Edgar Wallace

A History of Ghosts Peter H. Aykroyd, Angela Nanth, 2009-09-29 Peter Aykroyd spent his childhood watching his family's parlor sé ances through the crack of a basement door. Here, for the first time, Aykroyd tells the strange and delightful story that inspired his son, Dan, to make the mega-hit, Ghostbusters. Part history, part family legend, A History of Ghosts starts in 1848 in upstate New York, where the spiritualist craze first began. Aykroyd introduces the reader to notable mediums while telling the story of the development of spiritualism, interweaving a personal history marked by a fascination with ghosts and spirits with the larger narrative about the role the paranormal has played in our culture. Such legendary figures as Sir Arthur Conan Doyle and Harry Houdini appear and vanish. Everyone loves a good ghost story. Successful TV shows such as Medium and Ghost Hunters are proof that our national obsession with ghosts is here to stay. Millions of Americans believe in the paranormal—and even skeptics have heard a bump in the night and suspected it might be something supernatural.

Losing the Bond with God Katarzyna Peoples, 2011-04-07 Empirical research provides the basis for a comprehensive depiction of evangelical Christian men who self-identify as sexual addicts. Losing the Bond with God: Sexual Addiction and Evangelical Men offers a humane and constructive understanding of this issue, treating it from an objective perspective rather than the Christian perspective that is common to writings on the subject. Based on her own qualitative study of self-identified evangelical sex addicts, the author shows how these men must overcome the compartmentalization of their lives and improve the integration of religion, marriage, and sexuality if they are to break their destructive

patterns. The book addresses many of the most dominant issues specific to sexuality within the evangelical movement, such as sexual purity, gender roles, attitudes regarding homosexuality, and marriage. It begins with a framework for understanding the evangelical movement and its stance on sexual issues. and ends with a cumulative summary about evangelical men who self-identify as sexual addicts. Direct quotes and personal experiences from interviews are woven throughout the study, and appendices provide a detailed description of the author's research.

**Paranoid Science** Antony Alumkal, 2019-04-01  
Explores the Christian Right's fierce opposition to science, explaining how and why its leaders came to see scientific truths as their enemy For decades, the Christian Right's high-profile clashes with science have made national headlines. From attempts to insert intelligent design creationism into public schools to climate change denial, efforts to "cure" gay people through conversion therapy, and opposition to stem cell research, the Christian Right has battled against science. How did this hostility begin and, more importantly, why has it endured? Antony Alumkal provides a comprehensive background on the war on science—how it developed and why it will continue to endure. Drawing upon Richard Hofstadter's influential 1965 essay "The Paranoid Style in American Politics," Antony Alumkal argues that the Christian Right adopts a similar paranoid style in their approach to science. Alumkal demonstrates that Christian Right leaders see conspiracies within the scientific establishment, with scientists not only peddling fraudulent information, but actively concealing their true motives from the American public and threatening to destroy the moral foundation of society. By rejecting science, Christian Right leaders create their own alternative reality, one that does not

challenge their literal reading of the Bible. While Alunkal recognizes the many evangelicals who oppose the Christian Right's agenda, he also highlights the consequences of the war on reality—both for the evangelical community and the broader American public. A compelling glimpse into the heart of the Christian Right's anti-science agenda, *Paranoid Science* is a must-read for those who hope to understand the Christian Right's battle against science, and for the scientists and educators who wish to stop it.

**Straight to Jesus** Tanya Erzen, 2006-06-27 Every year, hundreds of gay men and lesbians join ex-gay ministries in an attempt to convert to non-homosexual Christian lives. In this fascinating study of the transnational ex-gay movement, Tanya Erzen focuses on the everyday lives of men and women at New Hope Ministry, a residential ex-gay program, over the course of several years. *Straight to Jesus* traces the stories of people who have renounced long-term relationships and moved from other countries out of a conviction that the conservative Christian beliefs of their upbringing and their own same-sex desires are irreconcilable. Rather than definitively changing from homosexual to heterosexual, the participants experience a conversion that is both sexual and religious as born-again evangelical Christians. At New Hope, they maintain a personal relationship with Jesus and build new forms of kinship and belonging. By becoming what they call new creations, these men and women testify to religious transformation rather than changes in sexual desire or behavior. *Straight to Jesus* exposes how the Christian Right attempts to repudiate gay identity and political rights by using the ex-gay movement as evidence that change is possible. Instead, Erzen reveals, the realities of the lives she examines actually undermine this anti-gay strategy.

**Webs of Smoke** Kathryn Meyer,Terry

Parssinen,2002-10-02 This fascinating history of international drug trafficking in the first half of the twentieth century follows the stories of American narcs and gangsters, Japanese spies, Chinese warlords, and soldiers of fortune whose lives revolved around opium. The drug trade centered on China, which was before 1949, the world's largest narcotic market. The authors tell the interlocking stories of the many extraordinary personalities\_sinister and otherwise\_involved in narcotics trafficking in Asia, Europe, and the United States. Drawing on a rich store of U.S., British, European, Japanese, and Chinese archives, this unique study will be invaluable for all readers interested in the drug trade and contemporary East Asian history.

**Tough Love** Cynthia Burack, 2014-02-01 *Exposes how ex-gay and postabortion ministries operate on a shared system of thought and analyzes their social implications.*

A staple of the culture wars, the struggle between Christian conservatives and progressives over sexuality and reproductive rights continues. Focusing on ex-gay ministries geared to helping same-sex attracted people resist their sexuality and postabortion ministries dedicated to leading women who have had an abortion to repent that decision, Cynthia Burack argues that both are motivated and characterized by a strain of compassion that is particular to Christian conservatism rather than a bias and hatred toward sexual minorities and sexually active women. This compassion reproduces the sexual ideology of the

Christian right and absolves Christian conservatives from responsibility for stigma and other forms of harm to postabortive and same-sex attracted people. Using the democratic theory of Hannah Arendt, the popular fiction of Ayn Rand, and the psychoanalytic thought of Melanie Klein, Burack studies the social and political effects of Christian conservative compassion.

**Banning 'Conversion Therapy'** Ilias

Trispiotis, Craig Purshouse, 2023-11-30 This book looks at why and how states should legally ban LGBTQ+ 'conversion therapy'. Few states have legislated against the practice, with many currently considering its legal ban. Banning 'Conversion Therapy' brings together leading academics, legal and medical practitioners, policymakers, and activists to illuminate the legislative and non-legislative steps that are required to protect individuals from the harms of 'conversion therapy' in different contexts. The book considers how best to address this complex and interdisciplinary legal problem which cuts across human rights law, criminal law, family law, and socio-legal studies, and which represents one of the key contemporary problems of LGBTQ+ equality and national and international human rights activism.

Preaching to Convert John Fletcher, 2013-11-13

Preaching to Convert offers an intriguing new perspective on the outreach strategies of U.S. evangelicals. Author John Fletcher frames these activities, from door-to-door proselytizing to the spirited sermons of superstar televangelists, as examples of activist performance, broadly defined here as acts performed before an audience in the hopes of changing hearts and minds. Most writing about activist performance has focused on left-progressive causes, events, and actors, and if evangelicals have appeared at all, they often appear as one-dimensional forces of ignorance or

bigotry against which brave (left-leaning) activists must fight. *Preaching to Convert* argues against such a constricted view of activism and for a more nuanced understanding of U.S. evangelicalism as a movement defined by its desire to win converts and spread the gospel. In other words, evangelicals are activist performers par excellence. The book positions evangelicals as a diverse, complicated group confronting the loss of conservative Christianity's default status in twenty-first-century U.S. culture. In the face of an increasingly secular age, evangelicals have been reassessing models of outreach. In acts like handing out Bible tracts to strangers on the street or going door-to-door with a Bible in hand, in elaborately staged horror-themed morality plays or multi-million-dollar creationist discovery centers, in megachurch services beamed to dozens of satellite campuses, and in controversial "ex-gay" ministries striving to return gays and lesbians to the straight and narrow, evangelicals are redefining what it means to be deeply committed in a pluralist world. The book's engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields.

Edgar Wallace - Ultimate Collection: Crime Novels, Detective Stories, Historical Works & Memoirs Edgar Wallace, 2023-12-29 Musaicum Press presents to you an ultimate Edgar Wallace collection, formatted to the highest digital standard and adjusted for readability on all devices. *The Straight Line* Tom Waidzunas, 2015-11-20 To be taken seriously, therapies that claim to "cure" homosexuality wrap themselves in lab coats. Even though the fit is bad, and such therapies and their theorists now inhabit the scientific fringe, the science of sexuality has made some adjustments, too, Tom Waidzunas tells us in this provocative work. Intervening in the politics of sexuality and science, *The Straight Line* argues that scientific definitions of sexual orientation do not merely reflect the results of investigations into human nature, but rather

emerge through a process of social negotiation between opposing groups. The demedicalization of homosexuality and the discrediting of reparative therapies, ex-gay ministries, and reorientation research have, Waidzunus contends, required scientists to enforce key boundaries around scientific expertise and research methods. Drawing on extensive participant observation at conferences for ex-gays, reorientation therapists, mainstream psychologists, and survivors of ex-gay therapy, as well as interviews with experts and activists, The Straight Line traces reorientation debates in the United States from the 1950s to the present, following homosexuality therapies from the mainstream to the margins. As the ex-gay movement has become increasingly transnational in recent years, Waidzunus turns to Uganda, where ideas about the scientific nature of homosexuality influenced the passage of the Anti-Homosexuality Act of 2014. While most studies treat the ex-gay movement as a religious phenomenon, this book looks at how the movement, in its attempts to establish legitimacy, has engaged with scientific institutions, shaping virulent anti-gay public policy.

The Yellow Snake Edgar Wallace, 1926

Age of Conan: Ghost of the Wall Jeff

Mariotte, 2006-01-31 Aided by a king's daughter and a circle of allies, a young warrior embarks on a quest against those who destroyed his people, and the tyrant who took the precious Teeth of the Ice Bear. And to do so, he must become his enemy's worst nightmare. He must become a ghost.

The Triumph of Love Eric Reitan, 2017-07-31

Recent years have witnessed an astonishing cultural and legal shift when it comes to homosexuality and same-sex marriage. Many Christians see these changes as a defeat for Christian values, often painting Christian opponents as sell-outs to secular culture. But can there be a genuinely Christian case for same-sex marriage? This book makes that case. While sensitive to scriptural issues, it focuses on a question that cannot be answered by Scripture alone: What does love for our gay and lesbian neighbors demand? This question calls us to pair theological, philosophical, and scriptural reflection with something else: attention to gay and lesbian lives. We must attend to the psychological research and, more importantly, to the stories our gay and lesbian neighbors tell us about themselves and their experience. Love does not permit us to plug our ears with Bible verses. While this book argues that Christian love calls us to make same-sex marriage available, the deeper conclusion is that Christian values prevail when we wrestle with these questions in a spirit of love: love for those with whom we disagree, and love for those most affected by the decisions we reach.

## **Narth Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Narth has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Narth has opened up a world of possibilities. Downloading Narth provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on

any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Narth has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Narth. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting

readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Narth. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Narth, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Narth has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Narth Books**

1. Where can I buy Narth books?  
 Bookstores:  
 Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.  
 Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?  
 Hardcover: Sturdy and durable, usually more expensive.  
 Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Narth book to read?  
 Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).  
 Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations.  
 Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Narth books?  
 Storage: Keep them away from direct sunlight and in a dry environment.  
 Handling: Avoid folding pages, use bookmarks, and handle them with clean hands.  
 Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or

- manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Narth audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Narth books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
