Nia Chiaramonte

Nia Is Ugly J. Lavone Roberbson,2021-04-25 Nia's family had always told her she was beautiful. Her grandpa and her teacher always said she was smart. She never thought anything about her appearance until one day in school Lindsay, a girl in her class, calls her ugly. Nia starts to see the ugly on herself. A conversation with her dad reminds her that being unkind is the only ugly thing.

Control Nia Mitchell,2003-04-30 After a disastrous early marriage that resulted in the loss of her dreams, Nia Walton has spent the last six years regaining control of her life. Now she works just as hard to keep it. As a single mother juggling a less than stellar job while trying to start a business, Nia has very little time for any real social life. She believes love and romance are for fools and children. The Good Lord protects fools and children, and Nia Walton is neither of those. So why would an intelligent, self-sufficient woman risk it all and give up control?

Nora and Nia Neema Penuel,2020-08-01 A united nations member states committee debate in October 2019 noted the importance of fostering stable families and promotion of its role in social protection of youth and the vulnerable in many countries. The family was noted to help societies be more inclusive. The debate also noted that balancing work and family remained a challenge for many families in Europe. The Biblical perspective says God made the first family to ever exist and placed them in a good environment. His actions shows that He wills wellness for the family. *Nora and Nia* is therefore a creative family book. It is written to be read and hopefully be an inspiration in helping foster stability in families while supporting it in playing its vital role in social inclusion. Through integration of healthy stabilizing values like play, creativity, work and godly bible training in daily routines, I hope you and your family will enjoy reading it.

Jones, 2015-10-06 *Saving Nia* is a novel based on real life events of children who have been placed in foster care due to a determination that they were being abused or neglected by their parent or caretaker. In this novel the impact of removing children from their homes is unreservedly viewed from the child's perspective. Nia, the main character, suffers severe emotional trauma following her sudden removal from the only mother she had known, her foster mother, who raised her since infancy. At the age of six, Nia is placed into the home of her biological family whose treatment of her is shockingly abusive. Nia builds a barrier around herself as a way of preserving memories of her mother. My Nia, My Purpose Darryl Lawson, 2018-10-21 *My Nia, My Purpose* is the story of how I became a single parent to my Special Needs daughter Nia and grew as a man in return. Nia's diagnosis of Autism began a new chapter in my life that is still being written today. The responsibility of being the parent of a Special Needs Child caused some doors to open and others to close shut for me. I needed to first learn the impact Autism would have on our lives and how I could help Nia become the best person possible. My doubts about my abilities were always at hand and rising above them proved challenging. I leaned on family and friends to gain a perspective on the job I did raising Nia. Words of wisdom and a simple shoulder to cry on were enough to keep my hopes up. In my determination to prove to everyone I could raise Nia alone, I thought I had to defer my dreams. It was Nia and her needs that came first, there was no room for what I wanted. Along the way I learned that I had could not find happiness if I could not forgive my past. *My Nia, My Purpose* takes the reader on my journey that made many praise me for the job I had done as a single father and how knowledge and understanding was the bridge to my understanding my child.

Nosey Nia Carmen Davenport, 2020-03-26 Have you ever wondered who wrote the Bible? What it looked like when God made Adam? Or even what the world was like before we existed? Ever wonder who named the animals? If man was created before woman? If God created the trees before

the water? Do you ever just imagine? Nosey Nia is a very inquisitive little girl who isn't afraid to imagine big, be creative, tell her story or simply bring things to life for us. Nia will inspire us all to imagine, through our own spiritual lenses, the past, the present and the future.

Instant Mom Nia Vardalos, 2013-04-02 Some families are created in different ways but are still, in every way, a family. Writer and star of *My Big Fat Greek Wedding*, Nia Vardalos firmly believed she was supposed to be a mom, but Mother Nature and modern medicine had put her in a headlock. So she made a choice that shocked friends, family, and even herself: with only fourteen hours' notice, she adopted a preschooler. *Instant Mom* is Vardalos's poignant and hilarious true chronicle of trying to become a mother while fielding nosy frenemies and Hollywood reporters asking, Any baby news? With genuine and frank honesty, she describes how she and husband Ian Gomez eventually found their daughter . . . and what happened next. Vardalos explores innovative ways to conquer the challenges all new moms face, from sleep to personal grooming, and learns that whether via biology, relationship, or adoption—motherhood comes in many forms. The book includes laugh-out-loud behind the scenes Hollywood anecdotes, plus an Appendix on how to adopt worldwide. Vardalos will donate proceeds from the book sales to charities. Vardalos candidly shares her instant motherhood story that is relatable for all new moms (and dads!)
