Nala's World Dean Nicholson,2020-09-29 Discover the nationally bestselling, true story of a life-changing friendship between a man and his rescue cat, Nala, as they adventure together on a bike journey around the world -- from the Instagram phenomenon @1bike1world. When 30-year-old Dean Nicholson set off from Scotland to cycle around the world, his aim was to learn as much as he could about our troubled planet. But he hadn't bargained on the lessons he'd learn from his unlikely companion. Three months after leaving home, on a remote road in the mountains between Montenegro and Bosnia, he came across an abandoned kitten. Something about the piercing eyes and plaintive meowing of the bedraggled little cat proved irresistible. He couldn't leave her to her fate, so he put her on his bike and then, with the help of local vets, nursed her back to health. Soon on his travels with the cat he named Nala, they forged an unbreakable bond -- both curious, independent, resilient and adventurous. The video of how they met has had 20 million views and their Instagram has grown to almost 750k followers -- and still counting! Experiencing the kindness of strangers, visiting refugee camps, rescuing animals through Europe and Asia, Dean and Nala have already learned that the unexpected can be pretty amazing. Together with Garry Jenkins, writer with James Bowen of the bestselling A Street Cat Named Bob, Dean shares the extraordinary tale of his and Nala's inspiring and heart-warming adventure together.

Nala and Damayanti Jean Bustos,2017-06-22 This translation from the Sanskrit is a far cry from Hollywood's garish portrayal of India's exquisite, ancient culture, which is also the world's oldest democracy. And, in contrast to the West's tale of Cinderella, the heroine in this story -- Damayanti -- chooses her own husband from a group of formally-assembled men in the custom known as girl's swayamvara or self-choice. Taken from recordings of Hindu holy men, original-source texts in Sanskrit, Hindi and Tibetan, innumerable conversations with speakers of those languages and a children's cartoon, this translation/transliteration is a labor of love, started in college classroom 40 years ago.
