**Studio Najbrt: Life Happiness Surprise** Alan Záruba, Studio Najbrt, 2007 Surveying the ubiquitous work of the famed Czech graphic design studio The Czech graphic design studio Najbrt has carved out an extraordinary spot in its home market: total ubiquity. Founder and principal Ales Najbrt designs books (Czech100 Design Icons), magazines (Raut), dinner plates (with abstract calligraphic motifs), sporting equipment (LTB's camouflage snowboard), clothes (racing stripe hat, scarf and satin boxers) and posters (including one for his own work). Featuring 1,280 color images, this collection of Najbrt and his compatriots' lively, bright and colorful work pulls together a wide range of corporate commissions, book designs, exhibition projects and other innovative work. It is introduced by the pioneering design critic Rick Poynor, and features a profile of Studio Najbrt by the designer and design journalist Alan Zaruba, editor of the volume, and an interview with Ales Najbrt himself. An instant collector's item, it is designed with a Lotto-style silver scratch-off cover.

Inspiration Petrula Vrontikis, 2002 Today's world is so flooded with images and information that only the freshest new designs get noticed. But dominating trends and carbon-copy successes often trap designers in been there, done that mediocrity. Inspiration = Ideas helps artists kick their work out of the clone zone and journey into new, uncharted visual territory. The book introduces readers to found design, where inspiration flows not from

successful finished designs, but from textures, colors, patterns, and primitive and offbeat imagery. From indigenous design (Brazilian canned good labels), traditional patterns (the hennaed hands of Indian brides), and captivating textures and materials (ikat paper) -- to examples of current local commercial design on simple things like food packaging -- this well-traveled sourcebook brings an endless stream of rare global images and ideas straight to designer's doorsteps. Complete with frequent sidebars that explore how successful designers are inspired by and have used found design in their work, this exotic visual tour will enable artists to bring their work from common and bland to original and beautiful.
