Juan Carlos Bonache Rodríguez

Super Games Land Juan Carlos Bonache Rodríguez,2018-09-04 El libro Super Games Land es la compilación de las más hilarantes historias de humor no oficiales basadas en juegos de Game Boy clásicos como Super Mario Land, Kirby, Pokemon o Tetris, como nunca los has visto. Eso sí, sin perder el tono verde que predominaba en la pantalla de nuestra Game Boy. ¡Un bombonazo para los fans del retro-gaming!

Sport and Criminal Behavior Jason W. Lee,Jeffrey C. Lee,2009 Sport is filled with many paradoxes. Although fitness, strength, and other seemingly healthful benefits are inherently part of sport, there is also the constant presence of unhealthy and inappropriate associations. This dichotomy is quite prevalent in many forms in contemporary sport and Sport and Criminal Behavior examines some of the most relevant and thought-provoking occurrences of criminal and quasi-criminal behavior in sport. By identifying pertinent issues, including motives and causes associated with such actions, this work presents a comprehensive view of these issues while providing ways such matters can be effectively dealt with in contemporary society. Among the topics addressed in this work are: drug issues, violence, gambling, ticket scalping, hazing, fraud in nonprofit sport, homeland security issues and disaster preparedness in sport and intellectual property (trademark law, copyright misappropriation, and criminal implications). The book is designed as an introductory textbook for college-level sport-management students, and as such it succeeds. But other readers will find it an interesting beginning treatment of a timely topic... Summing Up: Recommended. -- CHOICE Magazine

Shovel Knight David L. Craddock,2018-11-15 In 2014, Yacht Club Games released its very first game, Shovel Knight, a joyful 2D platformer that wears its NES influences on its sleeve. This unlikely pastiche of 8-bit inspirations manages to emulate the look, feel, and even the technical limitations of nostalgic titles like Mega Man, Zelda II, and Castlevania III-imbued with a contemporary sense of humor and self-awareness. But how is a fundamentally retro game created in the modern era? And what do the games of the past have to teach today's game designers? Based on extensive original interviews with the entire Yacht Club Games team, writer David L. Craddock unearths the story of five game developers who worked so well together while at WayForward Games that they decided to start their own studio. From the high highs of Shovel Knight's groundbreaking Kickstarter to the low lows of its unexpectedly lengthy development, Boss Fight presents a new master class in how a great game gets made. Get ready to steel your shovel and dig into this fascinating oral history. For Shovelry!

Beyond Winning Kim Payne,Luis Llosa,Scott Lancaster,2013-08-20 These days it seems everyone has a youth sports horror story—whether it’s about a tyrant coach obsessed with his team record that only plays the best kids on the team, or a parent who publicly berates his kid for not making a goal. But should it really only be all about winning? What about having fun, learning a sport, and developing athletic skills? Beyond Winning with Whole Child Sports offers an alternative approach to teaching sports to kids. It deemphasizes short-term goals like winning and youth championships and discourages the introduction of adult-oriented, league-structured competition. Instead it emphasizes training techniques and coaching strategies aimed at improving core strength, balance, and creativity in aspiring athletes, using an age-appropriate four-stage timeline, based on a child’s physical, psychological, and neurological development. Beyond Winning with Whole Child Sports provides frustrated parents with help in the form of advice and concrete solutions to common questions, and step-by-step instructions for helping young children develop athletic ability in an environment that’s less structured while encouraging athletic and personal growth. It also reveals how to avoid bullying, trash talk, and elitism.
