Spenser Robert B. Parker, 2022-05-24 The Boston PI agrees to an interview in this entertaining blend of short story and biographical profile by the legendary mystery author. Spenser and his psychologist girlfriend, Susan, are relaxing in a courtyard on a lovely June afternoon. But accompanying them is Susan's friend Amy, and she's got a project: a book examining the men in risky professions—cops, firemen, special forces soldiers . . . and PIs. Requesting some help in her research, she peppers Spenser with questions. This short work by the New York Times—bestselling author of the Spenser series follows the stories he tells in his inimitable style, on topics ranging from his childhood to his personal relationships to, most intriguingly, what gets him up every morning to take on the bad guys once again. “The toughest, funniest, wisest, private eye in the field.” —Houston Chronicle “Spenser probably had more to do with changing the private eye from a coffin-chaser to a full-bodied human being than any other detective hero.” —Chicago Sun-Times Previously published in the collection *In Pursuit of Spenser*

Finally, Something Mysterious Doug Cornett, 2022-11-22 The best mysteries can only be solved with your best friends. The perfect summer read for fans of Stuart Gibbs. Paul Marconi has always thought that Bellwood was a strange town, but also a boring one. Not much for an eleven-year-old to do. Fires are burning nearby, Paul's parents are obsessed with winning a bratwurst contest, and his best friend, one of the founding members of their only-child detective club, the One and Onlys, is about to acquire a younger sister, sort of undoing their whole reason for existing. But then! Hundreds of rubber duckies have appeared on the lawn of poor Mr. Babbage without any explanation. Finally! There is something that Paul and his friends can actually investigate. In the face of all these bizarre occurrences, Paul is convinced that uncovering who deposited the duckies will finally bring some sense to what has become an upside-down world. Soon the three friends have a long list of suspects, all with their own motives, but no clear culprit. When everything comes to a head at the town's annual Bellwood Bratwurst Bonanza, Paul discovers that some things don't have an easy explanation and not every mystery can be solved. A perfect summer story about friends, amateur sleuthing, and a whole lot of rubber duckies. “The perfect mix of hilarious and heartwarming—kids won't be able to get enough of Paul and his friends' Bellwood adventures.”—Elsie Chapman, author of *All the Ways Home* Delightful fun for budding mystery fans.--Kirkus A diverting mystery with clever misdirection that will keep readers guessing until the end.--The Bulletin The quirkiness of the premise and the light, punny humor give the narrative its momentum.--Booklist The One and Onlys seem primed to become a popular trio among readers who enjoy an old-fashioned whodunit.--Publishers Weekly

The stories in this unique collection were commissioned by the Mysterious Bookshop. They were written by some of the mystery genre’s most distinguished authors. Tough guys like Ken Bruen, Reed Farrel Coleman, Loren D. Estleman, and Mickey Spillane and Max Allan Collins. Bestsellers like Nelson DeMille, Anne Perry, and Jeffery Deaver. Edgar winners such as C. J. Box, Thomas H. Cook, and Laura Lippman. Here you will discover Sigmund Freud dealing with an unwelcome visitor; Columbo confronting a murderous bookseller; a Mexican cartel kingpin with a fatal weakness for rare books; and deadly secrets deep in the London Library; plus books with hidden messages, beguiling booksellers, crafty collectors, and a magical library that is guaranteed to enchant you. The stories have been published in seven languages—one has sold more than 250,000 copies as an e-book, and another won the Edgar Allan Poe Award as the Best Short Story of the Year. Who knew literature could be so lethal!

Mysterious Skin Scott Heim,2009-03-17 Wrenching . . . powerfully sensuous. – New York Times As searing and unforgettable as an electric shock. –Kirkus Reviews At the age of eight Brian Lackey is found bleeding under the crawl space of his house, having endured something so traumatic that he cannot remember an entire five-hour period of time. During the following years he slowly recalls details from that night, but these fragments are not enough to explain what happened to him, and he begins to believe that he may have been the victim of an alien encounter. Neil McCormick is fully aware of the events from that summer of 1981. Wise beyond his years, curious about his developing sexuality, Neil found what he perceived to be love and guidance from his baseball coach. Now, ten years later, he is a teenage hustler, unaware of the dangerous path his life is taking. His recklessness is governed by idealized memories of his coach, memories that unexpectedly change when Brian comes to Neil for help and, ultimately, the truth.
