*John McCain* Robert Timberg,2007-09-18 From the Naval Academy to the POW camps of Vietnam to Capitol Hill and possibly to the White House -- one of America's most remarkable men In 1998, at the dedication of the National Prisoner of War Museum in Andersonville, Georgia, former Attorney General Griffin Bell, a Democrat, introduced Senator John McCain, the featured speaker and a Republican, with these words: We often hear people now say, where are our heroes, where have all our heroes gone? Well, Senator McCain is an authentic, living American hero. So begins Robert Timberg's gripping and penetrating biography of Senator John McCain, the man who may someday be President of the United States. In *John McCain: An American Odyssey*, Timberg provides a riveting account of McCain's remarkable life -- from his rambunctious childhood and his madcap escapades as a U.S. Naval Academy midshipman to his grim experiences as a combat pilot and POW in Vietnam, where he was held prisoner by the North Vietnamese for five and a half years. Most importantly, the author illuminates Senator McCain's postwar evolution into one of our country's most distinguished political leaders and a formidable presidential candidate. Inspired by the success of *The Nightingale's Song* (selected by *The New York Times* as a Notable Book of the Year in 1995 and by *Time* as one of that year's five best nonfiction books), *John McCain: An American Odyssey* probes more deeply into the life of this hugely colorful, straight-talking American original. It is a rich and captivating portrait of one of America's most fascinating and provocative public figures -- a man who has captured the imagination of millions of Americans and who will continue to be a most prominent figure on the American political landscape.

**Communities of Play** Celia Pearce,2011-09-30 The odyssey of a group of “refugees” from a closed-down online game and an exploration of emergent fan cultures in virtual worlds. Play communities existed long before massively multiplayer online games; they have ranged from bridge clubs to sports leagues, from tabletop role-playing games to Civil War reenactments. With the emergence of digital networks, however, new varieties of adult play communities have appeared, most notably within online games and virtual worlds. Players in these networked worlds sometimes develop a sense of community that transcends the game itself. In *Communities of Play*, game researcher and designer Celia Pearce explores emergent fan cultures in networked digital worlds—actions by players that do not coincide with the intentions of the game’s designers. Pearce looks in particular at the Uru Diaspora—a group of players whose game, *Uru: Ages Beyond Myst*, closed. These players (primarily baby boomers) immigrated into other worlds, self-identifying as “refugees”; relocated in *There.com*, they created a hybrid culture integrating aspects of their old world. Ostracized at first, they became community leaders. Pearce analyzes the properties of virtual worlds and looks at the ways design affects emergent behavior. She discusses the methodologies for studying online games, including a personal account of the sometimes messy process of ethnography. Pearce considers the “play turn” in culture and the advent of a participatory global playground enabled by networked digital games every bit as communal as the global village Marshall McLuhan saw united by television. Countering the ludological definition of play as unproductive and pointing to the long history of pre-digital play practices, Pearce argues that play can be a prelude to creativity.

This is the weird and wacky world of *Wild Masterpieces*, based on the Instagram account of the same name. Each inspirational quote featured in *Wild Masterpieces* assures us that if we stay paw-sitive, life can be udder-ly wonderful. Hilariously offbeat and heartwarming, this quirky humor book will bring a smile to anyone's face and make life seem a little less serious. • Includes never-before-seen majestic animal portraits • Perfect for a gag gift exchange or pick-me-up present • Nice conversation starter or addition to the coffee table • Great for fans of *Sorry I Barfed on Your Bed (and Other Heartwarming Letters from Kitty)* by Jeremy Greenberg, *Cats on Catnip* by Andrew Marttila, and *Sad Animal Facts* by Brooke Barker Nature and wildlife enthusiasts, animal lovers and pet owners, and Bob Ross and awkward family portrait fans alike will love this laugh-out-loud funny book.
