18 DAYS ISSUE 15: NAKULA AND SAHADEVA'S BIG ADVENTURE GRANT MORRISON, While we’ve chronicled the moral and spiritual battle the Pandava brothers Arjuna, Yudish, and Bhima are engaged in, we’ve never delved deep into the stories of the twin Pandavas – Nakula and Sahadeva. Journey back with us as we tell you a tale of heroes that are overlooked by history and myth. A tale in which two young brothers must seek out their own adventure and try to find glory for themselves, outside of the shadows their brothers cast.

Mahabharata Dr. R. Krishnan D.Sc. (Paris),2023-05-08 The Mahabharata describes the Krishnavatara because Krishna plays a major role. The teaching of Bhagavad Gita to Arjuna is a precious jewel found in it. Then there is a long chapter of Bhishma's advice to Yudhishtira including the Vishnu Sahasranama, which is chanted by many. This epic is considered even as the fifth Veda.

The Mahabharata – Unfolding the timeless classic of victory of time.

The Mahabharata Ramesh Menon,2006-07-20 The Mahabharata is the more recent of India's two great epics, and by far the longer. First composed by the Maharishi Vyasa in verse, it has come down the centuries in the timeless oral tradition of guru and sishya, profoundly influencing the history, culture, and art of not only the Indian subcontinent but most of south-east Asia. At 100,000 couplets, it is seven times as long as the Iliad and the Odyssey combined: far and away the greatest recorded epic known to man. The Mahabharata is the very Book of Life: in its variety, majesty and, also, in its violence and tragedy. It has been said that nothing exists that cannot be found within the pages of this awesome legend. The epic describes a great war of some 5000 years ago, and the events that led to it. The war on Kurukshetra sees ten million warriors slain, brings the dwapara yuga to an end, and ushers in a new and sinister age: this present kali yuga, modern times. At the heart of the Mahabharata nestles the Bhagavad Gita, the Song of God. Senayor ubhayor madhye, between two teeming armies, Krishna expounds the eternal dharma to his warrior of light, Arjuna. At one level, all the restless action of the Mahabharata is a quest for the Gita and its sacred stillness. After the carnage, it is the Gita that survives, immortal lotus floating upon the dark waters of desolation: the final secret! With its magnificent cast of characters, human, demonic, and divine, and its riveting narrative, the Mahabharata continues to enchant readers and scholars the world over. This new rendering brings the epic to the contemporary reader in sparkling modern prose. It brings alive all the excitement, magic, and grandeur of the original-for our times.

A Treasure Trove of Wisdom Musiri (Late) R Parthasarathy,2022-02-28 The book, A Treasure Trove of Wisdom, written by Musiri R Parthasarathy, is a thoughtful collection of the rarest and the best stories and anecdotes from Indology, world literature and other religions. Simplified sStories based on complex philosophical abstractions like body, soul, super soul, Brahman, meditation, transmigration of the soul and ‘what happens to the soul after death?’ throw light into these riddles. The author has put his heart and soul to answer these knotty questions to global readers who might be curious about these topics. Despite the author writing this manuscript many years ago, even at that time, he had the foresight of the power of visual storytelling, which is considered as the powerful communication mechanism in this era of social media. The book can be read in any order, from any chapter onward. The story is presented in such a way that the reader finds the key message of the

book from any starting point. Through the book, the author drives home the message that different faiths converge to common wisdom -the God Almighty is causeless and the only Supreme Being.

THE MAHABHARATA of Krishna-Dwaipayana Vyasa Krishna-Dwaipayana Vyasa,2014-03-25 The Mahabharata, What is found here, may be found elsewhere. What is not found here, will not be found elsewhere. The ancient story of the Mahabharata casts the reader's mind across spiritual and terrestrial vistas and battlefields. Through the experiences of divine incarnations and manifest demons, a great royal dynasty is fractured along fraternal lines, resulting in the greatest war of good and evil ever fought in ancient lands. This most venerable of epics remains profoundly timeless in its teachings of truth, righteousness and liberation. This second edition ebook of the Mahabharata is Kisari Mohan Ganguli's 1896 translation and is complete with all 18 parvas in a single ebook. It features a comprehensive table of contents, book summaries and double linked footnotes.

Sahadeva Undercover Sahadevi M.,2022-03-19 From getting married twice to settling in the exquisite Maya Bhavan, everything went well for Sahadeva and his family until those from Hastinapura put an unacceptable demand before them. And then, he realized that HE was a medium in carrying out what Destiny demanded! But then, Sahadeva had realized that he was what he hadn’t wanted anyone to be. With a war round the corner, how will Sahadeva come to terms with himself?
