A Mountain Moving Faith Matthew W. Morine,2015-01-15 How will you climb to the spiritual heights God has envisioned for YOU? Mountain climbing is not for the faint of heart. It is a grueling process. You often feel like quitting, but if you persevere until you reach the summit, you earn the satisfaction of standing thousands of feet above the world. Faith is not for the faint of heart either. It requires you to make difficult choices that will dictate your actions as you strive to reach the ultimate summit. Fortunately for us, we have something climbers don't have. We have Jesus - the Rope reaching down from heaven to guide us, strengthen us and give focus to our lives. Matthew Morine uses his experience on the fourteeners of Colorado (mountains over 14,000 feet) to teach about faith. Geared specifically toward late high school and college-age students, *A Mountain Moving Faith* is sure to take your personal relationship with God to new heights.

The Strength From Within Lana Peek,2019-10-30 Have you been experiencing some really tough times in your life? You know, things that have seemed to punch you right in the gut and knocked you down. Are you looking for a way out or need a miracle? If so, reading this book may help you. This Memoir is a summation of some challenges in my life that took a considerable amount of Faith. Everyone talks about mustard seed faith (Luke 17:6), which means a little bit of Faith can accomplish much, but sometimes it takes a mountain of Faith because with only a little it leaves too much room for doubt, and that can change everything. I wrote this to encourage you to be able to face whatever giants, storms or situations that may arise in your life. There is nothing new under the sun, and even though you may feel all alone, you are not. If HE did it for me, HE can surely do it for you. I have found through my experiences that GOD truly loves us, and nothing is too hard or too big for Him to accomplish if we just trust HIM. I'm sure after reading about some of my challenging experiences you will find that your problems are not as difficult as you thought, and you can see your way through them as well. My prayer is that you find some peace and understanding for the things that you are facing. Peace and blessings to you!!

The Mountain of Silence Kyriacos C. Markides,2002-11-19 An acclaimed expert in Christian mysticism travels to a monastery high in the Trodos Mountains of Cyprus and offers a fascinating look at the Greek Orthodox approach to spirituality that will appeal to readers of Carlos Castaneda. In an engaging combination of dialogues, reflections, conversations, history, and travel information, Kyriacos C. Markides continues the exploration of a spiritual tradition and practice little known in the West he began in *Riding with the Lion*. His earlier book took readers to the isolated peninsula of Mount Athos in northern Greece and into the group of ancient monasteries. There, in what might be called a "Christian Tibet," two thousand monks and hermits practice the spiritual arts to attain a oneness with God. In his new book, Markides follows Father Maximos, one of Mount Athos's monks, to the troubled island of Cyprus. As Father Maximos establishes churches, convents, and monasteries in this deeply divided land, Markides is awakened anew to the magnificent spirituality of the Greek Orthodox Church. Images of the land and the people of Cyprus and details of its tragic history enrich the *Mountain of Silence*. Like the writings of Castaneda, the book brilliantly evokes the confluence of an inner and outer journey. The depth and richness of its spiritual message echo the thoughts and writings of Saint Francis of Assisi and other great saints of the Church as well. The result is a remarkable work—a moving, profoundly human examination of the role and the power of spirituality in a complex and confusing world.

From Crowd to Core Trevor Hamaker,2017-12-24 Help your students take their next step on the journey of faith. In this book you'll learn: *The three kinds of students in your ministry, and what each one really needs. * How to help students climb the mountain of faith. * How to create a program that keeps students coming back. * Five barriers that keep students from faith. * Why small groups are an essential part of your ministry. * What to do with your student leaders. * How to evaluate your ministry and start making real progress.

The Power of Faith Can Move Mountains J. Martin, Reverend, 2017-06-21 - Improve your health and well-being. - Remove the problems from your life - Increase the power of your faith In life, day-to-day problems come to us all, but if our faith is weak, even small problems can quickly grow to appear bigger than they really are. Doubt and worry are the most destructive forms of fear; they can cloud our vision blinding us from the truth. A mountain of doubt can cripple your life. Like a rabbit in headlights, you close your eyes and freeze, hoping the problem will go away when you have opened them. When it remains, you can be left dazed and confused not knowing what way to turn. All rational thought goes out the window. In a panic to get things back to the way they were; you can make all the wrong decisions. No one likes change, but it is much easier when you come from a place of strength; when it originates from a place of faith and not fear. Faith is like a muscle; like any muscle, it needs to be consistently exercised to have maximum power. When all is going smoothly, our faith can be easily neglected, although this is the time that we must use to maintain its strength. If you were asked to run a marathon tomorrow, unless you had put in the training, you might not even reach the half way point. How then can you expect to have the faith to remove the problems from your life if you do not first develop a level of faith that can do so? Faith is something that needs constant attention or thoughts of doubt will set in. In this book, I will share with you methods to increase your faith, and keep it at its highest level; so you are prepared for any problem or difficulty that may arise. When you nurture your faith, you will begin to see your life change in unusual ways. Things that once held you back will soon fade away. A simple change of perspective can make a mountain become level ground. Change your life today; increase the power within.

Faith in the Mountain Valley Misty M. Beller, 2020-11-24 This epic journey is the only way to leave her secrets behind. After eleven years spent looking for the girl who stole his heart, Jean-Jacques Baptiste—better known as French to his friends—is tempted to give up. Until the day he spotted the flaxen-haired stranger traveling the wooded path with Blackfoot Indians. He never imagined he'd find his childhood friend masquerading as a man in this Rocky Mountain wilderness, hundreds of miles from the Canadian town where he last saw her. No matter her reasons, he can't let her go this time. Colette Mignon's life has become a cacophony of lies, including the fact that her Blackfoot Indian companions believe she's a man. She's willing to live the taxing life of a trapper in these desolate mountains as long as it keeps her secrets hidden. When her childhood friend and first love discovers her, his determination to help might put everything at risk. As the worst of her past threatens to catch up with her, the hope for Colette's new life shatters. But no matter what, she must protect the one good thing that came from all her mistakes. Though French is determined to stay at her side, she can't let him become entangled in the perilous consequences of her actions. If only it wasn't so painful to push him away. The danger pressing in may leave her only one choice—leave everything behind...again. From a USA Today bestselling author comes another epic journey through breathless landscapes and adventure so intense, lives will never be the same.

The Faith That Moves Mountains Arisnel Mesidor, 2017-08-21 The Faith That Moves Mountains: How to Have It, How to Use It, and How to Protect It is a Christian nonfiction book consisting of a theological reflection on Mark 11:20-25. If you feel like you have a huge and intimidating mountain standing in front of you, if you feel like a huge wall prevents you from entering into your promised land, if you are currently facing a situation where you feel blocked from realizing your full potential and fulfilling your God-given destiny, this book is written for you. The purpose of the book is to reassure you that God has not forgotten you, even if it feels like so at times. That you have found yourself in precarious situations at one point or another in your life is not a result of God's indifference toward you. This book reminds you that even before God brought you into this world, he made provisions in order for you to be able to deal with such circumstances. You must never lose sight of the fact that God loves you and his plan is not for the mountains of life to remain in your way forever without you being able to do something about it. In this book, I will teach you about the nature of the faith that moves mountains. I will try to explain the nature of that faith how to have it, how to use it, and how to protect it. I want you to realize that you don't always have to put up with things that prevent you from moving forward in your life and toward your God-given destiny. I

encourage you to keep this in mind: not knowing whether or not something negative is happening to you is part of how God is working in your life. You need to pray and make your desire known to God. As God's servant, you never need to hide your frustration from him and shy away from letting the one who loves you know what you need. My prayer is that, after realizing how powerful faith in God is, you may put yours into good use. God did not put us in this world without carefully equipping us for every challenge we would face. God has not created us either as simple tools he can use whenever or for whatever he wants. Rather, God has made us acting beings able to do things and in fact the things which he himself does. God created us in his image and has made us his associates in looking after everything he created. Discover the power of faith in God, and triumph over the mountains of life.

More Than a Mountain Lori Schneider, Jeff Rennie, Monique Giroux, 2012-12-13 "The 2011 Leap of Faith: Mount Kilimanjaro expedition paired 14 climbers who had either multiple sclerosis or Parkinson's disease with 14 companion climbers. As with other expeditions, the summit loomed large in the hopes and dreams of the climbers. In the end, 21 of the 28 Leap of Faith team members would indeed make it to the top. But for all the men and woman on this trip, the climb had a higher purpose: to carry the light of hope and a message of strength to the highest reaches of both our planet and the human spirit. These are their stories—stories of fear and pain, of the courage to dig deep into that well of strength that lies within us all, and the willingness to try and try again, even in the face of insurmountable odds. Here are stories of shared joy and faith, stories of people who are more than climbers, on a climb of a peak that was more than a mountain, on an expedition that was more than a climbing journey. Here are the stories of a Leap of Faith." - EXCERPT BY JEFF RENNIE, 2011 LEAP OF FAITH: MOUNT KILIMANJARO EXPEDITION PHOTOGRAPHER "Without question, these stories will inspire you and leave you in awe of the power and beauty of the human spirit." - Phil Bolsta, author of Through God's Eyes: Finding Peace and Purpose in a Troubled World An exhilarating adventure on many levels worth reading. - Christopher Luzzio, MD, Neurologist I have read all the exciting books by Krauer and Viesturs regarding climbing; More than a Mountain can be proudly shelved next to them." - Dr. Jay L. Alberts, President and Founder, Pedaling for Parkinsons

A Pilgrimage Of Faith Mary B. Niswonger, Dr. J.S. Bell, 2022-08-01 How would you respond to a call from the heart of God? This is the story of how God's call came to a young man, J.S. Bell, at the early age of sixteen. Having grown up on a cotton farm in Tennessee, Bell planned to one day be an agriculture teacher, but God had a different plan. As the years unfolded, God revealed his call to Bell, which was to preach the gospel in an isolated, small community nestled in the mountains of Kentucky. Serving God in this mountain community brought both blessings and hardships. There were threats on Bell's life, financial hardship, long hours of study, prayer, and countless visits to homes of hurting people. Serving God was a pilgrimage of faith, day by day and hour by hour. Seed was sown. God provided the harvest of redeemed lives, the birth of twenty-one missions, a growing home church, and the life-changing impact of a faithful servant's impact that lives on in this mountain community even to this day.

Miracle on the Mountain Mike & Mary Couillard, William And Marilyn Hoffer, 1999-02-01 It was a cold yet breathtakingly beautiful day in January 1995 when Mike Couillard, a United States Air Force officer on assignment in Turkey, took his son Matthew skiing. As they rode the T-bar to the magnificent peaks of the 7,300-foot-high Kartalkaya Mountain, there was nothing to foretell the nightmare that was to come. It was the middle of the afternoon when they reached the top and, although it had started to snow, they still had time to ski. An experienced skier, Mike made note of his surroundings and kept the overhead line in sight as they glided downward. But suddenly the snow fell harder, visibility decreased, hidden rocks sent them plunging into the snow, and dense stands of pine trees forced them off the trail. Desperately, they looked for the lift line - or anything familiar - and saw nothing but white. They were lost. In the days that followed, Mike and his son desperately fought cold and hunger, while U.S. and Turkish teams were conducting a massive search and the story was making headlines throughout the world. But as hope for survival dwindled, their

family and friends could do nothing but pray. Mike and Matt also asked for God's help, as Mike made the most difficult decision of his life - on that could mean death or salvation.

Two Sides of the Mountain James Morel, 2019-04-09 In *Destiny Seekers*, we met James, a young man who was born into the kingdom of God and began his walk of faith up the mountain. *Two Sides of the Mountain* continues the allegory as the young man takes a detour on his journey to learn from Solomon about the ancient wisdom of the other side of the mountain. Walk with James as he experiences visions and knowledge about the law and the prophets, about the spirit of Elijah, and the dangers of mixed worship. In *Two Sides of the Mountain*, James Morel answers questions like Who are the two peoples God is drawing to the mountain of the Lord? Are we the last generation? How is God awakening the Church? When will the restoration of all things take place? God is calling the Church to a holy conversation and a commission Pastor Morel calls the Elijah Task. Now it shall come to pass in the latter days that the mountain of the LORD's house shall be established and all nations shall flow to it. Isaiah 2:1-2

The Good Fight of Faith Alan Vincent, 2011-07-28 Here is a book that will build your faith, give you confidence, and restore hope for yourself and everyone in your life. You will learn how to put your faith in God and God alone every minute of every day. For the average Christian in the United States, faith is not part of daily life. It is possible to live for months relying on credit cards, medical professionals, insurance, the government, etc., rather than placing faith in God. Rarely do we cast ourselves upon God in naked desperation. When faith is fully understood and properly developed, it assures great victories over the evil one and all of his forces. ...I say to you, If you have faith as a mustard seed, you will say to this mountain, 'Move from here to there,' and it will move; and nothing will be impossible for you (Matthew 17:20). The devoted purpose of this book is to arm you with faith that moves mountains-mountains of stress, disappointment, loneliness, burdens, and sadness. Faith ushers in peace and joy unspeakable!

Mountain Moving Faith Kenneth E. Hagin, 1993 Mountain-Moving Faith teaches believers seven fundamental facts of faith that will enable them to change their circumstances and move mountains out of their lives!

Give Me this Mountain, 2020

Meet Me on the Mountain Kathryn L. Smith, 2016-12-19 God is calling us to meet Him on the Mountain, in a place where obedience and faith produce intimacy. The Lord is calling us to meet Him on mountains of faith like Caleb, and Elijah. He is calling us to just come away with Him and hear His voice. God longs for passionate fellowship with His children; He will meet us on the mountain if we will seek him. The drive to climb is not just man striving for God; it is an answer to the call. God calls out to the heart of man come, draw near to me--Meet me on the Mountain.

Mountain Climbers Travis McKamie, 2023-08-02 Many songs, sermons, and scripts revolve around the theme of faith that can move mountains. But what do you do when the mountain refuses to move? You may find yourself wondering, "Is there something wrong with my faith? Have I done something wrong? Is God angry with me?" *Mountain Climbers* seeks to address these questions and

more; it deals not with physical mountains but the metaphorical mountains that tower over you. You may not always understand why God allows you to meet such intimidating obstacles, but there is always a purpose. God will often allow you to climb the mountain rather than moving it for you. But no worries—God will climb it with you! You can overcome the heights of insecurity, fear, offense, and seemingly impossible situations. In these essays, author and pastor Travis McKamie shares the real-life lessons he has learned from the valleys, journeys, and mountaintops that he reached when he chose to climb. Stop standing in the shadow of life's mountains and wondering whether they will ever move. Instead, find the motivation to equip yourself, take the first step, and start climbing. After all, the view will be better from the top!
