Mysteries Knut Hamsun, 2001-01-01 The first complete English translation of the Nobel Prize-winner's literary masterpiece A Penguin Classic *Mysteries* is the story of Johan Nilsen Nagel, a mysterious stranger who suddenly turns up in a small Norwegian town one summer--and just as suddenly disappears. Nagel is a complete outsider, a sort of modern Christ treated in a spirit of near parody. He condemns the politics and thought of the age, brings comfort to the "insulted and injured," and gains the love of two women suggestive of the biblical Mary and Martha. But there is a sinister side of him: in his vest he carries a vial of prussic acid... The novel creates a powerful sense of Nagel's stream of thought, as he increasingly withdraws into the torture chamber of his own subconscious psyche. For more than seventy years, Penguin

has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Father Tom Mysteries: Books 4-6 J. R. Mathis, Susan Mathis, 2021-11-27
Enjoy this Contemporary Small Town Amateur Sleuth Mystery Boxset This is a boxset of books 4-6 in The Father Tom Mysteries. Meet Father Tom Greer and Detective Helen Parr, former lovers reunited after twenty years, as they solve crimes old and new--and explore the profound mysteries of the human heart. The Buried Bride (Book 4)--With the Archbishop's blessing, Helen and I are spending Lent building a relationship built on love--but without physical intimacy. And yes, it's as hard as it sounds. But this penitential season, I have other work to do. I need to rebuild my relationship with the families of St. Clare's after neglecting my duties as their shepherd. I must confess my sins to them, and ask their forgiveness. With these two tasks, I expected this Lent to be the longest of my life. But I didn't expect to be fighting to stay out of prison. The Defining Decision (Book 5)--After the astonishing news from the Archbishop, Helen and I are looking forward to possibly having a life together as husband and wife. That is, if the Holy Father grants me permission. While awaiting word from the Vatican, we're getting to know each other more deeply. Going out on dates, spending time together, talking about what our life together will be like if we're allowed to marry. All of this under Anna's watchful eye, and being very careful to keep things secret. But then Gladys runs over the President of Myer College's chief of staff. What looks like a tragic accident takes a bizarre turn when drugs are found in his system. Is the young genius I consider a daughter guilty of murder, or is she being set up by someone from her past? The Silent Shooter (Book 6)--The Pope's decision to allow us to marry captures the imagination of the entire world. Finally, after having to hide our relationship from all but a few close friends, we can openly proclaim our love for each other, and celebrate with our parish family our future lives together. But not everyone, it seems, is happy with our plans. First come the letters, threatening Helen with divine justice if she persists in her plans. Then, on live television, someone takes a shot at us. It soon becomes apparent that someone's decided to stop us at any cost. But Helen already knows who wants her dead. It's someone from her past as a Detective in Washington, D.C. A serial killer who sees himself acting as God's instrument to kill impure women. With little to go on besides the letters of a lunatic and a possible connection between the killer and a fanatic priest with his own agenda, we're in a race against time to find a killer--before the killer finds us first. The Father Tom Mysteries, Books 4-6 is the second book in The Father Tom Mysteries Boxset series, a contemporary small town mystery series. It features Father Tom Greer, a Catholic Priest who is also an amateur sleuth in the tradition of Father Brown. If you enjoy the works of Rhys Dylan, Andrew Mayne, and Mary Stone, you will enjoy this novel.

The Daisy Dalrymple Mysteries Carola Dunn, 2015-05-05 More than twenty years ago, Carola Dunn introduced to the world the charming, vivacious and perspicacious Daisy Dalrymple and the tumultuous decade of the 1920s, in an England barely starting to recover from World War I and now undergoing rapid

social changes. **Death at Wentwater Court:** In early 1923, the young Honourable Daisy Dalrymple has made a decision that shocks her social class—she's decided to make her own living as a writer. Landing an assignment to write a series of articles on country manor houses, Daisy travels to Wentwater Court to research her first piece. There she finds a household in turmoil, filled with holiday guests and recriminations. But that's nothing compared to the uproar when one of those guests turns up dead in an accident. **The Winter Garden Mystery:** Continuing her assignment on country manor houses, Daisy travels to gloomy Occles Hall, which is under the charge of the autocratic Lady Valeria. While touring the gardens, Daisy discovers the body of a parlor maid that had gone missing two months prior. Distressed by the ineptitude of the local police force, Daisy plunges in to help find the killer before he strikes again. **Requiem for a Mezzo:** Back in London, Daisy attends a performance of Verdi's Requiem. During the show, the lead soprano keels over dead of an apparent poisoning. Joining Daisy in figuring out what happened is Scotland Yard Detective Inspector Alec Fletcher. The two embark on finding who wanted the singer dead, and why.

Motel of the Mysteries David Macaulay, 1979-10-11 It is the year 4022; all of the ancient country of Usa has been buried under many feet of detritus from a catastrophe that occurred back in 1985. Imagine, then, the excitement that Howard Carson, an amateur archeologist at best, experienced when in crossing the perimeter of an abandoned excavation site he felt the ground give way beneath him and found himself at the bottom of a shaft, which, judging from the DO NOT DISTURB sign hanging from an archaic doorknob, was clearly the entrance to a still-sealed burial chamber. Carson's incredible discoveries, including the remains of two bodies, one of them on a ceremonial bed facing an altar that appeared to be a means of communicating with the Gods and the other lying in a porcelain sarcophagus in the Inner Chamber, permitted him to piece together the whole fabric of that extraordinary civilization.
