Nagisa Furuya

Cinema, Censorship, and the State Nagisa Oshima,1993-08-13 The texts in this volume make up an intellectual autobiography that reveals a rare conjunction of personal candor and political commitment. Nagisa Oshima is generally regarded as the most important Japanese film director after Kurosawa and is one of Japan's most productive and celebrated postwar artists. His early films represent the Japanese New Wave at its zenith, and the films he has made since (including *In the Realm of the Senses* and *Merry Christmas, Mr. Lawrence*) have won international acclaim. The more than 40 writings that make up this intellectual autobiography reveal a rare conjunction of personal candor and political commitment. Entertaining, concise, disarmingly insightful, they trace in vivid and carefully articulated detail the development of Oshima's theory and practice. The writings are arranged in chronological order and cover the period from the mid-1950s to the mid-1980s. Following a historical overview of the contemporary Japanese cinema, a substantial section articulates the theoretical and political rationale of Oshima's film production. Among many other topics considered in his essays, Oshima questions the economics of film production, the ethics of the documentary film, censorship (both political and sexual), and the relation of aesthetics and social taboos. A filmography and notes round out this important collection.

Only the Stars Know Nagisa Furuya,2024-05-28 A self-contained Boys' Love romance about two men connecting after a serendipitous first meeting--by the creator of *The Two Lions* (also from *Seven Seas*)! After suffering a loss both at work and in his personal life, college student Sora feels crushed. A stiff night walk to process his thoughts leads him to a discovery: a handsome man sitting in a secluded spot in the park that's perfect for stargazing. Sora and the man start chatting, and he feels comfortable enough to start talking about his problems--but he's still stunned when the man kisses him! Although Sora initially writes off the night as an unexpected connection with a stranger, this isn't the last he'll see of the man who stares up at the sky.

The Art of Discarding Nagisa Tatsumi,2017-03-14 The book that inspired Marie Kondo's *The Life Changing Magic of Tidying Up*, Nagisa Tatsumi's international bestseller offers a practical plan to figure out what to keep and what to discard so you can get--and stay--tidy, once and for all. Practical and inspiring, *The Art of Discarding* (the book that originally inspired a young Marie Kondo to start cleaning up her closets) offers hands-on advice and easy-to-follow guidelines to help readers learn how to finally let go of stuff that is holding them back -- as well as sage advice on acquiring less in the first place. Author Nagisa Tatsumi urges us to reflect on our attitude to possessing things and to have the courage and conviction to get rid of all the stuff we really don't need, offering advice on how to tackle the things that pile up at home and take back control. By learning the art of discarding you will gain space, free yourself from accumulation syndrome, and find new joy and purpose in your clutter-free life.

Jealousy Blinds Love Eiji Nagisa,2024-03-25 Once a child prodigy pianist, Shion Kirino is now a burnt-out, bitter shell of himself, lost in grief over his mother's passing and his own dying passion toward the musical career that had defined his connection to her. When he's approached by Kei Takase — a talented younger colleague who professes his admiration for Kirino — he ends up inviting him home for sex, intending on toying with his feelings. When Takase isn't deterred by Kirino's abrasive exterior, Kirino finds that he cannot deny Takase's unwavering devotion... But practicing piano together and celebrating Takase's successes also stirs up Kirino's own insecurities and distorted sense of jealousy. After a lifetime of loneliness, can he find salvation in Takase without dragging him down? This book

contains explicit sexual content. It is not intended for anyone under 18 years of age.

The Films of Oshima Nagisa Maureen Turim,2023-04-28 This study of the films of Oshima Nagisa is both an essential introduction to the work of a major postwar director of Japanese cinema and a theoretical exploration of strategies of filmic style. For almost forty years, Oshima has produced provocative films that have received wide distribution and international acclaim. Formally innovative as well as socially daring, they provide a running commentary, direct and indirect, on the cultural and political tensions of postwar Japan. Best known today for his controversial films *In the Realm of the Senses* and *The Empire of Passion*, Oshima engages issues of sexuality and power, domination and identity, which Maureen Turim explores in relation to psychoanalytic and postmodern theory. The films' complex representation of women in Japanese society receives detailed and careful scrutiny, as does their political engagement with the Japanese student movement, postwar anti-American sentiments, and critiques of Stalinist tendencies of the Left. Turim also considers Oshima's surprising comedies, his experimentation with Brechtian and avant-garde theatricality as well as reflexive textuality, and his essayist documentaries in this look at an artist's gifted and vital attempt to put his will on film.

My Ultramarine Sky Nagisa Furuya,2023-12-26 From the creator of *My Summer of You* comes a high school romance about two friends who've always been in the same class, but when a new school year separates them, they realize that their feelings for each other might run deeper than friendship... Daido Moriyama Mark Holborn,2017-09-12 Inspired by the work of an earlier generation of Japanese photographers, especially by Shomei Tomatsu, and by William Klein's seminal photographic book on New York, Daido Moriyama moved from Osaka to Tokyo in the early sixties to become a photographer. He became the leading exponent of a fierce new photographic style that corresponded perfectly to the abrasive and intense climate of Tokyo during a period of great social upheaval. His black and white pictures were marked by fierce contrast and fragmentary, even scratched, frames, which concealed his virtuoso printing. Between June 1972 and July 1973 he produced his own magazine publication, Kiroku, which was then referred to as Record. It became a diaristic journal of his work as it developed. Ten years ago he was able to resume publication of Record, which gradually expanded in extent. To date he has published thirty issues, a number of them including colour. The publication of Record as a book enables work from all thirty issues to be edited into a single sequence, punctuated by Moriyama's own text as it appeared in the magazines. It used to be assumed that Moriyama's peculiarly Japanese style was tied to his Tokyo roots. The evidence of the last ten years demonstrates that Moriyama, a restless world traveller, has been able to apply his unique vision to northern Europe, southern France, the cities of Florence, London, Barcelona, Taipei, Hong Kong, New York and Los Angeles as well as to the alleys of Osaka, and the landscape of Hokkaido. The book ends in Afghanistan.
