The Four Seasons Collection: It Happens Every Spring / Summer Breeze / Falling for You Again / Winter Turns to Spring Catherine Palmer, Gary Chapman, 2017-07-04 This collection bundles together all 4 of the Four Seasons novels by popular authors Catherine Palmer and Gary Chapman into one e-book for a great value! The series is based on the marriage principles found in Gary Chapman's non-fiction book *The Four Seasons of Marriage*. Similar in tone and light-hearted, quirky humor as Jan Karon's Mitford series, Fannie Flagg's books or *Steel Magnolias*. Each book has a study guide that talks about the four seasons of marriage and the healing strategies depicted in that volume's story. #1: *It Happens Every Spring* Meet the characters that live, work, dream, and love in the community of Deepwater Cove. Four married couples, all in different stages in life, experience the joys and hardships of marriage as examined in Gary Chapman's *The Four Seasons of Marriage*. In book one, Steve and Brenda face a common problem among middle-age couples: empty nest syndrome. Steve works too much, and with their two children out of the house, Brenda feels lonely and unfulfilled. In order to save their marriage, the two must learn to reconnect. Readers are also introduced to many charming characters, like Cody, the mentally challenged homeless man that shows up on Steve and Brenda's porch; Pete, who owns the Rods 'N' Ends tackle shop; and Patsy Pringle, who owns the Just As I Am beauty parlor, where much of the action takes place. #2: *Summer Breeze* Readers meet the blended family of Derek and Kim Finley. Kim has a set of

twins—one boy and one girl—from her first marriage; Luke has recently been diagnosed with diabetes, and Lydia is acting out as a result of the attention now being showered on Luke. To complicate matters, Derek's overbearing mother comes to live with them. With all that's going on in their lives, Kim and Derek's communication begins to break down and their marriage slowly moves into winter. Although the second book will focus on Kim and Derek, readers will also encounter all their favorite characters—Patsy Pringle, Pete Roberts, Steve and Brenda, Esther and Charlie—as well as some new ones, like the proprietor of the new sandwich shop that's moved in next to Patsy's beauty parlor. #3 *Falling for You Again* Charlie and Esther Moore have been married nearly fifty years when the contented life they've built together begins to crumble. Esther has been forgetful recently, but it's rarely a problem until the day she puts her car in drive instead of reverse, flying off the end of the carport and into the backyard. Esther's accident and declining health shatter their reverie, and the couple must come to terms with all the paths their lives have not taken if they ever hope to pull their marriage out of winter. As always, the quirky characters of Deepwater Cove will pop in and out of the story and delight readers. #4: *Winter Turns to Spring* Brad and Ashley Hanes are young newlyweds who are facing their first season of winter. Opposite work schedules, differing views on finances and when to start a family, and Brad's selfish and immature habits are forcing the young couple apart, causing them to question why they ever got married in the first place. It will take a whole lot of help—mostly from their nosy but well-meaning neighbors—for Ashley and Brad to pull their marriage out of the winter blues and into a hopeful spring. As usual, the residents of Deepwater Cove will pop in and out of the story to delight readers. They'll encounter Cody and see his continued independence and growing friendship with Jennifer; Patsy and Pete's escalating romance; and Charlie, a recent widower who is taking on the challenges and excitement of his golden years with zeal.

Like gathering thunderheads these events will chain together and descend upon Detective Cody Briggs in an unrelenting storm. For Briggs, the Crescent City no longer feels like home. It has become a place where nothing makes sense, where people are not who they seem to be, where losing his life is the least of his troubles. Losing his mind is the real problem. Facing allegations of murder, official misconduct and witness tampering, Cody has to make a choice: Run, or stay and fight? But where can you hide when the devil makes house calls?

Tales from the Mindpark Wayne Wilson, 2018-08-22 Today, our future is being shaped by technology at such prodigious rates of speed; the ideals and morality of men struggle to keep pace. One fact that will never change though is the question about which direction these advances might take us. Information can never be contained, nor can the foibles of men. In this author's view, humanity must either learn to control its future or restrain its predatory nature. Otherwise, filled with the power of technology and drunk on data, we may blindly guide our planet down the road of destruction and gloom. This book explores the ideas between two main philosophies. One states, "Destiny makes people who they are," while the second one proclaims, "Destiny is shaped by people." Whichever side you choose, the stories inside these pages seek to demonstrate that destiny lies ahead of us, not with us.

A Measure of Guilt Nadezhda Seiler, 2013-01-03 Nineteen-year-old Kate Flanagan has already endured entirely too much in her young life. Two years earlier, her kid sister, Angie, and her best friend, Sandra, were kidnapped from a San Diego amusement park, and Kate's guilt over the part she played in the tragedy is beyond measure. Believing herself undeserving of a normal life, Kate avoids relationships, feels estranged from her parents, and has no social life. When she begins receiving increasingly chilling anonymous notes on her windshield, she dismisses them as the work of a random stalker. The fifth note, however, claims that the writer has information about her sister. Hopeful that Angie and Sandra are still alive, distrustful of the police, and frightened by the escalating threat of the notes, Kate nevertheless decides to smoke out the source of the notes. With the help of an amateur private investigator, Kate sets out on a mission to find her sister and best friend—a hunt that leads her straight to her deranged stalker. In this intriguing mystery tale, a woman desperate to atone for the past mistakes that have cost her nearly everything puts her life on the line in a desperate attempt to right a terrible wrong and catch a determined criminal.

Bad Shot Sylvia Taekema, 2017-08-01 Bad Shot is about a 12-year-old basketball player whose shaky self-confidence is undermined by a much better-off player who targets him, first in subtle ways and then more aggressively. When a new kid arrives in town, Cody is impressed with the kid's wealth and skills, judging himself inferior. The newbie seems to take an interest in Cody on the court but his helpful hints are undermining Cody's performance — right up to him scoring a basket in his own team's net. Cody has to come to grips with his situation and make moves to challenge the bullying, as well as working to hone his basketball skills. This story plays out against the realistic backdrop of an economically struggling small town, a fictional version of Chatham, and touches on the emotional realities of performance anxiety, socioeconomic status issues experienced by kids, depression, and bullying.
