

Moustaches

Jennifer Evans, Alun Withey

The Little Book of Moustaches Rufus Cavendish,2013-06-03 Dust off your Dali and hake out your Selleck, the 'tache is back. This impeccably turned-out little guide to the world's most famous upper-lip embellishments will teach you how to groom, craft, style and quote your way to Moustache Greatness.

The Moustache Grower's Guide Lucien Edwards,2011-03-25 All the info and instructions for shaving and maintaining an array of classic and modern moustache styles, plus fashion advice to complete the look. Whether it's a Handlebar, a Fu Manchu, or a Laser Loop, this illustrated guide will help men everywhere achieve the moustache of their dreams. Included are instructions for how to grow, groom, and maintain thirty classic and modern moustaches, as well as fashion advice on how to rock each look. Outdoorsy types can go wild with the Lumberjack and some flannel, while those aspiring to steampunk style should dress up the Aeronaut with a tuxedo or nautical gear. For a dash of hipster irony, the Crustache or the Pyramid looks sharp with skinny jeans and glasses. With tons of illustrations and exclusive tips from professional competitors, The Moustache Grower's Guide will add major style to any 'stache. "It's safe to say that there isn't a more definitive tome dedicated to those who groom their whiskers. This book has a grooming solution for every lifestyle, age, and level of irony." –Out magazine

Dali's Moustaches Boris Friedewald,2016 This original and utterly captivating celebration of Salvador Dali's life and career traces the countless, often outrageous, ways the artist employed his moustache to brilliant effect. Whether curled into a figure 8 or splayed like a cat's whiskers, Dali's moustache is arguably the world's most famous facial hair. But when asked to explain why he styled it in such bizarre and seemingly comic fashion, the artist remarked that his moustache was the most serious part of his personality. In this book, Boris Friedewald tells the life story of the renowned Spanish Surrealist through the various moustache styles he had throughout his life. Dali cultivated his moustaches--he staged them and had them photographed. But these were more than mere vanity projects. Dali's evolving facial hair signifies certain points in the artist's own metamorphosis and was a kind of antenna of his metaphysical inspiration. Illustrated with many intriguing photographs of the artist and his ever-changing moustache, this book describes how Dali cared for and styled his facial hair, and shows how it influenced many artists in his wake--from Ringo Starr to Lady Gaga. Filled with anecdotes and engaging commentary about Dali's work, this book offers readers a fascinating new way of looking at the artist, his life, and his legacy.

The Little Book of Beards O. S. Belgie,2010-05-05 Some beards are bushy, others are peach-fuzzy. Some are distinguished, others are scruffy. Some beards inspire love and trust (Santa's); others evoke fear and loathing (Satan's). Abe Lincoln's beard connotes patriotic devotion; Shakespeare's stands for artistic brilliance. But no matter who their wearer or what their shape, all beards have one thing in common: Crumbs get stuck in them. With facial adornments back in fashion (anointing the wearer with a veneer of virility and intellectual prowess) men of all ages will want to consider the choices presented in this useful little book. Inside are 40 different whiskery embellishments plucked from the broad beard spectrum, including (to name just a few) the French Fork, the Soul Patch, the Chin Puff, and the Fu Manchu. The Little Book of Beards lets you know what each style says about you as a person, and identifies which styles will make women fall at your feet- and which might just make them run for the hills.

One Thousand Mustaches Allan Peterkin,2012-09-18 The 'stache is back! After decades of being much maligned in Western culture, the mustache is enjoying a cultural renaissance, thanks to the annual phenomenon of Movember (the international campaign in which men grow facial hair during the month of November to raise funds for prostate cancer research; in 2011, 1.8 million men in fourteen countries participated), and the retro/modern mo's sported by the likes of Ryan Gosling, Ashton Kutcher, and James Franco. Shaving companies are offering new-fangled mustache groomers, and even Dr Seuss's mustachioed The Lorax has made a comeback. One Thousand Mustaches is both a lighthearted cultural history and an earnest style manual: it's the story of the 'stache through the ages and its manifestations in politics, war, movies, music, sports, and art, as well as information on various 'stache styles and how to grow and wear them with pride. The book also includes numerous photos and drawings throughout. Contemplating a handlebar or considering a Fu Manchu? Find them and more styles here in One Thousand Mustaches: a book for those with mo's, and those who love 'em. Allan Peterkin is the author of One Thousand Beards and co-author of The Bearded Gentleman.

A Gentleman's Guide to Beard and Moustache Management Chris Martin,2011-06-06 Do you know how to trim your whiskers properly? With beards and moustaches more popular than ever, this delightful little book sets out to answer this pressing question. And if a trim is not required, then it will show you how to wax, polish and maintain your face furniture so that it is always in tip-top condition. Alongside these manly grooming tips is a guide to famous facial-hair aficionados, from Karl Marx to Des Lynam; a breakdown of styles; and a perambulation through hirsute history, including an explanation of why the beard was considered sacred by the ancient Greeks and slovenly by ancient Romans. So whether it's the Handlebar or the Chevron; the Goatee or the Spade – peruse this book for hints and tips of how to handle your facial fuzz.

Gentlemen, Accept This Facial Hair Challenge Melinda R. Cordell,2017-02-02 Now that beards are making their comeback, it's a great time to look back to the past, back to the days when a real beard was a real beard, and a moustache attained a level of amazingness that can only be dreamed of today. Learn from the beard masters of the past -- the Civil War generals and the hirsute gentlemen of the day -- who wore their burnsides, sideburns, full beards, mutton chops, walrus mustaches, handlebars, whiskers, and imperials with some crazy manly man pride. A little Civil War history is sprinkled in along the way, but mostly it's a facial hair extravaganza for any pogonotrophy nut.

Gentlemen! Accept This Facial Hair Challenge Melinda R. Cordell,2020-06-30 Now that beards are making their comeback, it's a great time to look back to the past, back to the days when a real beard was a real beard, and a moustache attained a level of amazingness that can only be dreamed of today. Learn from the beard masters of the past -- the Civil War generals and the hirsute gentlemen of the day -- who wore their burnsides, sideburns, full beards, mutton chops, walrus mustaches, handlebars, whiskers, and imperials with some crazy manly man pride. A little Civil War history is sprinkled in along the way, but mostly it's a facial hair extravaganza for any pogonotrophy nut. Enjoy!

The Moustache Emmanuel Carrère,2020-02-18 FROM THE BESTSELLING AUTHOR OF THE ADVERSARY One morning, a man shaves off his long-worn moustache, hoping to amuse his

wife and friends. But when nobody notices, or pretends not to have noticed, what started out as a simple trick turns to terror. As doubt and denial bristle, and every aspect of his life threatens to topple into madness - a disturbing solution comes into view, taking us on a dramatic flight across the world. Translated by Lanie Goodman Elegant, pocket-sized paperbacks, VINTAGE Editions celebrate the audacity and ambition of the written word, transporting readers to wherever in the world literary innovation may be found.

Beard Matthew Rainwaters,2012-03-02 “Manages to sidestep any hint of kitsch, instead offering honest portraits of hirsute men sporting looks from sublime to decidedly odd and over the top.” –The Dallas Morning News Hundreds of bearded men strutted their stuff at the World Beard and Moustache Championships in Anchorage, Alaska, and photographer Matthew Rainwaters was there to capture it all. This resulting collection of portraits features the bushiest, most stylish, and downright weirdest beards from around the world. Taken straight on, the photographs are stark and stunning, and the beards speak for themselves. Alongside the images are essays by several of the championship competitors, including Steven Raipza and his beard Prepostero. A magnificent showcase of chops, bristles, and whiskers, this book belongs on the shelf of any true facial hair connoisseur. “A stunning series of stark, visually articulate portraits. Alongside the formidable chops, bristles and whiskers, ranging from the classics to freestyle fare, are essays by prominent competitors that crack ajar the door to a fascinating subculture . . . Playful and poetic in a delightfully offbeat way, Beard is at once a portal to a weird and wonderful alternate reality and an invitation to revisit, with a smile and a wink, our relationship with patience, character, and nonconformity.” –The Marginalian “Beard does a great job of documenting the experiences of some of the competitors, (including Rainwaters’ friend, Craig Steckbeck, who grew out his beard for 2 years in preparation for the event) and of showing the rest of us just how inadequate our beards really are. If you don’t get the book for the amazing photos, you can get it as a guide to your next beard style.” –Chubstr

The Inspirational Moustache Ziggy Hanaor,2011 For decades the moustache has been languishing in fashion's dark and dingy closet, but at long last the soup strainer, nose neighbour, lip tickler, mouth brow, or whatever else you want to call it is making a comeback. With gorgeous photography and key grooming tips, this book is here to celebrate a seminal moment in the history of facial hair.

Moustaches, Whiskers and Beards Lucinda Hawksley,2014 Taking as her starting point images from the holdings of the National Portrait Gallery, London, writer and art historian Lucinda Hawksley explores the history of facial hair, from prehistoric times to the present day. By way of introduction, she investigates the Pharaonic beard in ancient Egypt, the work of barbers in classical Greece and Rome, and the role of facial hair at the time of the Vikings and in Medieval and Renaissance Europe. With reference to portraits from the Gallery's collections and archives, Hawksley explains the Tudor beard tax and why Regency beaus grew whiskers. She also looks at the rise of the beard at the time of the Crimean War, the rules on facial hair in the army, navy and air force, the hippies' penchant for long hair in the 1960s and the most recent fashion for facial hair in the twenty-first century. Lively and engaging feature pages include The Widdowes Treasure (a sixteenth-century book that contains a recipe to make the hair of the beard grow), Record Breakers (the world's longest moustache and beard), and Women and Facial Hair; there are also explorations of how medical advances and the rise of advertising have affected male grooming. Entertaining and informative, this fascinating foray into our hairy past is the perfect gift for the pogonophile in your life--or indeed anyone interested in the long and curly history of moustaches, whiskers and beards.

Moustache ,1838

Moustache S. Hareesh,2020-01-31 WINNER OF THE JCB PRIZE FOR LITERATURE 2020. 'A novel of epic dimensions ... easily among the most accomplished fictional works in Malayalam.'K. SATCHIDANANDAN Vavachan is a Pulayan who gets the opportunity to play a policeman with an immense moustache in a musical drama. The character appears in only two scenes and has no dialogue. However, Vavachan's performance, and his moustache, terrify the mostly upper-caste audience, reviving in them memories of characters of Dalit power, such as Ravana. Afterwards, Vavachan, whose people were traditionally banned from growing facial hair, refuses to shave off his moustache. Endless tales invent and reinvent the legend of his magic moustache in which birds roost, which allows its owner to appear simultaneously in different places and disappear in an instant, which grows as high as the sky and as thick as rainclouds -- and turn Vavachan into Moustache, a figure of mythic proportions.Set in Kuttanad, a below-sea-level farming region on the south-west coast of Kerala, the novel is as much a story of this land as it is of Vavachan and its other inhabitants. As they navigate the intricate waterscape, stories unfold in which ecology, power dynamics and politics become key themes. Originally published in Malayalam as Meesha, S. Hareesh's Moustache is a contemporary classic mixing magic, myth and metaphor into a tale of far-reaching resonance.

The Biographer's Moustache Kingsley Amis,1995 Gordon Scott-Thompson, a struggling hack, gets commissioned to write the biography of veteran novelist, Jimmie Fane. It is a task which proves to be fraught with extraordinary and unforeseen difficulties. Fane, an unashamed snob, has many pet hates, including younger men with moustaches and trendy pronunciation. Scott-Thompson, however, is extremely attached to his own moustache and not so particular about his use of language. It doesn't help matters that Fane's wife Joanna isn't yet sure what she feels about moustaches, but has decided views on younger men.

Knit Your Own Moustache Vicky Eames (aka Wife of Brian),2014-04-25 If you have ever wanted to transform yourself into a different character, this is the book for you. Become a Victorian gent, a pirate or even a rabbit by simply donning one of our fantastic knitted disguises! The hilarious projects – beards, moustaches, wigs, glasses and even a knitted bald head – will allow you to change your appearance in a flash. There are different hair styles as well as accessories like a bandit mask, a monocle and pipe and even a paper bag for complete anonymity. So choose your favourite pattern and get knitting, whether you want to adopt a secret identity, win a fancy dress competition, fool your friends or simply make them smile. And don’t forget, nothing will keep your face warmer than a cosy knitted beard!

The Boy Who Wanted to Grow a Moustache Melvin Koh, Louis imagines himself becoming a grown-up with a moustache that sprouts almost overnight, and tries to turn the idea into reality through various means. But when he turns up at school with a moustache firmly in place, it horrifies just about everyone who sees him. Just how much trouble can a moustache bring a little boy, and how does he get out of it?

The World Beard and Moustache Championships Michael Ames,2005-05-02 An illustrated romp through one of the oddest and most fiercely competitive global competitions: the World Beard and Moustache Championships. Since its humble beginnings in Germany in 1990, the World Beard and Moustache Championships has blossomed into an

international event that has since been staged in Norway, Sweden, and, in 2003, the United States. The competition awards prizes in seventeen categories, such as Dali Moustache, Freestyle Goatee, Garibaldi, and German Imperial, and some of the best and most notable contestants from the last ten years are featured here. You will encounter Ted Sedman, president of London's Handlebar Club, who was in the Guinness Book of World Records for having Britain's longest moustache; Paul Miller and his impressive Fu Manchu; Gary Johnson and his award-winning Musketeer; and Bruce Roe and his manly Wild West-all brave, bold, and creative men united by a single goal: the pursuit of true individuality. It's impossible not to be won over by this dedicated group of facial hair fantasists. Chock-full of photos that will tickle and fascinate, The World Beard and Moustache Championships is an irresistible tribute to these stylish and passionate creations.

New Perspectives on the History of Facial Hair Jennifer Evans, Alun Withey, 2018-03-02 This volume brings together a range of scholars from diverse disciplinary backgrounds to re-examine the histories of facial hair and its place in discussions of gender, the military, travel and art, amongst others. Chapters in the first section of the collection explore the intricate history of beard wearing and shaving, including facial hair fashions in long historical perspective, and the depiction of beards in portraiture. Section Two explores the shifting meanings of the moustache, both as a manly symbol in the nineteenth century, and also as the focus of the material culture of personal grooming. The final section of the collection charts the often-complex relationship between men, women and facial hair. It explores how women used facial hair to appropriate masculine identity, and how women's own hair was read as a sign of excessive and illicit sexuality.

What to Doodle? Moustaches Peter Donahue, 2016-04-21 Prepare to improve the looks of an artist, magician, fireman, chef, explorer, and dozens of other guys who could benefit from a handlebar, horseshoe, pencil, or other type of moustache.

Moustaches Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Moustaches free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Moustaches free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Moustaches free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Moustaches. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Moustaches any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Moustaches Books

What is a Moustaches PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Moustaches PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Moustaches PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Moustaches PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Moustaches PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
