**Newsletter Ninja 2: If You Give a Reader a Cookie** Tammi L Labrecque,2022-02-09 You know you need a reader magnet. You know it will help you attract newsletter subscribers, launch to a bigger audience, and find more success as an indie author. You know that a good reader magnet can turn casual readers into superfans, and superfans into evangelists. Everyone says so. But knowing and doing are two different things, especially when all the advice out there is overwhelming and confusing. Write this, not that. Use this service instead of that one. Give away a whole book. No, give away sample chapters. No, write a short story. If only someone would just give you the information you need to craft killer bonus content that lures all the right readers to your mailing list signup, and turns all the wrong ones away at the door! Well, you're in luck. Tammi Labrecque – indie author, mailing list whiz-kid, and author of the best-selling Newsletter Ninja – is back with an all-new book that will kickstart you on your reader magnet journey. Newsletter Ninja 2: If You Give a Reader a Cookie is a thorough breakdown of all the aspects of reader magnets—from choosing which type to write, through planning how it fits into your catalog, to getting it into readers' hands. Written in the same down-to-earth style as Newsletter Ninja, and packed just as full of solid information and useful ninja tips, Newsletter Ninja 2 will help you:

- Recognize the difference between a good reader magnet and a bad one
- Ditch the false dichotomy of organic vs incentivized subscribers
- Identify the two types of readers you want to attract, and how to lure both with one reader magnet
- Build a solid plan for which reader magnets go where, and how they fit into your catalog
- Discover more than a dozen types of reader magnets
- Sample a variety of existing reader magnets, and see what's possible!

Whether you're ready to whip up that first reader magnet or want to optimize the ones you already have, Newsletter Ninja 2 has got you covered.

**Ninja Girl** Cookie O'Gorman,2017-12-14 Seventeen-year-old Snow-Soon Lee kicks ass--literally. She teaches at her family-owned martial arts gym, The Academy, and cares more about training to be the next Bruce Lee than hooking up. In fact, Snow's never even been kissed. But when Girls Night rolls around, Snow decides to prove to her friends (and herself) that she's not just some boring tomboy. Impulsively, she kisses a hot stranger and even manages to escape his two security guards. One stolen kiss... Ash Stryker's senior year sucks. His politician father pulled him out of Chariot High, separating him from his championship-winning soccer team. Now he's stuck at a prissy private school with no friends, no team and no chance of being scouted. On top of that, thanks to the death threats his dad's received, Ash has a security tail aka professional babysitters. When the mystery girl from the movies shows up at his school, rappelling from the rafters, Ash knows one thing: he won't let her get away again. One interesting job proposition... After a seemingly random attack, Ash's mother surprises everyone. She hires Snow to be Ash's personal bodyguard until after the election. But can Snow's kick-ass skills hold up against the rising threats to Ash's family? More importantly, can Ash convince his ninja girl to screw ethics and kiss him again? Opposites attract in this YA romance where a smooth talker meets his match in the tough girl who (literally) sweeps him off his feet. Moral of the story: Sometimes even bad boys need a bodyguard.

This is the kind of story my reader heart craves." —Rachel Harris, New York Times bestselling author of *Eyes on Me* Available in print for the first time, and with exclusive bonus content only found in the print version! Fall in love with Sally and Becks all over again. **Adorkable** (ah-dor-kuh-bul): Descriptive term meaning to be equal parts dorky and adorable. For reference, see Sally Spitz. Seventeen-year-old Sally Spitz is done with dating. Or at least, she's done with the horrible blind dates/hookups/sneak attacks her matchmaking bestie, Hooker, sets her up on. There's only so much one geek girl and Gryffindor supporter can take. Her solution: She needs a fake boyfriend. And fast. Enter Becks, soccer phenom, all-around hottie, and Sally's best friend practically since birth. When Sally asks Becks to be her F.B.F. (fake boyfriend), Becks is only too happy to be used. He'd do anything for Sal—even if that means giving her PDA lessons in his bedroom, saying she's more than pretty, and expertly kissing her at parties. The problem: Sally's been in love with Becks all her life—and he's completely clueless. This book features two best friends, one special-edition Yoda Snuggie, countless beneath-the-ear kisses, and begs the question: Who wants a real boyfriend when faking it is so much more fun?

An aspiring dancer/choreographer, Sadie dreams of being featured on *Dancer's Edge*—but they say she's too sweet, needs more life experience. Her BFF, Kyle, and her oldest friend, 79-year-old Betty, agree: Sadie is in desperate need of a life makeover. But she'll need a coach. Sadie doesn't lie, cheat or steal--heck she doesn't even curse (part of the reason she hasn't checked off anything on her *Carpe Diem* List). Sadie doesn't know the first thing about being bad. But Kyle's twin brother, Colton, does. And he's willing to teach Sadie on one condition: she has to do everything he says for the next month.
