

Night Scythe

Enid Blyton

Scythe Neal Shusterman,2017-11-28 In a world where disease has been eliminated, the only way to die is to be randomly killed ('gleaned') by professional reapers ('scythes'). Two teens must compete with each other to become a scythe--a position neither of them wants. The one who becomes a scythe must kill the one who doesn't--Provided by publisher.

The Scythe & the Night-Stalker Sam Whittaker,2022-02-19 War tears the world apart. Tag and the band of Resistance fighters travels to the city of Trace Vale which is threatened by Thrall's occupation under a ruthless Commander. But there is another trouble: an unseen assailant prowls the streets at night killing Thrall soldiers and putting them on high alert. In the city a weaponsmith struggles to supply the Resistance with armaments. His beautiful but headstrong daughter becomes immediately infatuated with Tag though he remains oblivious to her affections. Complicating matters, Tag's friend Randall quickly falls for the girl, himself. Captain Uval of Thrall, disobeying a direct order, also heads to Trace Vale, unaware that Tag and his companions have arrived there. He is obsessed with finding the boy and exacting revenge. The promise of blood is on the near horizon.

Dagger and Scythe: The Ichorian Epics Book 2 Emilie Knight,2019-10 Dagger and Scythe spent good decade's together, stalking human prey at night, and taking out the targets the god Maniodes deems worthy. With one hundred years under her belt, Scythe is comfortable in her ways, and takes incredible enjoyment of her skills. Dagger may be new to the undead order, but he's relishing in the work. The two of them together set beautiful bonfires, with the occasional corpse inside that fire. When they enjoy each other's time a little too much, and an entire village burns down because of it, Maniodes becomes sick of their rogue behavior. Regular punishments haven't worked on either of them, so he tries something new: marrying them to each other. To keep each other in line or they'll both end up properly dead. Both have grown tired of the god's odd punishments and lazy control, taking over his throne and the land of the dead should fix things. Her scythe is perfectly curved for slicing. His dagger, made of folded steel, is ready to strike. But are they strong enough to take on gods?

The Publishers Weekly ,1887

Thunderhead Neal Shusterman,2019-06-04 "Intelligent and entertaining." –Kirkus Reviews (starred review) "Even better than the first book." –School Library Journal (starred review) Rowan and Citra take opposite stances on the morality of the Scythedom, putting them at odds, in the chilling sequel to the Printz Honor Book *Scythe* from New York Times bestseller Neal Shusterman, author of the *Unwind* dystology. Humans learn from their mistakes. I cannot. I make no mistakes. The Thunderhead is the perfect ruler of a perfect world, but it has no control over the scythedom. A year has passed since Rowan had gone off grid. Since then, he has become an urban legend, a vigilante snuffing out corrupt scythes in a trial by fire. His story is told in whispers across the continent. As Scythe Anastasia, Citra gleans with compassion and openly challenges the ideals of the "new order." But when her life is threatened and her methods questioned, it becomes clear that not everyone is open to the change. Old foes and new enemies converge, and as corruption within the Scythedom spreads, Rowan and Citra begin to lose hope. Will the

Thunderhead intervene? Or will it simply watch as this perfect world begins to unravel?

Scythe of Darkness Dawn Husted, 2017-06-13 Love it! Excited for more.--Schleicher, reviewer I am Mia Hieskety, and I'm different from other juniors at school. I'm lanky, awkward, and when I was little, I was kidnapped. But I returned unharmed. Now, I think someone wants me dead--and he's hot. Each time I'm near him, the fatal attraction pulls me closer. I can't stay away. What is he? His two-toned eyes look familiar. Have I met him before--in my dreams or nightmares? I can't remember what happened all those years ago, but I think my past has come to haunt me, in the form of something unnatural. And he might be the least of my worries. In this book, you'll find the personification of the Grim Reaper, also known as the Angel of Death.

Children of Fire Drew Karpysyn, 2013-08-27 Drew Karpysyn has made his mark with imaginative, action-packed work on several acclaimed videogames, including Mass Effect and Star Wars: Knights of the Old Republic, as well as in a succession of New York Times bestselling tie-in novels. Now Karpysyn introduces a brilliantly innovative epic fantasy of perilous quests, tormented heroes, and darkest sorcery—a thrilling adventure that vaults him into the company of such authors as Terry Goodkind, Brandon Sanderson, and Peter V. Brett. Long ago the gods chose a great hero to act as their agent in the mortal world and to stand against the demonic spawn of Chaos. The gods gifted their champion, Daemron, with three magical Talismans: a sword, a ring, and a crown. But the awesome power at his command corrupted Daemron, turning him from savior to destroyer. Filled with pride, he dared to challenge the gods themselves. Siding with the Chaos spawn, Daemron waged a titanic battle against the Immortals. In the end, Daemron was defeated, the Talismans were lost, and Chaos was sealed off behind the Legacy—a magical barrier the gods sacrificed themselves to create. Now the Legacy is fading. On the other side, the banished Daemron stirs. And across the scattered corners of the land, four children are born of suffering and strife, each touched by one aspect of Daemron himself—wizard, warrior, prophet, king. Bound by a connection deeper than blood, the Children of Fire will either restore the Legacy or bring it crashing down, freeing Daemron to wreak his vengeance upon the mortal world. BONUS: This edition includes an excerpt from Drew Karpysyn's *The Scorched Earth*. Praise for *Children of Fire* “This intricately layered adventure breathes realism and overshadowing menace into ancient mythic archetypes, exposing the pain and wonder inherent in magic and the mingled hope and cynicism of modern fantasy.”—Publishers Weekly (starred review) “A rousing quest fantasy . . . a fast-paced action-packed good and evil thriller.”—SF Revu “From the first page of *Children of Fire*, Karpysyn captures the reader’s attention with his excellent, intricate storyline.”—RT Book Reviews “*Children of Fire* stands on its own as a thoroughly entertaining tale. The book strikes a perfect balance between character driven storytelling and rich world building.”—Roqoo Depot “[Karpysyn] is truly a master of world building. . . . I would recommend this title to any fan of the genre.”—Among the Wreckage “Compulsively readable, wildly entertaining.”—A Girl, A Boy and A Blog “*Children of Fire* is engrossing, and full of characters that are modern. . . . I thoroughly enjoyed *Children of Fire* and look forward for the next two books.”—FANgirl Blog “Drew Karpysyn weaves a rich, contrasting tapestry of epic story and doom. Gripping and compelling from first page to last, *Children of Fire* is a dark-chocolate

fantasy; delightfully biting and delectable at once. Four ill-fated children born under a sign of chaos and flame carried me on a journey into an intriguing world of shadowy wonder. It is a spellbinding epic told with masterful craft. Well done, Drew!”—Tracy Hickman, New York Times bestselling co-author of the Dragonlance and Death Gate series

Scythe Tommy Davis,2013-10 Enter a medieval world where the demons of Hell stalk the earth in grotesque fleshly form. They are here to wreak havoc on the world of men, but a secret Order has formed to oppose them. These demon hunters are tracking down the hellions and, one by one, with daring skill and sharpened blades they are dispatching the damned-ones back to the Pit of Darkness. Named after the weapon he uses to deadly affect, the hunter Scythe leads a four-man team of demon slayers known as the Dreadlock. Instead of horses, Scythe and his men ride into battle on the backs of the wildish and brutal Gargoyles. But the Dreadlock is young and unorthodox--refusing to conform to the methods of their fellow huntsmen--which makes them suspect in the eyes of other members of the tradition-bound Order. Each break with tradition casts more suspicion upon the Dreadlock until... Scythe and the Dreadlock are accused of being in league with the very hellions they have sworn to destroy! Betrayal is at hand. Because they fell in love with the same beautiful girl, Scythe finds himself betrayed by he who was once his closest friend but is now Scythe's most dangerous enemy, Arric of the Rock. Now Scythe and his comrades must find a way to clear their names and at the same time deliver a devastating blow to the gathering forces of evil. Swords will be blooded, bones will be severed, fur will fly and the battle cry of Hell will pierce the night as men and demons clash to determine who will emerge the masters of the Holy Ground. Can the reckless courage of the Dreadlock save mankind, or will these young demon hunters themselves be overcome and destroyed by the powers of darkness? Join Scythe and the Dreadlock in this epic struggle of Light and Darkness!

The Arc of the Scythe Dring Crowell,2012-04-01 Murder, prostitution, slavery, and a police detective who risks everything - his badge and his life - to rescue the woman he loves. 'The Arc of the Scythe' is a roller coaster ride through the underground world of human trafficking.
