*Niki Nakayama: A Chef's Tale in 13 Bites* Debbi Michiko Florence, Jamie Michalak, 2021-09-14 Niki Nakayama: A Chef's Tale in 13 Bites is a picture book biography that tells the story of the powerhouse female Japanese-American chef and her rise to fame. As a child and adult, Niki faced many naysayers in her pursuit of haute cuisine. Using the structure of a traditional kaiseki meal, the authors Debbi Michiko Florence and Jamie Michalak playfully detail Niki's hunger for success in thirteen bites – from wonton wrappers she used to make pizza as a kid to yuzu-tomatillo sauce in her own upscale Los Angeles Michelin-starred restaurant, n/naka. To anyone who tells her a woman can't be a master chef, Niki lets her food do the talking. And oh, does it talk. Niki was featured on the first season of Netflix's culinary documentary series Chef's Table. And Chrissy Teigen proclaimed that Niki's restaurant was one of her absolute favorites. She's currently a featured teacher on MasterClass. A smart, strong woman with starpower, Niki is only just getting started – like the young readers who will devour this book, featuring illustrations by Yuko Jones!

NIKI de Saint Phalle Sandrine Martin, Dominique Osuch, 2018-05-01 Niki de Saint Phalle knew art could save the world because art saved her. From madness, from violence. From herself. Niki de Saint Phalle was a French-American sculptor, painter, and filmmaker. She was one of the few women artists widely known for monumental sculpture.

**Niki's Honor** Laila Anwarzai Ayoubi, 2015-08-19 "Niki's Honor" is a tragic and powerful story about an innocent victim of "honor killing" practices and the family she seeks to protect. Based on actual events still occurring in many parts of the world, this book reveals the realities of these unspeakable acts committed against girls and women, and usually carried out by their own family members. In a Soviet occupied country, Niki, a beautiful young rural Pashtun village girl, becomes entangled in a series of events that brings an end to her fairy tale dreams. She becomes a casualty of a culture where a family's honor and pride is more precious than life itself. Suffering in silence, Niki endures great pain and humiliation, yet still refuses to reveal her personal secret, saving her family and particularly her mother from further disgrace. She is engaged at the age of nine to the handsome fifteen year old son of a Khan. They eventually fall in love. Her secret is only shared with him. She committed no crime, but carries the full weight of a heinous act done by another. In "Niki's Honor" a horrific and cruel subject is shockingly presented. The author, growing up in Afghanistan and knowing its rich history, traditions, and customs, adds a unique and eloquent voice to Niki's story. Soul searching and provocative this is a story needing to be heard. The story of this poor but beautiful young village girl will have a memorable and lasting effect on you.

All of the proceeds of this project will be donated to offset Niki's final medical costs. Locked in Magic by Mia Ellas: Jack Harrington is a lover, not a fighter. The pack playboy is running from his responsibilities and for his life. When Lyla's life is in danger, Jack's wolf takes over. And fighting is what the wolf does best. Escaping the Ashes by Olivia Hardin: I live to serve the gods. A servant, a protector, an assassin. I've given my life and my death to duty, an ongoing cycle I can't escape. But then I've never before has a reason to... Undeniable by Tamara Kendall: Running from a broken heart means losing myself in alcohol and women . . . until I meet an irresistible redhead who offers me the chance to join an organization that will use my mind manipulating powers to do good. Powell: Five years after Lenni's death, Tam is still clinging to his past. But with some gentle prodding from his wife's ghost, he decides it's finally time to give life a second chance. Soon Tam finds himself waist deep in Dragons and over his head in Merlins—What's a man to do? Skin Thief by Melissa Lummis: Ninovan Arrighi thought she'd seen it all until she's assigned to track down a skin thief: her ex-partner, Quil Boudinot. But Quil, with his dark good looks and quiet earnestness, couldn't have been the psychotic fiend who peeled the skin of those people while they screamed. Could he? Knead to Know by Liz Schulte: Maggie Edwards can't sleep, eat, or die—but, she can bake. However, just before the Halloween grand opening of her bakery, a pesky reporter witnesses an accident in her kitchen and gets a little too close to the truth. If she can't convince him to keep quiet, not only will she lose her chance at happiness, but they both could lose their lives.

Niki Christos Chomenidis, 2023-06-13 A resilient Greek woman recounts her and her family's extraordinary story at the end of her life, marked by the great historical events of the twentieth century. Born in 1938, Niki, the daughter of the deputy secretary general of the Greek Communist Party, is swept up in turmoil before her first birthday: her parents are arrested, and she joins her mother in exile on an island near Santorini. Growing up, she experiences the Italian and German invasion, the Nazi occupation, and the civil war that came after, often caught between her socialist values and those of the right-wing establishment, to which half her relatives belong. Through her memories and the stories of her family, with roots on both coasts of the Aegean Sea, Niki also tells the history of Greece and Asia Minor from the late nineteenth century to the middle of the twentieth. Her remarkable tales, full of humor and verve in spite of hardship, are populated by working-class heroes, privileged elites, daring revolutionaries, and free-spirited bohemians.

*Bettina Valentino and the Picasso Club* Niki Daly, 2009-04-27 For the last fifty years, fighter pilots have used a secret tool for continuous improvement. *Niki* Tibor Dery, 2009-07-07 "The Dog adopted the Ancsas in the spring of '48": so the story begins. The Ancsas are a middle-aged couple living on the outskirts of Budapest in a ruinous Hungary that is just beginning to wake up from the nightmare of World War II. The new Communist government promises to set things straight, and Mr. Ancsa, an engineer, is as eager to get to work building the future as he is to forget the past. The last thing he has time for is a little mongrel bitch, pregnant

with her first litter. But Niki knows better, and before long she is part of the Ancsa household. The Ancsas even take her along with them when Mr. Ancsa's new job requires a move to an apartment in the city. Then Mr. Ancsa is swept up in a political crackdown—disappearing without a trace. For five years he does not return, five years of absence, silence, fear, and the constant struggle to survive—five years during which Mrs. Ancsa and Niki have only each other. The story of Niki, an ordinary dog, and the Ancsas, a no less ordinary couple, is an extraordinarily touching, utterly unsentimental, parable about caring, kindness, and the endurance of love.

*She's Done Pretending* Niki Bergler, 2022-11-14 Kids have a lot of energy; they act out in class, lie, and exaggerate tales. Trouble-making behavior is typical, or is it? This is what the police, schools, and other adults believed when they saw a young girl acting out and telling stories to her friends. Why wouldn't anyone listen to her? As a child, Niki did not stand a chance against her abuser. He was intelligent, calculating, and manipulative. The isolation and anger threatened to consume her, leaving behind an empty shell. *She's Done Pretending* became more than one child's experience of abuse; it is written permission for those who tire of being controlled by the abusers in our world. It is about persistence, resilience, and hope. Niki provokes a feeling of power behind standing up for yourself and taking your life back.
