Margaret A.L. Harrison

Mr. Cat Ruth Corrin,1990-12-31 Picture story book for children writtn by a New Zealander.

The Remarkable Friendship of Mr. Cat and Mr. Rat Rick Walton,2006 Move over Tom and Jerry-there's a new cantankerous pair ready to tickle funny bones! Mr. Cat and Mr. Rat have always enjoyed playfully torturing each other, so when Mr. Rat finds a package from Mr. C, he is understandably suspicious. But when it turns out to be a huge hunk of cheese (that isn't poisonous), Mr. Rat is thrilled and reciprocates with a nice gift for Mr. Cat. This leads to a string of gifts going back and forth, but the friends are always at least a little cautious each time they get a package. It's hard to tell when one might contain a not-so-nice surprise.

Clever Mr Cat Apollo Stark,2023-03-01 One winter's night, a hungry cat walking in a wood, spotted a pigeon in a leafless tree. "Good evening, Mrs Pigeon," said the cat. "You are clever to be able to fly, but you're not as clever as me." Using repetition, Apollo Starks's fable, *Clever Mr Cat* is a great way to help young children become familiar with, recognise and learn new words, and this story, in the much loved tradition of Aesop, is not only darkly entertaining but also has a moral ending to the tale.

Mr. Cat and the Little Girl Wang Yu Wei,2019-10 Mr. Cat spends his days alone. When he goes out to paint a beautiful winter landscape, he finds a little girl. He decides to take her home. The girl colors his world... until she disappears A poetic story about friendship and saying good-bye. For daydreamers ages 5 years and up.

Mr Cat in Business Gianni Rodari,1975 Mr Cat opens a shop and decides that tinned mice is a product which will make him rich, but he hadn't considered the cleverness of the mice.

Handbook of Middle American Indians, Volume 16 Margaret A.L. Harrison,1976-03-01 The publication of Volume 16 of this distinguished series brings to a close one of the largest research and documentation projects ever undertaken on the Middle American Indians. Since the publication of Volume 1 in 1964, the Handbook of Middle American Indians has provided the most complete information on every aspect of indigenous culture, including natural environment, archaeology, linguistics, social anthropology, physical anthropology, ethnology, and ethnohistory. Culminating this massive project is Volume 16, divided into two parts. Part I, Sources Cited, by Margaret A. L. Harrison, is a listing in alphabetical order of all the bibliographical entries cited in Volumes 1-11. (Volumes 12-15, comprising the Guide to Ethnohistorical Sources, have not been included, because they stand apart in subject matter and contain or constitute independent bibliographical material.) Part II, Location of Artifacts Illustrated, by Marjorie S. Zengel, details the location (at the time of original publication) of the owner of each pre-Columbian American artifact illustrated in Volumes 1-11 of the Handbook, as well as the size and the catalog, accession, and/or inventory number that the owner assigns to the object. The two parts of Volume 16 provide a convenient and useful reference to material found in the earlier volumes. The Handbook of Middle American Indians was assembled and edited at the Middle American Research Institute of Tulane University with the assistance of grants from the National Science Foundation and under the sponsorship of the National Research Council Committee on Latin American Anthropology.

Mr. Cat Meets Kitten! Hannah Teakle,2019-11-16 Mr. Cat has a wonderful life, spending his days playing with his toys and having fun with his human. Everything changes the day his human brings home something called Kitten. Follow along as Mr, Cat works through his frustrations with Kitten and ultimately realizes that he's happy to have Kitten in his life. The rich, textured, and vibrant illustrations on each page will engage children and parents alike in the emotional journey of Mr. Cat. The story is very accessible and perfect for young readers learning to sound out words and sentences. Reviewed By Amy Raines for Readers' Favorite (5 Stars)Mr. Cat Meets Kitten! by Hannah Teakle is an adorable children's story about a cat that is used to being the only fur baby his human needs. When Mr. Cat's human brings home a kitten, he discovers that he has a bit of a problem with sharing his things. How is he supposed to like a kitten that loves his human too? How is he supposed to be okay with a kitten eating his food and sleeping in his bed? Why would his human bring a kitten into their home when he thought they were just fine on their own? Can Mr. Cat accept Kitten and all his quirky ways?Mr. Cat Meets Kitten! by Hannah Teakle is an absolutely adorable children's story that shows how hard it can be for one pet to adjust to the introduction of a new pet into the household. I love how Mr. Cat kind of snubs Kitten at first because he doesn't want to share and how the kitten seems oblivious to the cat's irritation. The story of an older pet and a new one getting used to one another is definitely something a child would enjoy, especially with the way Teakle explains the rivalry and jealousy. The illustrations are bright and colorful as they tell the story through pictures so that kids can easily follow along. I recommend Mr. Cat Meets Kitten! to anyone with children who like fun picture books that will help them learn to read. I hope that Teakle has many more books with important lessons in them for readers in the future.

How Mr. Cat Fell Out with Mr. Rat and Other Stories Sylvester Renner,2013-01-01 For centuries, stories have been used by one generation to pass on morals, truths and lessons to the next generation. In traditional African villages, in the evening, the elders or older family members gather around in a circle to share stories. The vivid, illustrated stories capture the imagination of children and present a simple message. The simplicity of each story is carefully designed to summarize a truth, maxim or moral in a manner that is easily understood or digested by the eager listening children. A well-told story is a powerful communication medium, using imagery to illustrate a lesson or pass on a message. We all remember stories that we heard many years ago – because they captured our imagination, amused and fascinated us. Today, stories are widely used by people in all works of life from conference presenters to spiritual leaders. They offer a great channel of communication and can be used to anchor and effectively pass on a lesson. This book presents 10 stories from the African forest / context. The stories are rich with local African color and involve animals (typical of the African forest). One of the stories provides an amusing explanation for why certain things are the way they are – for instance – Why Mr. Leopard is spotted. In this story, the reader / listener is cautioned about the use and perils of fire. The feature story, How Mr. Cat Fell Out With Mr. Rat, (after which the book is titled) provides an amusing explanation for why cats and rats do not get along – and cats are always chasing rats. Picking the wrong friend, who has different values and focus, will not result in peace. The simplicity and narration of the stories will entertain children in particular and readers of all ages! You are sure to learn something new or see something from a different light after reading each story.
