The Lion Is In Delia Ephron,2012-03-29 One of the sharpest observers of human behavior around.—Booklist (starred review) BY THE NEW YORK TIMES BESTSELLING AUTHOR OF SIRACUSA, coming in trade paperback on June 6, 2017! Tracee is a runaway bride and kleptomaniac. Lana's an audacious beauty, a recovering alcoholic. Rita is a holy-roller minister's wife, desperate to escape her marriage. One warm summer's night, these three women go on the lam together. Their car breaks down on a rural highway in North Carolina and they're forced to seek shelter in a seemingly abandoned nightclub. Which is where they meet Marcel. And soon everything changes. Marcel, you see, is a lion. Written with the deftness, humor, and sparkling wit that mark her books, plays, and movies, Delia Ephron's *The Lion Is In* is an unforgettable story of friendship, courage, love—and learning to salsa with the king of the jungle.

legends who have faded into obscurity to new revelations about the biggest movie stars, Valderrama unearths the most fascinating little-known tales from the birth of Hollywood through its Golden Age. The shocking fate of the world's first movie star. Clark Gable's secret love child. The film that nearly ended Paul Newman's career. A former child star who, at ninety-three, reveals her #metoo story for the first time. Valderrama unfolds these stories, and many more, in a volume that is by turns riveting, maddening, hilarious, and shocking. Drawing on new interviews, archival research, and an exhaustive library of photographs, *This Was Hollywood* is a compelling and visually stunning catalogue of the lost history of the movies.

Television Series as Literature Reto Winckler, Víctor Huertas-Martín, 2022-01-19 This book explores how television series can be understood as a form of literature, bridging the gap between literary and television studies. It goes beyond existing adaptation studies and narratological approaches to television series in both its scope and depth. The respective chapters address literary works, themes, tropes, techniques, values, genres, and movements in relation to a broad variety of television series, while drawing on the theoretical work of a host of scholars from Simone de Beauvoir and Yuri Lotman to Ted Nannicelli and Jason Mittell, and on critical approaches ranging from narratology and semiotics to empirical sociology and phenomenology. The book fosters new ways of understanding television series and literature and lays the groundwork for future scholarship in a number of fields. By questioning the alleged divide between television series and works of literature, it contributes not only to a better understanding of television series and literary texts themselves, but also to the development of interdisciplinary scholarship in the humanities.

Lyme Light Natalie London, 2013-03-04 *Lyme Light* is a dark comedic off-beat memoir about a girl who was an extraordinary musician but terrible at flirting, a girl who spent her life fighting against her startling past and loneliness by immersing herself in the fictional world of reruns of *Roseanne* and *Beverly Hills 90210*. *Lyme Light* is a story about a girl who had 13 credits left to graduate on the Dean's list from Columbia University, was playing indie rock shows in New York City, and meeting with some of the top record labels in the country, when her world was obliterated by the smallest click of a throw away camera and the smallest bite of a tick. Author, Natalie

London, takes you into the world of losing and regaining memories, the ability to walk again, talk again, and adjust to a life of I.V.'s to the heart and endless hours in hyperbaric chambers. She seamlessly combines disease ridden delusions, falling in love, and early 90s television nostalgia all into one heartbreaking story.
