*Texas Under Siege 3* Vernon Gillen, 2018-12-15 Ricky learns that the Illuminati are the ones giving the UN troops orders not the Bilderbergs. Unable to crush the rebel forces in Texas the Illuminati release a never before used weapon; the Necro Mortises Virus. This is the feared zombie virus which quickly spreads over the country. The virus is so contagious that even the mighty members of the Illuminati in their underground facilities cannot escape it. The virus wipes out most of life in Texas. With nothing to feed on the zombies start to die off leaving an almost empty world.

*The Necro Device* M. T. Dismuke, 2012-09-02 Mary and her husband, John, are offered a contract to restore the Mandiev mansion isolated in the barren flatland of eastern Colorado. Big pay and a getaway are what they desperately needed, and for John, it marked a new beginning. Unfortunately for Mary however, it was the beginning of the end of something far more sinister. The mansion itself is under fire and part of a larger conflict between the estate holder and the community. It all began decades ago when the previous owners, the notorious Mandiev brothers, and hundreds of locals died in fatal accident. Now many wish to have the property destroyed while others are out for revenge. Mary wishes to avoid the conflict, but she finds herself caught within its center. Strange things begin to happen to her, and rumors, nightmares, and a mysterious man pay a heavy toll on her sanity. She descends into a darker world governed by betrayal and deception. Secrets lurk behind every facade, including her own. Long overdue, her destiny waits.

*Terra Necro* Michael Crockett, Jackie Crockett, 2011-12-08 Ian Ward was at a low point in his life. Discharged from the navy just as the Shakes Virus went global, he missed the military's general order that all service members would take the controversial vaccine. With little cash and no prospects he ended up as a dishwasher in a greasy spoon diner in the middle of nowhere. The only bright spot in his life is Roxanne, the waitress who works with him. Roxanne is beautiful and kind and everything he ever wanted in a woman, but she seems determined to keep him at arms length. Then people who got the vaccine began to get sick and die. The resulting riots quickly turned violent. In many places crowd control becomes extreme and soon there are few people able to deal with the chaos. Then the dead began to rise and attack the living. Something is wrong with the vaccine that was meant to save humanity and all those who took it are dying and becoming zombies. Now the world is a nightmare of walking dead hungering for flesh and all too human monsters who have realized that the only law now is survival of the fittest. And caught in the middle of it are Ian and Roxanne.

**Texas Under Siege III - Large Print** Vernon Gillen, 2013-08-24 After the war with the United Nations seems to be over the Bilderbergs deliver one last punch with a virus. The Necro Mortosis virus is a nasty virus that kills and then reanimates the human body. Ricky continues to fight in order to stay alive but, this time he fights people that are already dead. As time goes on he finds that he has even more enemies. Will Ricky be able to keep the Republic of Texas alive? Will he be able to keep himself alive? He does what he must do to survive.

**Necro Citizenship** Russ Castronovo, 2001-09-27 DIVArgues that the category of death was a central part of the concept of citizenship in the nineteenth-century U.S., and that the particular form of that construction functioned to naturalize white males as ideal citizens./div

**The Necro-0m-Nom-Nom-Icon** Jason Dias, 2018-04-19 A deliciously frightful anthology of Lovecraft-inspired horror, paired with unusual recipes.

**The Necro File** Michael Newton, 1991-01-01 The third action-packed VICAP (Violent Criminal Apprehension Program) title puts FBI agents Flynn and Tanner on the trail of a bloody--and elusive--serial killer that has a hundred false identities and vast wealth. This nameless, faceless, and merciless psychopath is a walking death trap with poison in his veins and revenge in his heart.

*Ward Against Death* Melanie Card, 2012-12-01 Twenty-year-old Ward de'Ath expected this to be a simple job-bring a nobleman's daughter back from the dead for fifteen minutes, let her family say good-bye, and launch his fledgling career as a necromancer. Goddess knows he can't be a surgeon-the Quayestri already branded him a criminal for trying-so bringing people back from the dead it is. But when Ward wakes the beautiful Celia Carlyle, he gets more than he bargained for. Insistent that she's been murdered, Celia begs Ward to keep her alive and help her find justice. By the time she drags him out her bedroom window and into the sewers, Ward can't bring himself to break his damned physician's Oath and desert her. However, nothing is as it seems-including Celia. One second, she's treating Ward like sewage, the next she's kissing him. And for a nobleman's daughter, she sure has a lot of enemies. If he could just convince his heart to give up on the infuriating beauty, he might get out of this alive... The Chronicles of a Reluctant Necromancer series is is best enjoyed in order. Series Order: Book #1 Ward Against Death Book #2 Ward Against Darkness Book #3 Ward Against Disaster Book #4 Ward Against Destruction

*The Death of the Necromancer* Martha Wells, 1999-07-01 Bent on avenging the execution of his godfather by a duplicitous count, master criminal Nicholas is diverted by a series of eerie events that forces him to confront an ancient evil. By the author of *The Element of Fire*. Reprint.

*The Necro-luminescence of Pink Mist* Ed Steck, 2017 Poetry. The winds from a nuclear blast fuse together a random array of body parts to create a shambling, formless, yet self-aware being who haunts the past, present, and future

of a burnt-out, post-nuclear wasteland. Ed Steck's THE NECRO-LUMINESCENCE OF PINK MIST brings us a soft-focus monster movie in the form of a fractured lyric poem, the story of trauma, loss, and memory as mediated by a hideous thing-that-should-not-be slouching its way through fantasy and reality alike. With language by turns horrific, violent, and austere meditative, THE NECRO-LUMINESCENCE OF PINK MIST is the undead exploitation film Ozu never made, and that the world is finally ready for.

*Necro Dell Sweet*,2017-05-18 He had been lying half in half out of the gutter for the last several hours that he knew of. He had no idea how long before that. Days? Weeks? Weeks seemed wrong. Days, he decided. He turned his attention back to the roadway before him. Was it a roadway? When he thought roadway, he thought highway, something like that. From what he could see this was more like a city street. It had never occurred to him in the passing hours to move his head, but the thought of it being a street in a city had caused him to move his head slightly so he could look around to be sure. Slightly, but enough to know he could move it. And he had moved it enough to know it was a city street. And if he could move it that much... His face came away from the asphalt with a wet sucking noise and he nearly stopped. Expecting pain to come. Expecting the sky to fall. Expecting something, but nothing happened. The sucking sound stopped when his face finally pulled free and he pushed off with his hands and found himself in a sitting position. He flexed his jaw, it worked; tended to click when he moved it quickly, but perhaps it was just residual of... Of? He couldn't make it come... Something... Some accident? Maybe... He pushed harder with his hands and rose to his feet... Shaky but holding him upright. He took one tentative step and then another. Moving off down the street in search of anything that could calm the hunger in his belly...

*Necro Scientist Remi Woźniak*,2023-04 Two years. A dark cell. The same plate of food. In it, a single bone. For a scientist necromancer, this is enough to create a monster. Now comes the time to let it loose. Marie unleashes a construct made from chicken bones and breaks out of confinement only to find her space station stuck in an anomalous area of 2005's Ireland. Barely alive, her only friend shot through the chest, she expects to be welcomed by the old crew. But the hallways are dark and empty. Only feral test subjects thrive in that darkness, directed by the station's AI through painful overhead lights. She does not trust the robot's lies. Marie knows her station better than anybody. With a gun in hand and a bag of fresh teeth charged to explode on impact, she descends into the heart of the lab to regain her seat as Director-and punish those who conspired to lock her away. *Necro Scientist* is a sci-fi horror novel full of explosive action, with a dark secret at the heart. Content warning: This book features graphic violence and is not suited for underage readers.

*Anita Blake, Vampire Hunter* ,2010-07-07 Anita must fight for her reputation when a mob boss offers her a million dollars to resurrect a corpse and a powerful zombie begins to leave a trail of mayhem and murder across the city.

*The Necromancer Princess Valery Keith*,2017-08-09 Exiled from her birthright as a child, Brianna's only crime was to be born a necromancer in a world that mandates their execution. Rather than have his only child executed, her father, the King of Belmontis, entrusts his closest friend with her care and sends her away before claiming her death from illness. Twenty years later, her father has been assassinated by her cousin, who now holds the throne, while Brianna is living anonymously in the Warrens of Mountainvale, the city's worst, most dangerous slums. Though she is unaware of the gathering threat beyond the borders of the country she might have ruled, a foreign necromancer is gathering his army to invade, starting with the city she now calls home. Having already taken a neighboring nation in just weeks, they have set their sights on wealthy Belmontis and only another necromancer can stop them. When Garrett Morvan, Mountainvale's city commander, receives a royal command to arrest the necromancer hiding in his city and hold her until the King's representative can arrive, he's shocked to think such a foul creature might be lurking in his city. Only when his men finally bring her in, she's nothing like he imagined a necromancer would be. Instead of the mad hag he expected, she's young, beautiful, sarcastic and determined to escape his custody, one way or another.... A romantic fantasy from the author of the Our Lady of Joy series.
