Is Masculinity Toxic? (The Big Idea Series) (The Big Idea Series) Andrew Smiler,2019-10-15 This timely title weighs masculinity’s capacity for good against its potential for destruction in the context of contemporary debates on the topic. In the wake of the MeToo movement and the upsurge in both feminist and men’s rights activism, traditional masculinity has become the topic of impassioned debate. Is Masculinity Toxic? interrogates the myths surrounding modern manhood, asking whether—and how—we need to change our attitudes toward masculinity in the twenty-first century. Therapist Andrew Smiler addresses the topic of masculinity in four chapters: “Evolving Understandings of Masculinity,” which examines the history of ideas about masculinity, “Male Power to Harm,” which dissects the societal impacts of “toxic” masculinity, including bullying behavior, rape culture, and early male mortality; “Men and Interpersonal Relationships,” discusses how men are encouraged not to express their feelings, the sexual objectification of women, and male attitudes toward fatherhood; and “Changing Face of Masculinity Today,” which details the ways in which masculinity might adapt to the last century’s sweeping changes in gender roles. Is Masculinity Toxic? revisits all sides of the debate, recognizing the positive impact of some of today’s models of masculinity while acknowledging the failures and limitations of others.

Saving the Earth One Beard at a Time Dale Stubbart,2022-03-18 You've seen those 10 things to do to save the Earth lists. They usually mention many of the same things. Well, here's something different you can do to save the Earth. Shave Consciously. Every little bit we do to save the Earth helps. And this is one of those things you can do your own way. How much you shave, how long you shave, and what you use to shave with are all covered in this book, plus different styles of beards. I start this book with a very funny story from my childhood of how I learned to shave. And, if you can't grow a beard, this book may still have some helpful hints for shaving other parts of your body or for giving to someone how can grow a beard.
