Such a Much Better Way! Elizabeth Lacy Faxon,2009-04 In his unfathomable wisdom God has created delicious, health-giving food, some of which is still available to us today. More accessible, however, is the food we all have come to love, that which has been altered, for reasons not related to health. The whole food plant-based recipes in this book are not just delicious; they are nutritious and cost effective also. Go with Elizabeth on an enlightening trip through two entirely different types of cancer therapy, one of which has become for her a vibrant new life-style. The bulk of this book consists of pages from her journal written as she lived it. Elizabeth Lacy Faxon was born in Virginia and now lives in California with her husband, Glen. Her childhood ambition was to be a wife and mother. Now, five children and 12 grandchildren later, she is enjoying a life-style of which she knew little for most of her life. This life-style change came about because of a cancer diagnosis, and has revealed to her a need in our society for Godly wisdom in caring for our health. Elizabeth's interest in health was sparked not only by her own physical problem, but by those of friends and neighbors. Her volunteer nursing home ministry for the past 31 years has put her in touch with the needs there as well. Now life is exciting and rewarding as she and her husband enjoy the good stuff that God has created!

Jesus > Religion Jefferson Bethke, 2013-10-14 Abandon dead, dry, religious rule-keeping and embrace the promise of being truly known and deeply loved. Jefferson Bethke burst into the cultural conversation with a passionate, provocative poem titled Why I Hate Religion, But Love Jesus. The 4-minute video became an overnight sensation, with 7 million YouTube views in its first 48 hours (and 23+ million in a year). Bethke's message clearly struck a chord with believers and nonbelievers alike, triggering an avalanche of responses running the gamut from encouraged to enraged. In his New York Times bestseller *Jesus > Religion*, Bethke unpacks similar contrasts that he drew in the poem--highlighting the difference between teeth gritting and grace, law and love, performance and peace, despair, and hope. With refreshing candor, he delves into the motivation behind his message, beginning with the unvarnished tale of his own plunge from the pinnacle of a works-based, fake-smile existence that sapped his strength and led him down a path of destructive behavior. Along the way, Bethke gives you the tools you need to: Humbly and prayerfully open your mind Understand Jesus for all that he is View the church from a brand-new perspective Bethke is quick to acknowledge that he's not a pastor or theologian, but simply an ordinary, twenty-something who cried out for a life greater than the one for which he had settled. On this journey, Bethke discovered the real Jesus, who beckoned him with love beyond the props of false religion. Praise for *Jesus > Religion*: Jeff's book will make you stop and listen to a voice in your heart that may have been drowned out by the noise of religion. Listen to that voice, then follow it--right to the feet of Jesus. --Bob Goff, author of New York Times bestsellers *Love Does* and *Everybody, Always* The book you hold in your hands is Donald Miller's *Blue Like Jazz* meets C. S. Lewis's *Mere Christianity* meets Augustine's *Confessions*. This book is going to awaken an entire generation to Jesus and His grace. --Derwin L. Gray, lead pastor of Transformation Church, author of *Limitless Life: Breaking Free from the Labels That Hold You Back*

Much Better Or Much Worse Steven Latorre,2017-07-27 A novel of the Millennial Generation, giving a poignant look at the disillusionment and angst of the post--Great Recession generation. The story follows the flamboyant Katherine and the hapless Eli as they journey through the wild nightlife of New York with a motley group of drifters and waiters and hobos. It is an age of moral bankruptcy, spiritual dissolution, unrealized love, and vanishing illusions. Written in a sparse, poetic style, the author attempts to paint a picture of New York, both the good and the bad, with simplicity and poise, as well as put forward the very real question: whether we are now much better or much worse?

The Mortifications Derek Palacio,2017-08-22 Derek Palacio's stunning, mythic novel marks the arrival of a fresh voice and a new chapter in the history of 21st century Cuban-American literature. In 1980, a rural Cuban family is torn apart during the Mariel Boatlift. Uxbal Encarnación—father, husband, political insurgent—refuses to leave behind the revolutionary ideals and lush tomato farms of his sun-soaked homeland. His wife Soledad takes young Isabel and Ulises hostage and flees with them to America, leaving behind Uxbal for the promise of a better life. But instead of settling with fellow Cuban immigrants in Miami's familiar heat, Soledad pushes further north into the stark, wintry landscape of Hartford, Connecticut. There, in the long shadow of their estranged patriarch, now just a distant memory, the exiled mother and her children begin a process of growth and transformation. Each struggles and flourishes in their own way: Isabel, spiritually hungry and desperate for higher purpose, finds herself tethered to death and the dying in uncanny ways. Ulises is bookish and awkwardly tall, like his father, whose memory haunts and shapes the boy's thoughts and desires. Presiding over them both is Soledad. Once consumed by her love for her husband, she begins a tempestuous new relationship with a Dutch tobacco farmer. But just as the Encarnacións begin to cultivate their strange new way of life, Cuba calls them back. Uxbal is alive, and waiting. Breathtaking, soulful, and profound, *The Mortifications* is an intoxicating family saga and a timely, urgent expression of longing for one's true homeland.
