

Moustached

Bridget Heos

Mo's Mustache Ben Clanton,2016-09-06 Mo is a monster who just got a mustache. A big, black, beautiful mustache. Everybody likes Mo's mustache. Now Knot, Dot, Nib, Tutu, Bob, Bill and Ben all have mustaches too. In fact, soon EVERYBODY has a mustache! Why is everyone copying Mo? And how will he (and his mustache) ever stand out? A wonderfully silly book about style and individuality, sure to grow on readers who don't have facial hair -- and even those who do!

Moustached Parakeet Harry Muller,2020-08-19 moustached parakeet is called for its one of a kind feathers above the beak that looks as if a properly-groomed mustache. This hen makes a super puppy and has a sweet, outgoing persona that hen enthusiasts revel in. If you're searching out a small parrot that could speak and perch to your shoulder, the moustached parakeet is a species to consider.

One Thousand Mustaches Allan Peterkin,2012-09-18 The 'stache is back! After decades of being much maligned in Western culture, the mustache is enjoying a cultural renaissance, thanks to the annual phenomenon of Movember (the international campaign in which men grow facial hair during the month of November to raise funds for prostate cancer research; in 2011, 1.8 million men in fourteen countries participated), and the retro/modern mo's sported by the likes of Ryan Gosling, Ashton Kutcher, and James Franco. Shaving companies are offering new-fangled mustache groomers, and even Dr Seuss's mustachioed The Lorax has made a comeback. One Thousand Mustaches is both a lighthearted cultural history and an earnest style manual: it's the story of the 'stache through the ages and its manifestations in politics, war, movies, music, sports, and art, as well as information on various 'stache styles and how to grow and wear them with pride. The book also includes numerous photos and drawings throughout. Contemplating a handlebar or considering a Fu Manchu? Find them and more styles here in One Thousand Mustaches: a book for those with mo's, and those who love 'em. Allan Peterkin is the author of One Thousand Beards and co-author of The Bearded Gentleman.

The Little Book of Moustaches Rufus Cavendish,2013-06-03 Dust off your Dali and hake out your Selleck, the 'tache is back. This impeccably turned-out little guide to the world's most famous upper-lip embellishments will teach you how to groom, craft, style and quote your way to Moustache Greatness.

Mustache Duckstache Amy Young,2021-01-05 The zany humor of Aaron Reynolds meets some serious facial hair in this competition for the title of finest mustache in the land! When a mustachioed rabbit spots a mustache contest, he's sure he has the competition beat. That is, until a pesky frog hops up with his own fine mustache. And a duck waddles up with a...duckstache? Soon, the competition is full of moosestaches and mousestaches, whalestaches and tailstaches--and every kind of 'stache in between. Readers will love following this simple tale of hirsute havoc with a laugh-out-loud twist ending. Plus, there's a fun guide at the end to every kind of mustache imaginable!

The Moustache Emmanuel Carrère,2020-02-18 FROM THE BESTSELLING AUTHOR OF THE ADVERSARY One morning, a man shaves off his long-worn moustache, hoping to amuse his wife and friends. But when nobody notices, or pretends not to have noticed, what started out as a simple trick turns to terror. As doubt and denial bristle, and every aspect of his life threatens to topple into madness - a disturbing solution comes into view, taking us on a dramatic flight across the world. Translated by Lanie Goodman Elegant, pocket-sized paperbacks, VINTAGE Editions celebrate the audacity and ambition of the written word, transporting readers to wherever in the world literary innovation may be found.

Of Beards and Men Christopher Oldstone-Moore,2017-03-21 Beards—they're all the rage these days. Take a look around: from hip urbanites to rustic outdoorsmen, well-groomed metrosexuals to post-season hockey players, facial hair is everywhere. The New York Times traces this hairy trend to Big Apple hipsters circa 2005 and reports that today some New Yorkers pay thousands of dollars for facial hair transplants to disguise patchy, juvenile beards. And in 2014, blogger Nicki Daniels excoriated bearded hipsters for turning a symbol of manliness and power into a flimsy fashion statement. The beard, she said, has turned into the padded bra of masculinity. Of Beards and Men makes the case that today's bearded renaissance is part of a centuries-long cycle in which facial hairstyles have varied in response to changing ideals of masculinity. Christopher Oldstone-Moore explains that the clean-shaven face has been the default style throughout Western history—see Alexander the Great's beardless face, for example, as the Greek heroic ideal. But the primacy of razors has been challenged over the years by four great bearded movements, beginning with Hadrian in the second century and stretching to today's bristled resurgence. The clean-shaven face today, Oldstone-Moore says, has come to signify a virtuous and sociable man, whereas the beard marks someone as self-reliant and unconventional. History, then, has established specific meanings for facial hair, which both inspire and constrain a man's choices in how he presents himself to the world. This fascinating and erudite history of facial hair cracks the masculine hair code, shedding light on the choices men make as they shape the hair on their faces. Oldstone-Moore adeptly lays to rest common misperceptions about beards and vividly illustrates the connection between grooming, identity, culture, and masculinity. To a surprising degree, we find, the history of men is written on their faces.

A Gentleman's Guide to Beard and Moustache Management Chris Martin,2011-06-06 Do you know how to trim your whiskers properly? With beards and moustaches more popular than ever, this delightful little book sets out to answer this pressing question. And if a trim is not required, then it will show you how to wax, polish and maintain your face furniture so that it is always in tip-top condition. Alongside these manly grooming tips is a guide to famous facial-hair aficionados, from Karl Marx to Des Lynam; a breakdown of styles; and a perambulation through hirsute history, including an explanation of why the beard was considered sacred by the ancient Greeks and slovenly by ancient Romans. So whether it's the Handlebar or the Chevron; the Goatee or the Spade – peruse this book for hints and tips of how to handle your facial fuzz.

Mustache Baby Bridget Heos,2013-05-14 When Baby Billy is born with a mustache, his family takes it in stride. They are reassured when he nobly saves the day in imaginary-play sessions as a cowboy or cop and his mustache looks good-guy great. But as time passes, their worst fears are confirmed when little Billy's mustache starts to curl up at the ends in a suspiciously villainous fashion. Sure enough, “Billy's disreputable mustache led him into a life of dreadful crime.” Plenty of tongue-in-cheek humor and cartoonish illustrations make this the perfect baby-shower gift for a mustachioed father-to-be.

Two by Carrère Emmanuel Carrère,1998

Mustache Baby Meets His Match Bridget Heos,2015 A play date goes awry when Baby Billy and his mustache meet Beard Baby in this hilarious sequel to Mustache Baby.

Good Knight, Mustache Baby Bridget Heos,2021-12-07 Everyone's favorite baby-with-a-mustache dons shining armor in hopes of staving off sleep in this hilarious bedtime book. Knights in shining armor go full baby (and full mustache) in this silly and soothing bedtime adventure. Young knaves will fall blissfully asleep after hearing the tale of two brave knights: Baby Billy, House of Mustache, and Baby Javier, House of Beard, and how they fought to conquer their biggest foe: bedtime! The babies fight their enemy valiantly, but eventually even gallant Baby Billy falls victim to sleep, foiled by, of all things, an enchanted book. Though Billy succumbs to the magic of the story, in his dreams, he rejoins his bearded co-knigh . . . and they became the stuff of legend.

Sweet 'stache Jon Chattman,Rich Tarantino,2009-03-18 I am personally offended by this book because my mustache wasn't included. However, I endorse it because I am, and always will be, a huge fan of Tom Selleck's 'stache. --Meredith Vieira, The Today Show If a man has a mustache, it's hands-down his most distinguishable facial feature. Whether it's a handlebar, pencil-thin, fu Manchu, toothbrush, or horseshoe--it's how he's identified and described. This book recognizes this fact and celebrates the most famous mustaches--and the faces behind them. From politicians and ball players to pop stars and actors, this book covers them all with wit and humor. Authors Jon Chattman and Rich Tarantino have provided profiles and 'stache-analysis for the forty-nine men and one woman who made the cut. (One can't count out Frida Kahlo's artistic bigote!) It also includes sidebar lists that rank the top 'staches in all sorts of categories as well as mustache trivia and a timeline that traces the facial hair's evolution. It's hip again to rock full on facial hair. And Sweet 'Stache is the guide for anyone looking to get in on the must-have mustache action.

The Biographer's Moustache Kingsley Amis,1995 Gordon Scott-Thompson, a struggling hack, gets commissioned to write the biography of veteran novelist, Jimmie Fane. It is a task which proves to be fraught with extraordinary and unforeseen difficulties. Fane, an unashamed snob, has many pet hates, including younger men with moustaches and trendy pronunciation. Scott-Thompson, however, is extremely attached to his own moustache and not so particular about his use of language. It doesn't help matters that Fane's wife Joanna isn't yet sure what she feels about coustaches, but has decided views on younger men.

Dali's Moustaches Boris Friedewald,2016 This original and utterly captivating celebration of Salvador Dali's life and career traces the countless, often outrageous, ways the artist employed his moustache to brilliant effect. Whether curled into a figure 8 or splayed like a cat's whiskers, Dali's moustache is arguably the world's most famous facial hair. But when asked to explain why he styled it in such bizarre and seemingly comic fashion, the artist remarked that his moustache was the most serious part of his personality. In this book, Boris Friedewald tells the life story of the renowned Spanish Surrealist through the various moustache styles he had throughout his life. Dali cultivated his moustaches--he staged them and had them photographed. But these were more than mere vanity projects. Dali's evolving facial hair signifies certain points in the artist's own metamorphosis and was a kind of antenna of his metaphysical inspiration. Illustrated with many intriguing photographs of the artist and his ever-changing moustache, this book describes how Dali cared for and styled his facial hair, and shows how it influenced many artists in his wake--from Ringo Starr to Lady Gaga. Filled with anecdotes and engaging commentary about Dali's work, this book offers readers a fascinating new way of looking at the artist, his life, and his legacy.

A Mustache Baby Christmas Bridget Heos,2019 Mustache Baby wants to be a Santa's helper like Beard Baby, but after making a workshop full of toys he decides to keep them for himself and lands on the naughty list.

The Haunted Mustache Joe McGee,2021-08-31 Fifth-graders Parker and Lucas get more than they bargained for when they seek to debunk one of Wolver Hollow's greatest legends about a haunted mustache that, every year on the anniversary of its owner's death, seeks a lip to claim as its own.

Beard Matthew Rainwaters,2012-03-02 “Manages to sidestep any hint of kitsch, instead offering honest portraits of hirsute men sporting looks from sublime to decidedly odd and over the top.” —The Dallas Morning News Hundreds of bearded men strutted their stuff at the World Beard and Moustache Championships in Anchorage, Alaska, and photographer Matthew Rainwaters was there to capture it all. This resulting collection of portraits features the bushiest, most stylish, and downright weirdest beards from around the world. Taken straight on, the photographs are stark and stunning, and the beards speak for themselves. Alongside the images are essays by several of the championship competitors, including Steven Ra\$pa and his beard Prepostero. A magnificent showcase of chops, bristles, and whiskers, this book belongs on the shelf of any true facial hair connoisseur. “A stunning series of stark, visually articulate portraits. Alongside the formidable chops, bristles and whiskers, ranging from the classics to freestyle fare, are essays by prominent competitors that crack ajar the door to a fascinating subculture . . . Playful and poetic in a delightfully offbeat way, Beard is at once a portal to a weird and wonderful alternate reality and an invitation to revisit, with a smile and a wink, our relationship with patience, character, and nonconformity.” —The Marginalian “Beard does a great job of documenting the experiences of some of the competitors, (including Rainwaters’ friend, Craig Steckbeck, who grew out his beard for 2 years in preparation for the event) and of showing the rest of us just how inadequate our beards really are. If you don’t get the book for the amazing photos, you can get it as a guide to your next beard style.” —Chubstr

The Moustached Poet Rupam Goswami,2014-12-29 'An idea may be born from the unused fork on a dinner plate'. A few spoken lines may seem a conversation to some while they may be the source of a poet's song. And who says poetry is always written? It may arise from the lips of a mother and live forever till generations to come, sometimes in the form of a rhyme and at other, words of tradition. If there can be science in poetry, then why can there be not poetry in the laws of science? At the most concentrated ultimate end point of thoughts, everything converges towards Nature, be they the laws of science or the meters of a line. With this little cake in mouth of mind, the Moustached Poet bravely jumped into writing poems when he was in high school.

The Mysterious Moustachioed Mademoiselles of Le Meurice Carol Longmeyer,2015-03-25 Avery, Ella, and Sadie Hope-three stair-step sisters-visit Paris and stay at the oh so elegant Hotel Le Meurice with their grandmother, Mimi, and grandfather, Papa. Why do the girls NOT want to go the Louvre? Not even the Eiffel Tower? Not even (aghast) to ride the Tuileries carousel or go shopping?! Because they have a new passion moustaches, of all things! Not only do they create them, they actually wear them as well as tease, taunt, and (dare I say it?) SHOCK the staff with their upper lip antics! Where do all these moustache shenanigans lead? Mais oui! You just won't believe!!!!

As recognized, adventure as well as experience about lesson, amusement, as competently as concord can be gotten by just checking out a books **Moustached** with it is not directly done, you could put up with even more in the region of this life, roughly speaking the world.

We find the money for you this proper as skillfully as easy pretentiousness to get those all. We offer Moustached and numerous book collections from fictions to scientific research in any way. among them is this Moustached that can be your partner.

Moustached Introduction

In todays digital age, the availability of Moustached books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Moustached books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Moustached books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Moustached versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Moustached books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Moustached books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Moustached books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their

own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Moustached books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Moustached books and manuals for download and embark on your journey of knowledge?

FAQs About Moustached Books

1. Where can I buy Moustached books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Moustached book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Moustached books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people

exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Moustached audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Moustached books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
