Stern's Guide to the Cruise Vacation Stephen Stern,1994

Around Manhattan Island and Other Maritime Tales of New York Brian J. Cudahy,1997 Cudahy begins with a history of the Circle Line and its forerunners and erstwhile competitors in the around-Manhattan sightseeing business. Next, he gives us the fascinating story of the fastest ocean liner of all time: the S.S. United States. The noble history of the New York Fire Department's fire boats is next, followed by the story of the Iron Steamboat Company's sidewheelers, which ferried passengers to the magical Coney Island from 1881 to 1932. Then there is the tragic 1932 explosion of the steamboat Observation, with its parallels to an earlier and even more devastating tragedy at nearly the same spot. Finally, Cudahy tells, in fascinating detail, of the New York-to-Bermuda cruises - as they were in yesteryear, and as they are today.

Superleuk, maar voortaan zonder mij David Foster Wallace, 2011-10-07 Hilarisch portret van een cruise. Superleuk – maar voortaan zonder mij is het onvervalste verslag van de week die de Amerikaanse auteur David Foster Wallace doorbracht aan boord van het luxe cruiseschip De Zenit in de Cariben. Met een bewonderenswaardig oog voor detail beschrijft hij wat hij heeft meegemaakt, gehoord, gezien, geroken en geproefd. Dit uiterst geestige bericht uit de microkosmos van een drijvend amusementspark groeit door zijn scherpe observatievermogen uit tot een doorlichting van de Amerikaanse samenleving. Foster Wallace betoont in dit hoogstandje van maritieme reisliteratuur zijn bedrevenheid als manisch portrettist van ons dagelijkse bestaan in een kakofonische tijd. David Foster Wallace geldt als een van de belangrijkste auteurs van zijn generatie, wordt vergeleken met Don

DeLillo en Thomas Pynchon, en is vanwege zijn engagement en experimenteerdrijf een groot voorbeeld geweest voor auteurs als Jonathan Safran Foer en Dave Eggers.
