A chi appartiene la città? Sulla dialettica fra street art e diritto Nicola Alessandro

Vecchio, 2017-11-02 L'incremento di iniziative, festival, mostre, esposizioni, dimostra come il fenomeno della street art abbia raggiunto anche in Italia una portata diffusiva e, soprattutto, la sua significativa ascesa al rango di arte ufficiale. Ma quali sono le caratteristiche di questa forma espressiva che si fonde con il contesto urbano e sociale? Quali sono i suoi rapporti con il diritto? Quale può essere il contributo del giurista al discorso in oggetto? L'autore ci accompagna in un'analisi molto dettagliata in cui si fondono arte, comunicazione, questioni sociali e istanze giuridiche alle quali cercherà di fornire risposte utilizzando un metodo prevalentemente comparatistico.

Born in Fire Nora Roberts, 1994-10-01 #1 New York Times bestselling author Nora Roberts presents the first novel in the Irish Born Trilogy—featuring three modern sisters bound by the timeless beauty of Ireland. Margaret Mary, the eldest Concannon sister, is a glass artist with an independent streak as fierce as her volatile temper. Hand-blowing glass is a difficult and exacting art, and while she may produce the delicate and the fragile, Maggie is a strong and opinionated woman, a Clare woman, with all the turbulence of that fascinating west country. One man, Dublin gallery owner Rogan Sweeney, has seen the soul in Maggie’s art, and vows to help her build a career. When he comes to Maggie’s studio, her heart is inflamed by their fierce attraction—and her scarred past is slowly healed by love... Don't miss the other books in the Irish Born Trilogy Born in Ice Born in Shame

Mural Masters Kiriakos Iosifidis, 2018-11 Mural Masters is a stunning showcase of work by more than ninety street painters, including legends like C215, Hendrik Beikirch, Herakut, Logan Hicks, INTI, Faith XLVII, Felipe Pantone, NYCHOS and Saner as well as a who's-who of up-and-coming mural artists. Styles range from traditional figurative work to abstract and geometric, mirroring a larger shift

taking place in this corner of the art world. A short section of collaborative murals offers a look into what happens when singular artistic minds meet, creating visuals greater than the sum of their parts.

EXORCISM IN YOUR DAILY LIFE The Psychedelic Firesign Theatre At The Magic Mushroom -
1967 The Firesign Theatre, 2012-12 **EXORCISM IN YOUR DAILY LIFE The Psychedelic Firesign Theatre At The Magic Mushroom - 1967** by The Firesign Theatre The Firesign Theatre began their long comedy career in 1966 as radio satirists based in Los Angeles. Before their debut LP *Waiting For The Electrician or Someone Like Him* appeared, Firesign began performing together live over the newly-hippified KRLA-AM. Direct from their sold-out broadcast performances in late 1967 at The Magic Mushroom, a popular rock club in Studio City, **EXORCISM IN YOUR DAILY LIFE** presents ten surreal classics in which the Four Firesigns undertake to play dozens of characters in stoned variations on prison escape movies, whaling sagas, jungle adventures, Roman epics, Sherlock Holmes, King Arthur and Ali Baba along with educational films and a day in the life of your TV set. Tokes and jokes take the four or five crazy guys a little higher by the end of every show. Some said Firesign itself was a

new psychedelic drug! The Firesign Theatre is a legal, if not quite natural, high. - Lew Segal, Entertainment World.

Herefordshire Folk Tales David Phelps, 2011-09-16 For the first time, these enchanting folk tales, the origins of which lie in the oral tradition, have been gathered together in book form. The charming selection of thirty fairy tales and legends are full of Herefordian wit and wisdom, and are perfect for reading aloud or alone. Although on the surface they may appear quaint, these stories tell of strange happenings in the peaceful Herefordshire countryside, formed from early attempts to explain the natural and spiritual world. From the Saxon king of East Anglia who became the patron saint of Hereford Cathedral, and the story of the black hound of Baskerville Hall which inspired Arthur Conan Doyle, to a medieval love story, these gripping tales have stood the test of time, and remain classic texts which will be enjoyed time and again by modern readers.

Street Art Lonely Planet, Ed Bartlett, 2017-04-01 An insider's guide to discovering the world's best urban art. From amazing wall murals to Banksy's stencils and Invader's mosaics, we showcase 140 creative hotspots across 42 cities and tell you how to find them, as well as introduce pioneering artists and interview those who shaped the movement. Street art is now present in almost every city, town

and village in the world, from Aachen to Zwolle. Its true audience is measured in the billions. And given that the first record of homo sapiens painting on walls is thought to date back around 40,000 years, it's surprising that street art has taken so long to flourish. Today, the proliferation of legal walls and organised festivals around the world makes it possible to encounter thought-provoking, transformative art in the most unexpected of places. This visual guide to the world of street art takes in the scene in over 40 cities and includes interviews with some of the most prolific and well-known street artists, including Blek le Rat, FAILE and Faith47. And with hundreds of locations plotted and a special focus on 15 of the world's most incredible street art festivals, this guide will help you discover artworks hidden in plain sight around the world. About Lonely Planet: Since 1973, Lonely Planet has become the world's leading travel media company with guidebooks to every destination, an award-winning website, mobile and digital travel products, and a dedicated traveller community. Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves. The world awaits! Lonely Planet guides have won

the TripAdvisor Traveler's Choice Award in 2012, 2013, 2014, 2015, and 2016. 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' -- Fairfax Media

Cultural and Creative Mural Spaces Virginia Santamarina-Campos, Eva-María Martínez-Carazo, María de Miguel Molina, 2021-02-15 This book puts into context the evolution of mural art in recent years, particularly the case of the contemporary muralism in Uruguay. While the focus of this volume, revolves around Uruguay, the editors demonstrate that circumstances found in Uruguay are also reflected widely in a large number of cases worldwide. Mural art has evolved from an elite audience to a more popular objective. At the same time, it does not lose the necessity of high value artists that, not only technically but also conceptually, will be able to connect to the audience and provide a sense of identity and necessity of preservation of this art. This leads to a down-top

The Place of the Hidden Moon Edward C. Dimock, 1989-10-15 The Vaisnava-sahajiya cult that arose in Bengal in the sixteenth century was an intensely emotional attempt to reconcile the sensual and the ascetic. Exploring the history and doctrine of this cult, Edward C. Dimock, Jr., examines the works of numerous poets who are the source of knowledge about this sect. Dimock examines the life of the saint Caitanya, the mad Baul singers, the doctrines of Tantrism, the origins of the figure of Radha, and the worship of Krishna. His study will appeal to students of the history of religion as well as of Indian culture. This edition includes a new Foreword by Wendy Doniger. This is a magnificent book—painstakingly researched and gracefully written. . . . Professor Dimock's book is one of the most rewarding and stimulating studies to appear in recent years.—G. Richard Weldon, *Journal of Asian Studies*
