

Moustache

Kingsley Amis

The Moustache Grower's Guide Lucien Edwards,2011-03-25 All the info and instructions for shaving and maintaining an array of classic and modern moustache styles, plus fashion advice to complete the look. Whether it's a Handlebar, a Fu Manchu, or a Laser Loop, this illustrated guide will help men everywhere achieve the moustache of their dreams. Included are instructions for how to grow, groom, and maintain thirty classic and modern moustaches, as well as fashion advice on how to rock each look. Outdoorsy types can go wild with the Lumberjack and some flannel, while those aspiring to steampunk style should dress up the Aeronaut with a tuxedo or nautical gear. For a dash of hipster irony, the Crustache or the Pyramid looks sharp with skinny jeans and glasses. With tons of illustrations and exclusive tips from professional competitors, The Moustache Grower's Guide will add major style to any 'stache. "It's safe to say that there isn't a more definitive tome dedicated to those who groom their whiskers. This book has a grooming solution for every lifestyle, age, and level of irony." –Out magazine

Moustache S. Hareesh,2020-01-31 WINNER OF THE JCB PRIZE FOR LITERATURE 2020. 'A novel of epic dimensions ... easily among the most accomplished fictional works in Malayalam.'K. SATCHIDANANDAN Vavachan is a Pulayan who gets the opportunity to play a policeman with an immense moustache in a musical drama. The character appears in only two scenes and has no dialogue. However, Vavachan's performance, and his moustache, terrify the mostly upper-caste audience, reviving in them memories of characters of Dalit power, such as Ravanan. Afterwards, Vavachan, whose people were traditionally banned from growing facial hair, refuses to shave off his moustache. Endless tales invent and reinvent the legend of his magic moustache in which birds roost, which allows its owner to appear simultaneously in different places and disappear in an instant, which grows as high as the sky and as thick as rainclouds -- and turn Vavachan into Moustache, a figure of mythic proportions.Set in Kuttanad, a below-sea-level farming region on the south-west coast of Kerala, the novel is as much a story of this land as it is of Vavachan and its other inhabitants. As they navigate the intricate waterscape, stories unfold in which ecology, power dynamics and politics become key themes. Originally published in Malayalam as Meesha, S. Hareesh's Moustache is a contemporary classic mixing magic, myth and metaphor into a tale of far-reaching resonance.

A Gentleman's Guide to Beard and Moustache Management Chris Martin,2011-06-06 Do you know how to trim your whiskers properly? With beards and moustaches more popular than ever, this delightful little book sets out to answer this pressing question. And if a trim is not required, then it will show you how to wax, polish and maintain your face furniture so that it is always in tip-top condition. Alongside these manly grooming tips is a guide to famous facial-hair aficionados, from Karl Marx to Des Lynam; a breakdown of styles; and a perambulation through hirsute history, including an explanation of why the beard was considered sacred by the ancient Greeks and slovenly by ancient Romans. So whether it's the Handlebar or the Chevron; the Goatee or the Spade – peruse this book for hints and tips of how to handle your facial fuzz.

The Mustache (Le Moustache) Guy de Maupassant,2016

The Inspirational Moustache Ziggy Hanaor,2011 For decades the moustache has been languishing in fashion's dark and dingy closet, but at long last the

soup strainer, nose neighbour, lip tickler, mouth brow, or whatever else you want to call it is making a comeback. With gorgeous photography and key grooming tips, this book is here to celebrate a seminal moment in the history of facial hair.

Moustache Roger Lax, Maria Carvainis, 1979

Mona Lisa's Moustache Mary Settegast, 2002-04-01 Now in paperback -- a groundbreaking effort to find meaning in the disintegration of Western culture by looking through the lenses of economics, philosophy, art, physics, ecology, and spirituality.

The Moustache Emmanuel Carrère, 2020-02-18 FROM THE BESTSELLING AUTHOR OF THE ADVERSARY One morning, a man shaves off his long-worn moustache, hoping to amuse his wife and friends. But when nobody notices, or pretends not to have noticed, what started out as a simple trick turns to terror. As doubt and denial bristle, and every aspect of his life threatens to topple into madness - a disturbing solution comes into view, taking us on a dramatic flight across the world. Translated by Lanie Goodman Elegant, pocket-sized paperbacks, VINTAGE Editions celebrate the audacity and ambition of the written word, transporting readers to wherever in the world literary innovation may be found.

Moustache, 1838

The World Beard and Moustache Championships Michael Ames, 2005-05-02 An illustrated romp through one of the oddest and most fiercely competitive global competitions: the World Beard and Moustache Championships. Since its humble beginnings in Germany in 1990, the World Beard and Moustache Championships has blossomed into an international event that has since been staged in Norway, Sweden, and, in 2003, the United States. The competition awards prizes in seventeen categories, such as Dali Moustache, Freestyle Goatee, Garibaldi, and German Imperial, and some of the best and most notable contestants from the last ten years are featured here. You will encounter Ted Sedman, president of London's Handlebar Club, who was in the Guinness Book of World Records for having Britain's longest moustache; Paul Miller and his impressive Fu Manchu; Gary Johnson and his award-winning Musketeer; and Bruce Roe and his manly Wild West-all brave, bold, and creative men united by a single goal: the pursuit of true individuality. It's impossible not to be won over by this dedicated group of facial hair fantasists. Chock-full of photos that will tickle and fascinate, The World Beard and Moustache Championships is an irresistible tribute to these stylish and passionate creations.

Dali's Moustaches Boris Friedewald, 2016 This original and utterly captivating celebration of Salvador Dali's life and career traces the countless, often outrageous, ways the artist employed his moustache to brilliant effect. Whether curled into a figure 8 or splayed like a cat's whiskers, Dali's moustache is arguably the world's most famous facial hair. But when asked to explain why he styled it in such bizarre and seemingly comic fashion, the artist remarked that his moustache was the most serious part of his personality. In this book, Boris Friedewald tells the life story of the renowned Spanish Surrealist through the various moustache styles he had throughout his life. Dali cultivated his moustaches--he staged them and had them photographed. But these were more than mere vanity projects. Dali's evolving facial hair signifies certain points in the artist's own metamorphosis and was a kind of antenna of his metaphysical inspiration. Illustrated with many intriguing photographs of the artist and his ever-

changing moustache, this book describes how Dali cared for and styled his facial hair, and shows how it influenced many artists in his wake--from Ringo Starr to Lady Gaga. Filled with anecdotes and engaging commentary about Dali's work, this book offers readers a fascinating new way of looking at the artist, his life, and his legacy.

Mr. Moustache Adam Hargreaves,2014-10-02 Mr. Moustache has a moustache, and he's quite the gentleman. He's polite, helpful, thoughtful, and generous. But when the barber shaves his 'stache, Mr. Moustache suddenly doesn't act the way he ought to. He slams the door on Mr. Nosey's nose, and isn't very nice to Little Miss Splendid. Could losing his moustache have made Mr. Moustache less of a gentleman? Good thing they grow back! Don't miss this fun book that includes a press-out moustache.

One Thousand Mustaches Allan Peterkin,2012-09-18 The 'stache is back! After decades of being much maligned in Western culture, the mustache is enjoying a cultural renaissance, thanks to the annual phenomenon of Movember (the international campaign in which men grow facial hair during the month of November to raise funds for prostate cancer research; in 2011, 1.8 million men in fourteen countries participated), and the retro/modern mo's sported by the likes of Ryan Gosling, Ashton Kutcher, and James Franco. Shaving companies are offering new-fangled mustache groomers, and even Dr Seuss's mustachioed The Lorax has made a comeback. One Thousand Mustaches is both a lighthearted cultural history and an earnest style manual: it's the story of the 'stache through the ages and its manifestations in politics, war, movies, music, sports, and art, as well as information on various 'stache styles and how to grow and wear them with pride. The book also includes numerous photos and drawings throughout. Contemplating a handlebar or considering a Fu Manchu? Find them and more styles here in One Thousand Mustaches: a book for those with mo's, and those who love 'em. Allan Peterkin is the author of One Thousand Beards and co-author of The Bearded Gentleman.

The Little Book of Moustaches Rufus Cavendish,2013-05-06 An amusing volume, perfect for any facial hair aficionado, outlining various moustaches and how to grow, make, and wear them Sport the Chaplin when making elegant pratfalls. Simply must be paired with bowler, cane and ill-fitting trousers for best effect. Dust off your Dali and shake out your Selleck, the 'stache is back. This impeccably turned-out little guide to the world's most famous upper-lip embellishments will teach you how to groom, craft, style, and quote your way to Moustache Greatness.

The Rajah's Moustache Asha Nehemiah,1999 Rajah Muchacho Singh Is Immensely Fascinated With His Curly-Whirly-Twirly Moustache. To Match Its Shape, The Rajah Orders Everything In His Kingdom To Be Fashioned The Same Way. But One Fine Morning, He Finds His Moustache Growing Straight! The Answer Lay In The Queen'S Hands.

Marvin's Magnificent Moustache James Hewison,2021-08-01 An ingenious picture book about the ups and downs of having a magnificent moustache--perfect for children learning to celebrate and embrace what makes them and others unique. Proud Marvin grows his moustache so long that, one day, he trips on it. Right in front of a crowd. And right into a garbage bin. Marvin's lovely moustache seems ruined and everybody laughs. He is so embarrassed. A few days later a gust of wind lifts up his moustache and Marvin along with it. He can fly, until he crashes in his garden and his neighbour laughs at him. Marvin is delighted about his special new talent,

but he doesn't like people laughing at his moustache. So he only flies where nobody can see. But what happens when he has to choose between keeping his secret and saving a life? A witty and wise story that brings entertainment and imagination to this essential lesson on the value of diversity and authenticity.

Beard Matthew Rainwaters, 2012-03-02 "Manages to sidestep any hint of kitsch, instead offering honest portraits of hirsute men sporting looks from sublime to decidedly odd and over the top." –The Dallas Morning News Hundreds of bearded men strutted their stuff at the World Beard and Moustache Championships in Anchorage, Alaska, and photographer Matthew Rainwaters was there to capture it all. This resulting collection of portraits features the bushiest, most stylish, and downright weirdest beards from around the world. Taken straight on, the photographs are stark and stunning, and the beards speak for themselves. Alongside the images are essays by several of the championship competitors, including Steven Rapa and his beard Preposterous. A magnificent showcase of chops, bristles, and whiskers, this book belongs on the shelf of any true facial hair connoisseur. "A stunning series of stark, visually articulate portraits. Alongside the formidable chops, bristles and whiskers, ranging from the classics to freestyle fare, are essays by prominent competitors that crack ajar the door to a fascinating subculture . . . Playful and poetic in a delightfully offbeat way, *Beard* is at once a portal to a weird and wonderful alternate reality and an invitation to revisit, with a smile and a wink, our relationship with patience, character, and nonconformity." –The Marginalian "Beard does a great job of documenting the experiences of some of the competitors, (including Rainwaters' friend, Craig Steckbeck, who grew out his beard for 2 years in preparation for the event) and of showing the rest of us just how inadequate our beards really are. If you don't get the book for the amazing photos, you can get it as a guide to your next beard style." –Chubstr

New Perspectives on the History of Facial Hair Jennifer Evans, Alun Withey, 2018-03-02 This volume brings together a range of scholars from diverse disciplinary backgrounds to re-examine the histories of facial hair and its place in discussions of gender, the military, travel and art, amongst others. Chapters in the first section of the collection explore the intricate history of beard wearing and shaving, including facial hair fashions in long historical perspective, and the depiction of beards in portraiture. Section Two explores the shifting meanings of the moustache, both as a manly symbol in the nineteenth century, and also as the focus of the material culture of personal grooming. The final section of the collection charts the often-complex relationship between men, women and facial hair. It explores how women used facial hair to appropriate masculine identity, and how women's own hair was read as a sign of excessive and illicit sexuality.

The Biographer's Moustache Kingsley Amis, 1995 Gordon Scott-Thompson, a struggling hack, gets commissioned to write the biography of veteran novelist, Jimmie Fane. It is a task which proves to be fraught with extraordinary and unforeseen difficulties. Fane, an unashamed snob, has many pet hates, including younger men with moustaches and trendy pronunciation. Scott-Thompson, however, is extremely attached to his own moustache and not so particular about his use of language. It doesn't help matters that Fane's wife Joanna isn't yet sure what she feels about moustaches, but has decided views on younger men.

Mo's Mustache Ben Clanton, 2016-09-06 Mo is a monster who just got a mustache. A big, black, beautiful mustache. Everybody likes Mo's mustache. Now Knot, Dot, Nib, Tutu, Bob, Bill and Ben all have mustaches too. In fact, soon EVERYBODY has a mustache! Why is everyone copying Mo? And how will he (and his mustache) ever stand out? A wonderfully silly book about style and individuality, sure to grow on readers who don't have facial hair -- and even those who do!

Adopting the Tune of Term: An Mental Symphony within **Moustache**

In a global used by screens and the ceaseless chatter of immediate transmission, the melodic elegance and emotional symphony developed by the published term frequently fade into the back ground, eclipsed by the constant sound and interruptions that permeate our lives. But, located within the pages of **Moustache** a wonderful literary prize filled with raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this interesting masterpiece conducts readers on a psychological trip, skillfully unraveling the concealed melodies and profound influence resonating within each cautiously crafted phrase. Within the depths of this poignant analysis, we will examine the book is central harmonies, analyze its enthralling publishing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
