Burn It All Down Nicolas DiDomizio, 2021-05-25 Take the ride of a lifetime with this mother/son buddy comedy James Patterson praises as “audacious, addictive, highly entertaining.” Eighteen-year-old aspiring comic Joey Rossi just found out his boyfriend has been cheating on him for the past ten months. But what did he expect? Joey was born with an addiction to toxic jerks—something he inherited from his lovably messy, wisecracking, Italian-American spitfire of a mom (and best friend): 34-year-old Gia Rossi. When Gia’s latest non-relationship goes up in flames only a day later, the pair’s Bayonne, New Jersey apartment can barely contain their rage. In a misguided attempt at revenge, Joey and Gia inadvertently commit a series of crimes and flee the state, running to the only good man either of them has ever known—Gia’s ex, Marco. As they hide out from the law

at Marco's secluded lake house, Joey and Gia must confront all the bad habits and mistakes they've made that have led them to this moment—and find a way to take responsibility for what they've done.

A Time to Die Nicolas Diat, Robert Sarah, 2019-08-05 Behind monastery walls, men of God spend their lives preparing for the passage of death. Best-selling French author Nicolas Diat set out to find what their deaths can reveal about the greatest mystery faced by everyone—the end of life. How to die? How to respond to our fear of death? To answer these and other questions, Diat travelled to eight European monasteries including Solesmes Abbey and the Grande Chartreuse. Through extraordinary interviews with monks, he learned that their death experiences are varied and unique, with elements of peace, pain, humility, sorrow, and joy. These monks have the same fears, torments, and sorrows as everyone else, Diat discovered. What is exemplary about them is their humility and simplicity. When death approaches, and its hand reveals its strength, they are like happy and naïve children who wait with impatience to open a gift. They have complete confidence in the mercy of God.

Ritualism: or, a philosophic study on religious worship and ceremonies.
Adapted from the French of A. Nicolas [i.e. from ch. 18 of “Études philosophiques sur le Christianisme”]. By a Priest of the Diocese of Exeter Jean Jacques Auguste

NICOLAS,1868

Glacial Period Nicolas De Crécy,2014-06-01 In this fanciful and richly imaginative story, one of the most original and important young European comic artists imagines a frozen world thousands of years hence in which all human history has been forgotten. A small group of archaeologists come upon the Louvre, buried in age-old snow, and cannot begin to explain all of the artifacts they see. Their interpretations of the wonders before them strike a humorous, absurd, and farcical tone. One of the few books coedited by the Louvre, this graphic novel features stunning illustrations as it presents a unique vision of the great museum.

The Unknown Life of Jesus Christ Nicolas Notovitch,2004 Controversial since it was first published in 1890, Nicolas Notovitch's *The Unknown Life of Jesus* relates that Jesus Christ spent at least part of the years of his life unaccounted for in the Bible--from the age of 13 to 29--teaching and studying in India and other parts of Asia. Notovitch was on an extended journey through the Orient...to study the customs and habits of the inhabitants of India. During his travels, he visited a Buddhist monastery near Mulbek, close to the Wakha River. Here a Lama told him that Jesus, whom the Buddhists called Issa, had visited the region and that there were ancient manuscripts documenting Jesus' visit and that copies existed at other monasteries. Notovitch was able to convince the monks at the Hemis Monastery to read from these documents and, as an interpreter translated, Notovitch transcribed.

Montauk Nicola Harrison,2019-06-04 An epic and cinematic novel by debut author

Nicola Harrison, Montauk captures the glamour and extravagance of a summer by the sea with the story of a woman torn between the life she chose and the life she desires. Montauk, Long Island, 1938. For three months, this humble fishing village will serve as the playground for New York City's wealthy elite. Beatrice Bordeaux was looking forward to a summer of reigniting the passion between her and her husband, Harry. Instead, tasked with furthering his investment interest in Montauk as a resort destination, she learns she'll be spending twelve weeks sequestered with the high society wives at The Montauk Manor—a two-hundred room seaside hotel—while Harry pursues other interests in the city. College educated, but raised a modest country girl in Pennsylvania, Bea has never felt fully comfortable among these privileged women, whose days are devoted not to their children but to leisure activities and charities that seemingly benefit no one but themselves. She longs to be a mother herself, as well as a loving wife, but after five years of marriage she remains childless while Harry is increasingly remote and distracted. Despite lavish parties at the Manor and the Yacht Club, Bea is lost and lonely and befriends the manor's laundress whose work ethic and family life stir memories of who she once was. As she drifts further from the society women and their preoccupations and closer toward Montauk's natural beauty and community spirit, Bea finds herself drawn to a man nothing like her husband –stoic, plain spoken and enigmatic. Inspiring a strength and courage she had almost forgotten, his presence forces her to face a haunting tragedy of her past and question her future. Desperate to embrace moments of happiness, no matter how fleeting, she soon discovers that such moments may be all she has, when fates conspire to tear her world apart...

A City Solitary Nicolas Freeling, 2023-12-05 From an Edgar award-winning author, a psychological thriller about a crime victim who turns criminal when he goes on the run with his assailants. Middle-aged writer Walter Forestier's ordinary existence takes a turn towards violence when he is viciously attacked at home, robbed, and left bound for his wife to find him. Of course, she wants to call the police, but Walter refuses. Even more mysterious, when the burglars strike again, Walter will not testify against them. Instead, he finds himself a party to the gang leader's escape from jail, and once on the road through France with the band of thieves, Walter's life will never be the same again. Praise for Nicolas Freeling: "In depth of characterization, command of language and breadth of thought, Mr. Freeling has few peers when it comes to the international policier." —The New York Times "Nicolas Freeling . . . liberated the detective story from page-turning puzzler into a critique of society and an investigation of character." —The Daily Telegraph "Freeling rewards with his oblique, subtly comic style." —Publishers Weekly "Freeling writes like no one. . . . He is one of the most literate and idiosyncratic of crime writers." —Los Angeles Times
