The Great Nativity Scene Collector Jean Y. Lafond, Ginette M. Lafond, 2008-10 The magical journey of Adjani who learns the profound meaning behind crèches. This book features photos of Jean Lafond's personal collection of Nativity scenes and delightful illustrations for coloring.

The Living Nativity Larry James Peacock, 2018-09-01 Who came up with the idea of using nativity scenes to celebrate Christmas? Many might be surprised to learn that Francis of Assisi, the well-known thirteenth-century saint, is credited with creating the first nativity scene. The Living Nativity introduces readers to Saint Francis and his joyous reenactment of the birth of Jesus, complete with a manger and animals. The Living Nativity explores how nativity sets, Advent wreaths, candles, carols, Christmas cards, and other traditions help prepare our hearts for the God who bends low to enter our world and our lives. Prayer poems for each day of the season lead readers to deepen their spiritual journey, and the book provides a guided pattern for individuals and small groups to share reflections and experience activities that open their hearts to the Christ child. The Living Nativity provides a prayer, meditation, and reflection questions for each day of Advent. The Leader's Guide includes suggestions for worship, discussion questions focused on the readings, and guidance for a mini-retreat on a theme of the week.

Christmas Nativity Hallstatt Cristina Berna, Eric Thomsen, 2023-09-11 Saint Francis of Assisi is often credited with being the first to create a live nativity scene, in 1223. He did it to promote the worship of Christ. The small town of Hallstatt is a unique place of beauty and utility. It is on the shore of the Lake Hallstatt, ringed by the Dachstein mountains. Here are excellent examples of Nativity figurines. Shop windows show master craftsmen carvings of the wooden Christmas Nativity figurines and examples of their craft. There is an fantastic exhibition showing the variety of Christmas

Away in a Manger David B. Biebel, 2017-07-25 Once upon a time, a lamb and his mommy were selected to participate in a live Nativity Scene sponsored by a local church in Colorado. The Christmas story is retold, replete with full-color original artwork, through the very inquisitive lamb's questions and his mother's replies. Pertinent biblical passages are shared by a narrating pastor. You will find this mini-novel to be a new and refreshing perspective on Christmas, designed for Christian parents to read and discuss with their children during the Christmas season. What people are saying: We thoroughly enjoyed reading this book. It has a permanent spot on our bookcase and the kids love to pull it out and read it whenever they need a book to read. Hearing the nativity from a different viewpoint has opened our eyes and hearts to the meaning and story behind Christmas. It has helped us to know how to be more Christian and how to show love and acceptance of others. Review: The Old Schoolhouse(R) Magazine Away in the Manger: The Christmas Story from a Nativity Scene Lamb's Point of View This is no ordinary Christmas story book, for it tells the Christmas story in an entirely new and fresh way that will capture the hearts of both children and adults. The book is filled with beautiful life-like illustrations and rich content that will educate children and surprise adults, enriching the typical way the story has grown to be told with fascinating Christian history and solid theology. Using God's creation, in this case a lamb, to tell the Christmas story, brings a compelling picture of the true meaning of Christmas. The child-like perspective of Ransom, the inquisitive Lamb, draws you in as he asks the same profound questions a child might ask if he or she had been there. The story naturally flows into a salvation invitation and prayer. Anyone who has children in their life should first read this book and then give it as a gift with a personal inscription to each and every child they can think of this Christmas. For the greatest gift of all is the Christmas story. --Monte Swan is a

research/exploration geologist and author of *Romancing Your Child's Heart*, its *Vision & Strategy Manual*, and *The Secret of Singing Springs* (a family novel).

My First Nativity Set Rod Campbell, 2011-10 Get your little ones ready for Christmas with this gorgeous keepsake set. By the creator of *DEAR ZOO*, this set is a beautiful introduction to the story of the Nativity. First read the picture book, which retells the miracle of the first Christmas with easy to follow sentences and bright, appealing artwork, all perfectly pitched for children. Then, after listening to the story, toddlers will delight in creating their very own manger scene. The standalone pieces are easy to assemble (no cutting or gluing required), and sturdy enough to be played with by even the littlest hands. The scene includes everyone from the holy family and the three kings, to the shepherds and their animal friends. There's even a star of Bethlehem in shining silver foil! After Christmas, both book and manger scene can be stored safely away in the special case and enjoyed year after year.

Saint Francis and the Nativity Myrna A. Strasser, 2010-11-23 "At that moment, Brother Francis laid a figure of baby Jesus in the manger bed." Where did the tradition of displaying a manger scene come from? Find out in *Saint Francis and the Nativity*, an engaging story that weaves together the history of the first nativity with the fictional story of Mario, a young shepherd boy, who helps Saint Francis of Assisi find a way to visually display the true meaning of Christmas. Children will love the beautiful illustrations and the suggested family activities that accompany this sweet story.

AWAY IN A MANGER David B. Biebel,2016-09-22 The Christmas story is retold, replete with full-color original artwork, through the very inquisitive lamb's questions and his mother's replies. The ewe explains who the various characters are and what their roles were in Bethlehem long ago. Pertinent Gospel passages are shared by a narrating pastor, with a salvation emphasis at the end.

Nativities of the World Susan Topp Weber,2013 Nativities from around the world in a dazzling variety of styles Nearly one hundred nativities from all over the world--most of which have never before appeared in any book--are collected here. Artisans from locales as diverse as the Czech Republic, Guyana, Burkina Faso, and Bangladesh are represented. There are nativities made with materials ranging from hand-carved wood, blown glass, and wool, to more unique materials such as salt dough, dried maguey cactus, and recycled bicycle parts. The artistry, ingenuity, and diversity of these creations are greatly prized by thousands of nativity collectors worldwide, many of whom have graciously allowed pieces from their own collections to be photographed for this book. Susan Topp Weber has owned and operated Susan's Christmas Shop in Santa Fe, New Mexico, for more than thirty years. She has a prized collection of nativities herself, which began with a gift in 1965, and has sold nativities at her shop since 1978. She is the author of Christmas in Santa Fe.

Christmas Nativity Spain Cristina Berna,Eric Thomsen,2023-08-29 This little book shows you some of the nativity scenes we have seen and some of the figurines and accessories that you can find

in the various Christmas markets. We visit Barcelona, Malaga, Sevilla and Madrid, but there are interesting and important local traditions in many other Spanish towns and villages.

The Nativity Scene Eduardo De Filippo, 1997 The Nativity Scene imparts insights into why millions of immigrants left Italy and established their presepe (Christmas cribs) elsewhere, in the new Promised Land . . . Through the image of the presepe, The Nativity Scene presents a dramatic debate over the place and significance of Italy's rich and powerful iconic heritage, and the myths and rituals attendant upon it as shapers of social life--Publisher's website.

Build Your Own Bethlehem Gertrud Mueller Nelson, Peter Mazar, 2002-09 Celebrate these stories at home or in the classroom: - The annunciation to Mary- The birth of Jesus- The coming of the shepherds- The flight into Egypt- The visit of the Magi- And more!

Art of the Crèche James L. Govan, 2009 One of the most enduring and universal Christmas traditions is the crèche, or the Nativity scene: a representation of the story of Christ's birth. This beautifully illustrated book now available in a perfect gift-size edition reveals the worldwide appeal and custom of the crèche and the diversity of creative expression displayed in this art form. James L. Govan, a foremost collector of crèches, insightfully interprets more than 100 nativities and explains the origins of the artists' works. From the Makonde in Tanzania to the Wichi in northern Argentina and the Asmats in Indonesia, the indigenous cultures of more than 70 countries are represented, and the collection is far from restricted to the work of Christian artists: the crèches include examples made by Muslim, Taoist, Buddhist and Jewish artists.

Grandpa's Nativity Scene Rick Woodland, 2024-03-28 Grandpa's nativity scene is from the view point of a five-year-old as she describes what her family does on Christmas Eve. A nativity scene that is carved out of wood by Grandpa is the main focus. The family can change the figures to what they

think the nativity scene should look like. She takes the reader through some of the chaos around the nativity scene on the piano as she waits for her turn. She lets you know how much Grandpa loves her when a mistake, to everyone else's mind, is noticed. She takes you through how Grandpa is patient with her when they are working together in his carving room. Grandpa points out how creative his granddaughter is. The Christmas Eve gathering includes a meal and devotional while reading of Luke 2 in the Holy Bible. All those present become a part of the live nativity scene as the family dresses up and acts out the night Jesus was born. Grandpa reads Luke 2. The ultimate outcome of the book is to not laugh or point at someone who may make a mistake to someone's point of view. Let those you are around know how much they are loved by your actions toward them. Help them feel lifted and supported in life's experiences.

The Nativity Jeremy Wood,1992 This book on the newly born Jesus in art quotes the biblical texts and explains the religious symbolism associated with the subject in Renaissance and Baroque painting.

Christmas Nativity United States Cristina Berna,Eric Thomsen,2023-10-18 The first Nativity Scene was a live one created by Saint Francis of Assisi in 1223. He wanted to promote the reverence of the Christian family and had villagers with animals recreate the birth of Jesus. This became wildly popular all over the Christian world, but especially in Europe where it gets colder in the winter the further north you get. So there is a limit to this kind of performance. Naturally it then evolved with human size figures mainly out-doors and with smaller figurines you can have in-doors and which can be there for a longer period without nourishment or sleep. Please see our other books on Nativities, in Spain and Central Europe, We wish all a Merry Christmas and hope you will enjoy our selection of photos.
