Mr Perfect Linda Howard,2012-12-11 What would make your perfect man? That's the delicious topic heating up the proceedings at a certain table of professional women at their favourite restaurant. As the conversation picks up momentum, so do the quartet's requirements for Mr Perfect. And they write down a tongue-in-cheek list that's both funny and racy. The next thing Jaime Bright and her three girlfriends know, the List becomes an overnight sensation, grabbing the interest of local newspapers and television coverage. No one expected this avalanche of attention for something that began as a joke among friends. But the joke turns deadly serious when one of the four is murdered... The prime suspect in the case is the victim's boyfriend, one of a number of men who found the List sexist and offensive. But an impenetrable alibi gets him off the hook. Now, with the help of Jaime's neighbour, an unpredictable police detective, the puzzle must be solved - and time is running out as a deadly stalker targets the three remaining friends, and the dream of Mr Perfect becomes a chilling nightmare.

**Mr. Perfect** Shelagh McEachern,2004 Verrick Grant accidentally sets off the alarm in her brand new apartment, upsetting her new neighbor, Lionel Parford. Lionel appears at her door impeccably groomed, confident, and obviously irritated, prompting Verrick to dub her neighbor, Mr. Perfect. Verrick watches enviously as Lionel's perfection reaches dizzying heights. The man succeeds at everything, is always neat and tidy, has the extended family that Verrick can only dream of, and yet manages to only catch her when she's in some state of disarray or alarm. She detests him, but as he lives next door, she finds it impossible to avoid him. As time passes, Verrick finally finds the chinks in his armor and begins to warm up to him. And as he sees more and more of Verrick, Lionel begins to realize that she is much more than a dizzy neighbor; in fact, she just might be the woman he's been waiting for.
