**Ametora** W. David Marx, 2015-12-01 The story of how Japan adopted and ultimately revived traditional American fashion. Look closely at any typically American article of clothing these days, and you may be surprised to see a Japanese label inside. From high-end denim to oxford button-downs, Japanese designers have taken the classic American look—known as ametora, or American traditional—and turned it into a huge business for companies like Uniqlo, Kamakura Shirts, Evisu, and Kapital. This phenomenon is part of a long dialogue between Japanese and American fashion; in fact, many of the basic items and traditions of the modern American wardrobe are alive and well today thanks to the stewardship of Japanese consumers and fashion cognoscenti, who ritualized and preserved these American styles during periods when they were out of vogue in their native land. In *Ametora*, cultural historian W. David Marx traces the Japanese assimilation of American fashion over the past hundred and fifty years, showing how Japanese trendsetters and entrepreneurs mimicked, adapted, imported, and ultimately perfected American style, dramatically reshaping not only Japan's culture but also our own in the process.

*The Harpies* Sabrina Zubiri, 2022-10-09 In 2004, four flawed and imperfect sisters embarked upon a cross-country road trip to fulfill a promise to uncover a long-buried tragedy in their mother Demi's past. They went on the journey in an old school bus used in 1969 on Demi's trip to Woodstock with a

group of her friends. The sisters' journey introduced them to characters from Demi's past, and those characters provided the clues and sometimes the answers to this mystery. The story of the road trip hinged on flashback sequences from Demi's friends' collective memories of the late 60's and early 70's political upheavals and the ripple effects of those upheavals that impacted that group and changed their lives forever! How could they solve Demi's mystery and an uncovered conspiracy? How did a hidden map, a missing girl, a Weather Underground bombing, a kidnapping, an unfound treasure, and a couple of murders all connect?

*Welcome to My Fabulous Sh\*tshow* Mel W, 2023-03-31 *Welcome to My Fabulous Sh\*tshow* embraces the power of being yourself and yielding your sword of soul to conquer the battlefield that is life as a woman and a mother. It pays tribute to the amazing super troopers in your life who not only love and support you but are in the trenches just in case you call for backup. They will catch you, prop you up and send you back out to battle in your gorgeous stilettos! Armed with eyelash and hair extensions plus a splash of impatience that only a single woman can have whilst juggling kids and a career, this book takes delight in showcasing how being in your mid-40s can also mean that you are in your prime time and life is only just beginning. Learn how self-discovery is a journey for the brave or for those who like to cringe. Was it through trying to work out a brand after being described as Bridget Jones meets Carrie Bradshaw? Is it from becoming a newly appointed student of the

universe (with Google as a professor) or testing the philosophies of drama and love or even seeking answers about parallel universes? Perhaps it was trying to find answers from undertaking a sexual energy cleanse, rebuilding an 'empire' after having a squashed heart or is it the struggle to date men of the same age. This fabulous sh\*tshow takes a humorous and curious look at living beyond your expectations and at how things in life just happen as they are supposed to.

*Memories of Yesterday* Janice Woffinden Tyrrell, 2015-04-17 I was somewhat apprehensive to return to work after a five-day vacation at the Ritz-Carlton Psychiatric Convention Center. After taking a deep breath, I prepared myself to be greeted by true friends who would tease me about playing checkers with the likes of Mrs. Coca-Cola and the Stay Puft Marshmallow Man. Marie asked me how my vacation was. I nodded to the affirmative. We all had a good laugh at their loving "insane insinuations." Party time was soon over, and my thoughts were back in the real world. I went to the floral department and thought, I wonder if I'd remember how to make an arrangement? Instead, I started off slow and made a boutonniere. Easy enough, I thought to myself. With pride in my heart, I smiled because I still had the touch of doing them both Thankfully, soon it was break time. I ordered an Apple Fritter and a diet Dr Pepper. (You're right—it makes no sense. But I've been eating that combination for the past twenty-four years in the grocery business, and I have a waistline to prove it!) I was heading for the break room, as usual,

when a familiar feeling came over me, and I saw myself in the eyes of another. I don't know why I slipped into their isolated booth in the store's small dining area. Across me was a very young and frightened woman sipping on a cup of coffee. She had tears streaming down her cheeks and looked rather startled at my appearance. But I had the feeling she was waiting for me. Although we were not formally introduced, words came freely between us. She spoke of her fears and frustrations. As she spoke, I listened, and my own struggles flashed before my eyes. We spoke candidly of her darkest secret—one of sanity. I smiled as I told my new friend that the healing comes when you start believing in yourself. As I watched her, I recognized myself and was somewhat frightened for her. You see, it's sad to lose yourself and your family and blame God for an illness you have no control over. To my surprise, I felt something brush up against my feet. I peeked under the tablecloth and discovered a fair-haired boy who was three years old. The young woman reached down and scooped him up. She cradled him in her arms, and he sucked on his thumb, then he quickly disappeared as he appeared. I smiled as I peeked under the table and saw an all-too familiar world of childhood imagination. I thought back to a time when my girls were very young. Like this boy, they too were victims of this cruel illness. We sat at the corner booth for a long time. Then the young woman began to weep again. "Why would God do this to me?" My mind flashed back in time once more to an unsettling time in my life. She took another sip of her coffee, and we spoke of her son. As she spoke of

him, she smiled with her eyes, and a calm feeling came over her. We spoke of our lives and the roads we chose to take. As one living with mental illness, my advice to her that day was, "Healing begins when you believe in yourself." To this very day, our paths have never crossed again. I have no idea what struggles this young woman had. All I know for sure is when we talked, she eased my troubles for a while by focusing on her own. I guess that's what life is all about. John, my husband of forty-five years, has been there with me every step of the way. If not for him, things could've turned out very differently. I could have lost my life, my family, my sanity, and my faith in God. Through it all, there has been one constant thing in my life. When we spoke our marriage vows, nothing was said of "until death do we part." What we said was "for time and all eternity." On my darkest days, John would say, "Honey, you just have to get better soon because we vowed to love each other forever, and forever is a very long time."
