The Complete Works of Charles Dickens Charles
Dickens, 2021-02-01 Charles Dickens is the greatest
writer of the Victorian era who became the classic
of English literature while still being alive.
This book contains the cream of author's
creations. Here can be found an amusing novel
about the adventures of English gentlemen The
Pickwick Papers and fascinating story Great
Expectations about wealth that came upon a young
apprentice Pip. The book is garnished with such
novels as Oliver Twist which is about a young
vagrant who unexpectedly finds relatives and David
Copperfield that describes the power of human will
in overcoming any difficulties on the way to
happiness. Dickens can be called one of the most
human loving authors, he teaches the reader to be
sincerely happy or sad. To be sad because of the

horrible misery the characters of his books feel, to be happy due to kind and soft humour inseparable with the narration of his characters' life adventures.
