But her head can't convince her heart of this truth. Even though she finally has everything she wants-freedom to trek the galaxy; the respect, if not the admiration of the colonists; the boy, her first friend and first love-the aching void in her chest tells her that something is still missing. So, with thoughts and feelings she cannot explain to herself, let alone to those she loves, Evelyn will throw herself into another mystery-one that will span the galaxy and may cost her everything she holds most dear, all with the hope she'll find that 'something' that's missing ... a place to call home.
