, adventures and epic voyages.

Complete Rv Buying Guide a to Z Bruce Bowers, 2017-10-19 *Complete RV Buying Guide A to Z* Budget Friendly Guide to Buying Used Motorhome If you are reading this, I can safely assume that you are interested in purchasing an RV sometime in the near future. I am also certain that you would like to know who I am and what and why I am an expert in the field of RV. Fair enough! My name is Bruce Bowers, at the time of this writing I am 68, my wife Jill is 67, we both are retired and been living our dream RV life for last 5 years. But that is not why I wanted to write this book. I started my career as a banker years ago, but in just two years I knew banking was not my cup of tea. I loved being outdoors, and somehow landed a job at an RV dealership in Austin, TX. Since then till I retired I have managed and operated multiple RV dealerships in TX, LA, and TN. I get asked these 8 questions often from people. What is the right RV for me? Is buying a used RV a good idea? Are used RV's reliable? Can buying a used RV be a money pit? What are the best and most reliable brands out there? How would I know if the used RV I am buying is mechanically safe and sound? How can I protect my investment? Where or who should I buy from? In this book, I answer these questions and cover a few more important topics that most first-time RV buyers I think should know about. I took

great care not to make this book read like an owner's manual or a technical bulletin. But I wanted this book to explain few basic rules, tips and tricks of buying the right RV the very first time. If you are thinking about buying an RV in the near future, I think I can help you decide on the right one. Just remember RV is a significant investment and you should do a lot of homework before making a decision just as you do before buying a home. Here Are Some Of The Things I Covered In This RV Buying Guide: Advantages Vs. Disadvantages Of an RV Various Types Of RV's And Motorhomes What Are Class A, B & C Type RV's Difference between Camper, Travel Trailers, Fifth wheel and Motorhomes Features And Factors Of Each Type To Consider Financial Decision Making Process Pros And Cons Of Extended Warranty Tips And Tricks To Get Best Out Of Your Warranty New RV Vs. Used RV Cost And Expenses To Consider When Buying A Used RV How And Where To Buy An Used Or New RV Most Popular And Reliable Motor Home Brands In North America How To Upgrade Your RV On A Budget (Accessories And Add-Ons) What And How To Take Proper Care And Maintenance For Your RV Various Camping Options And Campsite Ideas Feel free to look at the table of content for a full preview before hitting the Buy button, this way you will know what I covered in the book and if that is the type of information you are looking for before actually paying for it. Welcome to the exciting life of RVing, I know you will love the freedom of the open road and blue sky. Enjoy!

Motorhome Living for Beginners Jim Jackson, 2014-09-17 When you want to change your lifestyle entirely, you need to have enough motivation but you also need to have knowledge about the lifestyle that you are adopting. Many people who want to live in an RV full-time fail to find a balance in their lives which make that living pleasurable, while others can live the dream and learn to compromise on comforts for the sake of freedom. They wake up in the mornings to feel that they have breathed fresh air. They see different scenery every morning if they so wish. What you need to know before joining them is whether you're cut out for the lifestyle and what differences there are between living in a conventional home and living in an RV. This book bridges that gap in your knowledge, and although you may choose to save a fortune by staying at home, you may also choose the lesser travelled road and discover the benefits of living in an RV. Both lifestyles, either in an RV or a home, have their pros and cons. Many who choose the RV lifestyle find that adapting their lives comes naturally. It takes a unique and free spirited person to compromise on the luxuries of home living in favor of the adventurous lifestyle offered by RV living, though many do. Once you weigh the pros and cons, you can make the choice wisely, and that's what this book is all about. The book will appeal to the free spirited who seek something more than merely surviving month to month oppressed by mortgage payments and housing taxes. Both have benefits, though those who live the life they choose, rather than the life chosen for them by responsibility, find that RV life tests their personal boundaries and skills freeing up their lives to live beyond the grid. Journey with us and learn if living in an RV will suit you, and be prepared for the journey of your life.
